Thrift Sristhi Publishers & Distributors

Does the character of our leaders matter? You may think this question was answered long ago. Countless business authors and analysts have assured us that great leadership demands great character. Time and again, we've seen that truth play out, as once-thriving organizations falter and fail under the guidance of leaders behaving badly. Why, then, do so many executives remain skeptical about the true value of leadership character? A winning strategy and a sound business model are what really matter, they argue; character is just the icing on the cake. What's been missing from this

debate is hard evidence: data that shows not only that leadership character matters for organizational success, but how it matters; and concrete evidence that it leads to better business results. Now, in this groundbreaking book, respected leadership researcher, adviser, and author Fred Kiel offers that evidence—solid data that demonstrates the connection between character, leadership excellence, and organizational results. After seven years of rigorous research based on a landmark study of more than 100 CEOs and over 8,000 of their employees' observations, Kiel's findings show that leaders of strong character achieved up to five times the ROA for their organizations as did leaders of weak character. Return on Character goes on to reveal:

- How leadership character is formed, how it creates value, and how that value spreads throughout the organization
-

How low-character leaders undermine the success of even the best business plans

- How leaders at any level can develop the habits of strong character and "unlearn" the habits of poor character

The book also provides a character-building methodology—step-by-step advice and techniques for assessing your own character habits and improving your performance and that of your organization. Return on Character provides the blueprint for building your own leadership character and creating a character-driven organization that achieves superior business results.

"He is my destiny." There is a place that lies between heaven and Earth, it is called The Realm. Within this place, the Guards of Peace, known as Garda Siochana, learn to guide and protect the ones that live below until they are called home. Officer Corey Hamilton is dedicated to being the best that she can be, in uniform and out. Her loving nature, compassionate thoughts, and warrior strength make her the perfect candidate to join the Garda Siochana and spend her eternity protecting and guiding others. Just before Corey dies in a line-of-duty accident, she meets Officer Mitchell O'Reilly. Her feelings for him may change her destiny, but not for the better, as she falls in love with this married man. Brock, Corey's personal Garda, will bring her home to The Realm and attempt to train her for her future, even while she

still fights for her past. Will Brock be able to direct Corey down the right path, or will she cross the line and fall from grace? Join Corey, Mitchell, and Brock for an emotional and heart-pounding adventure that is sure to make you wonder if angels are really guiding us in our everyday lives.

Turn Virtual Connections into Paying Customers* delivers results for anyone expected to deliver sales results in a virtual environment. It also belongs on the bookshelves of those who hope to take their successful offline sales strategies to the online world.

Lives of the Engineers Columbia University Press Samuel Smiles is best known for his book *Self Help* (1859), which many have assumed to be an encouragement to social and financial success. However, Smiles actually argued against the single-minded pursuit of success, and in favour of the protean formation of character as the ultimate goal of life. First published in 1987, this book examines Samuel Smiles' ideals of work and self-help against the background of the Victorian work ethic. Drawing on 'sub-literature' such as pamphlets, periodicals, novels, works by

Dissenting and Anglican ministers, popular 'success' and 'self-improvement' books, and general literature on the condition of the working classes, it presents a broad range of public opinion and attitudes towards work and in doing so, creates an essential framework and context for Smiles' popular books. This book will be of interest to those studying Victorian history and ideology.

Character Harvard Business Review Press

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of

love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

The Self-Help Compulsion Johns Hopkins University Press

"The object of the book briefly is, to re-inculcate old-fashioned but wholesome lessons--which perhaps can not be too often urged--that youth must work in order to enjoy--that nothing creditable can be accomplished without application and diligence--that the student must not be daunted by difficulties, but conquer them by patience and perseverance--and that, above all, he must seek elevation of character, without which capacity is worthless and worldly success is naught. If the author has not succeeded in illustrating these lessons, he can only say that he has failed in his object"--Preface. (PsycINFO Database Record (c) 2010 APA, all rights reserved).

Samuel Smiles - Character John Wiley & Sons

Samuel Beckett as a guru for business executives? James Joyce as a guide to living a good life? The notion of notoriously experimental authors sharing a shelf with self-help books might seem far-fetched, yet a hidden history of rivalry, influence, and imitation links these two worlds. In *The Self-Help Compulsion*, Beth Blum reveals the profound entanglement of modern literature and commercial advice from the late nineteenth century to the present day. Blum explores popular reading practices in which people turn to literature in search of practical advice alongside modern writers' rebukes of such instrumental purposes. As literary authors positioned themselves in opposition to

people like Samuel Smiles and Dale Carnegie, readers turned to self-help for the promises of mobility, agency, and practical use that serious literature was reluctant to supply. Blum unearths a series of unlikely cases of the love-hate relationship between serious fiction and commercial advice, from Gustave Flaubert's mockery of early DIY culture to Dear Abby's cutting diagnoses of Nathanael West and from Virginia Woolf's ambivalent polemics against self-improvement to the ways that contemporary global authors such as Mohsin Hamid and Tash Aw explicitly draw on the self-help genre. She also traces the self-help industry's tendency to popularize, quote, and adapt literary wisdom and considers what it might have to teach today's university. Offering a new history of self-help's origins, appeal, and cultural and literary import around the world, this book reveals that self-help's most valuable secrets are not about getting rich or winning friends but about how and why people read. Steve Shipside's thoroughly up-to-date interpretation of Samuel Smiles's *Self-help*, a self-improvement classic, illustrates the principles of Smiles's philosophy with modern examples to enable 21st century readers to transform their lives.

Chasing Bliss Wentworth Press

An instructive history, this remarkable work recounts the causes leading to the persecution of the French Protestants and traces their emigration from France to England and Ireland. An interesting feature of the work, to the genealogist, is the collection of 300 biographies of noted Huguenot refugees who settled in Britain.

Additionally, the work contains an important section on the Huguenots in America by G. P. Disoway

The life of George Stephenson, railway engineer

Chase Brown has it all...he's wealthy, owns three of the hottest night clubs in New York City and he's boyishly handsome. Chase's rise to the top hasn't been easy and memories of his mother's murder, as she died in his arms when he was only twelve years old, still haunt him.

These memories birth Smoke, his monstrous alter ego, who is psychotic and very dangerous. Chase and his younger brother Corey are close; so close that his older brother, Cyrus, uses emotional blackmail to make Chase carry out his deceitful and murderous deeds. While attempting to bury Smoke and break free from his brother's spell, Chase meets the beautiful Bliss Riley. They fall madly in love but there is only one problem...Bliss isn't aware of Chase's murderous appetite and the demon that lives inside of the man she loves. Will Chase be able to bury his demons for good and live happily ever after with the woman of his dreams or will Smoke take Chase and Bliss on a journey that will leave dead bodies throughout the city of New York? Only time will tell!

Self-Help and Victorian Literature

The story of one African-American family fighting to stay together and strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s.

The Grandest Thing in the World

Best Book of the Year NPR • The Washington Post • Boston Globe • TIME • USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar

• Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver

and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.
