a fascinating survey of the evolution of human civilization from 1200 CE to the present. Because it spans almost 1,000 years and covers massive changes in power, culture, and technology across the globe, it might seem like an overwhelming amount of info to remember for one test.

Books - Mr. Murphy's  
Global History  
Patterns of World

History offers a distinct framework for understanding the global past through the study of origins, interactions, and adaptations. Authors Peter von Sivers, Charles A. Desnoyers, and George Stow--each specialists in their respective fields--examine the full range of human ingenuity over time and space in a comprehensive, even-handed, and critical fashion.
