Wilhelm Reich writes, "In the practice of his profession, the analyst is daily confronted with problems, for whose solution

neither theoretical knowledge nor practical experience alone is adequate.

Wilhelm Reich - Wikipedia  
Reich argues that character structures were organizations of resistance with which individuals avoided facing their neuroses: different character structures — whether schizoid, oral, psychopathic, masochistic, hysterical, compulsive, narcissistic, or rigid — were sustained biologically as body types by unconscious muscular contraction.

Character Analysis - Wikipedia

Certainly, using character simply to sort or pigeonhole people, or to rationalize interpersonal difficulties, is not legitimate. But

clearly, an emphasis on character makes Reich and Lowen therapy a therapy of

'characterlogical transformation'.

Character analysis is a way of

'cornering' resistance once and for all.

In this enlarged edition, Reich illustrates how his study of character led to a comprehension of the biological basis of neuroses and finally to the discovery of the cosmic orgone energy. Thus,

character analysis is taken out of the realm of psychology and put on the firm basis of natural science, in the form of orgone biophysics.
