[Graphic Organizer: Problem & Solution](#) With this graphic

organizer, students will be able to describe the problem and

solution experienced by the characters in the fiction texts they

are reading Learning about characters, setting and events

A story map is a strategy that uses a graphic organizer to

help students learn the elements of a book or story. By

identifying story characters, plot, setting, problem and

solution, students read carefully to learn the details. There

are many different types of story map graphic organizers.

The most basic focus on the beginning, middle, and end of

the story.
