Small Wars Manual Haynes Publishing

Grilling For Dummies, 2nd Edition provides readers with the how-to and what-to cook information they need to make their grilling season hot. It also offers tips sure to benefit grillers of all levels, including basic information on equipment; grill setup and maintenance; new grilling techniques for meat, poultry, seafood, and vegetables; and new and updated grilling recipes.

Weber's Big Book of Grilling Workman Publishing

Part field guide to grilling and barbecuing and part cookbook,

Master of the Grill features a wide variety of kitchen-tested recipes for meat, poultry, seafood, vegetables, pizza, and more. These are the recipes everyone should know how to make—the juiciest burgers, barbecue chicken that's moist not tough, tender grill-smoked pork ribs, the greatest steak (and grilled potatoes to serve alongside).

Regional specialties are included, too—learn how to make Cowboy Steaks, Alabama BBQ Chicken, and Kansas City Sticky Ribs.

Colorful photography captures the beauty of the recipes and step-by-step shots guide you through everything you need to know. A section on grilling essentials covers the pros and cons of gas and charcoal grills and which might be right for you, as well as the tools you'll use with them—such as grill brushes, tongs, vegetable baskets, and wood chips and chunks. From the Trade Paperback edition.

Texas Home Cooking Harper Collins

New York Times Bestseller Named "22 Essential Cookbooks for Every Kitchen" by SeriousEats.com Named "25 Favorite Cookbooks of All Time" by Christopher Kimball Named "Best Cookbooks Of 2016" by Chicago Tribune, BBC, Wired, Epicurious, Leite's

Culinaria Named "100 Best Cookbooks of All Time" by Southern Living Magazine For succulent results every time, nothing is more crucial than understanding the science behind the interaction of food, fire, heat, and smoke. This is the definitive guide to the concepts, methods, equipment, and accessories of barbecue and grilling. The founder and editor of the world's most popular BBQ and grilling website, AmazingRibs.com, "Meathead" Goldwyn applies the latest research to backyard cooking and 118 thoroughly tested recipes. He explains why dry brining is better than wet brining; how marinades really work; why rubs shouldn't have salt in them; how heat and temperature differ; the importance of digital thermometers; why searing doesn't seal in juices; how salt penetrates but spices don't; when charcoal beats gas and when gas beats charcoal; how to calibrate and tune a grill or smoker; how to keep

fish from sticking; cooking with logs; the strengths and weaknesses of the new pellet cookers; tricks for rotisserie cooking; why cooking whole animals is a bad idea, which grill grates are best; and why beer-can chicken is a waste of good beer and nowhere close to the best way to cook a bird. He shatters the myths that stand in the way of perfection. Busted misconceptions include:

- Myth: Bring meat to room temperature before cooking. Busted! Cold meat attracts smoke better.
- Myth: Soak wood before using it. Busted! Soaking produces smoke that doesn't taste as good as dry fast-burning wood.
- Myth: Bone-in steaks taste better. Busted! The calcium walls of bone have no taste and they just slow cooking.
- Myth: You should sear first, then cook. Busted! Actually, that overcooks the meat.

Cooking at a low temperature first and searing at the end produces evenly cooked meat. Lavishly designed with hundreds of illustrations and full-color photos by the author, this book contains all the sure-fire recipes for traditional American favorites and many more outside-the-box creations. You'll get recipes for all the great regional barbecue sauces; rubs for meats and vegetables; Last Meal Ribs, Simon & Garfunkel Chicken; Schmancy Smoked Salmon; The Ultimate Turkey; Texas Brisket; Perfect Pulled Pork; Sweet & Sour Pork with Mumbo Sauce; Whole Hog; Steakhouse Steaks; Diner Burgers; Prime Rib; Brazilian Short Ribs; Rack Of Lamb Lollipops; Huli-Huli Chicken; Smoked Trout Florida Mullet – Style; Baja Fish Tacos; Lobster, and many more.
