Strength for Today Chosen Books

This book provides a consistent examination of the primary biblical texts used in the current debate over spiritual gifts and the charismatic experience. Dr. Edgar affirms that believers can indeed be satisfied and fulfilled by the Spirit apart from miraculous gifts.

Charismatic Chaos Moody Publishers

The battle lines have been drawn. Is the enemy winning? "Thanks to the theory of evolution," writes best-selling author John MacArthur, "naturalism is now the dominant religion of modern society. Less than a century and a half ago, Charles Darwin popularized the credo for this secular religion. Naturalism has now replaced Christianity as the main religion of the Western world, and evolution has become its principal dogma." Many Christians who claim to believe that the Bible is God's revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation. Such compromises present a conspicuous danger. Bible teacher and pastor, John MacArthur, believes that in Genesis 1-3 we find the foundation of every doctrine that is essential to the Christian faith?the vital underpinnings for everything we believe. The Battle for the Beginning draws a clear line on today's theological landscape. "Everything in Scripture that teaches about sin and redemption assumes the literal truth of the first three chapters of Genesis. If we wobble to any degree on the truth of this passage," John MacArthur insists, "we undermine the very foundations of our faith."

Renewal Theology Charismatic Chaos

Stress has become part of our daily lives. We worry about our jobs, our relationships, and our families. And while there's no lack of remedies for anxiety, no solution seems to offer true peace of mind. John MacArthur, Jr. believes that peace is not only possible, it's a divine mandate. Drawing from a rich legacy of teaching and ministry, MacArthur puts aside cultural cures to uncover the source of our anxiety and stress. Based on solid Biblical insights, Anxious for Nothing shares how we can overcome uncertainty, defeat doubt, and be truly worry-free. This revised and updated edition includes a guide for both personal and group study and features discovery questions, suggestions for prayer, and activities, all designed to connect life-changing truths with everyday living.

God Doesn't Whisper Charisma Media

"Final Word is about the centrality of the Bible. It covers such subjects as criticism of Scripture, the attributes of Scripture--that it is truthful and authoritative--and it introduces the benefits of the Bible for spiritual growth, faithful ministry, and personal nourishment"--

Fundamentals of the Faith Teacher's Guide Crossway

The first edition of The Gospel According to Jesus won wide acclaim in confronting the “ easy-believism ” that has characterized some aspects of evangelical Christianity. Over the past 50 years, a handful of books have become true classics, revered world-wide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur ’ s The Gospel According to Jesus is one of those books. In The Gospel According to Jesus, MacArthur tackles the idea of “ easy believism, ” challenging Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, “ What does it really mean to be saved? ” He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obediently walking with Jesus as Lord. This 20th anniversary edition of MacArthur ’ s provocative, Scripture-based book contains one new chapterand is further revised to provide Christians in the 21st century a fresh perspective on the intrinsic relationship between faith and works, clearly revealing Why Jesus is both Savior and Lord to all who believe.

The Truth War David C Cook

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society ’ s nervous fascination with the future. Whether it ’ s a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian ’ s devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

Satisfied by the Promise of the Spirit Thomas Nelson

Something about the calling or anointed of the teacher, because one of my callings is to be a teacher; the other is to stand in the office of prophet.

Biblical Doctrine Thomas Nelson

What makes a true leader? Is leadership a title? Authority? Charisma? Whatever gets the best results? Today more than ever, Christians need a model of leadership that is based on God ’ s Word, that brings God glory. In Called to Lead, best-selling author, pastor, and teacher John MacArthur explains the characteristics of a leader drawn from one of the Bible ’ s most renowned leaders, the apostle Paul. Focusing on Paul ’ s letters to the church, Called to Lead shows you the twenty-six key qualities of a leader who can achieve results without forfeiting faith and obedience, qualities such as: Trustworthiness Discipline Christlikeness Sincerity Decisiveness Called to Lead presents a compelling, biblically sound explanation of the leadership God established when Jesus called and commissioned the apostles . . . and when God called you to lead.

Counterfeit Miracles Fortress Press

In a world of divorce, casual sex, and homosexual unions, "family"?once the bedrock of our culture?is becoming a matter of uncertainty and argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book. There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

The Gifts and Calling of God Zondervan

"How blessed is the man whose strength is in You. . . ." —Psalm 84:5, NASB What a wonderful opportunity you have as a Christian in this modern age to open up the Bible and, with the leading of the Holy Spirit, glean its rich truths for yourself. Your vitality as a Christian depends on doing just that. For only through consistent Bible study and prayer do you gain the spiritual strength to navigate each day with wisdom, grace, and integrity. Offering significantly more than the typical thematic or topical anecdotes of some other devotionals, the in-depth Bible exposition of this daily study gives you a firmer grasp on many of the great passages of Scripture—passages that speak at length of Christian character, the meaning behind Christ's death and resurrection, and how we benefit from life's trials. After a year in God's Word with this book as your companion, you will find that both your walk with Christ and your faith have grown stronger—all because you committed yourself to a daily, in-depth study of the Scriptures, and to learning more about the God who is your Strength.

Slave Thomas Nelson

An outstanding exposition that contrasts scriptural principles with charismatic practices based on the experience of the church at Corinth. Also available in Spanish!

Called to Lead Zondervan Academic

What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “ Christianity ” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In Strange Fire, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

The Truth About Lordship of Christ Reformation Trust a Division of Ligonier Ministries

Every week since the spring of 1994, hundreds have made the pilgrimage to Canada to experience what is now known as "The Toronto Blessing." A worldwide debate has ensued on the strange manifestations associated with the Vineyard movement and the "Holy Laughter" ministry of Rodney Howard-Browne. This investigative report offers a guide through the complex issues surrounding this international controversy. Professor James Beverley's analysis is based on four years of study of the Vineyard and the Kansas City prophets, including extensive interviews with John Wimber, Paul Cain, Mike Bickle, John Arnott, Randy Clark, Rodney Howard-Browne, Hank Hanegraaff, and other key voices in the furor over Holy Laughter and The Toronto Blessing.

The Prayer of Faith CUA Press

The Shepherding a Child ’ s Heart Parent ’ s Handbook is not just a fill-in-the-blank study guide that rehearses the material in Shepherding a Child ’ s Heart. In the ten years since the publication of Shepherding, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God ’ s Word on the subject, has resulted in a broader and deeper understanding of the content and application of Shepherding a Child ’ s Heart. Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children.

Can God Bless America? David C Cook

"Becoming a Christian means being sick of your sin, longing for forgiveness and rescue from present evil and future hell, and affirming your commitment to the Lordship of Christ to the point where you are willing to forsake everything. I've said it before and I'll say it again: it isn't just holding up your hand or walking down an aisle and saying, 'I love Jesus.'" ?John MacArthur Best-selling author and pastor John MacArthur brings his deep knowledge of Scripture to this foundational subject. Step by step, he walks through the impact of God's sovereignty, our submission, the characteristics of holy living, and our assurance

of salvation. MacArthur makes the case that the Christian life is full and rich?but not easy. It requires sacrifice, perseverance, and transformation in the ongoing process of becoming more like Christ. And it is absolutely worth the cost. The Truth About Series For decades, MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth. In The Truth About Series, he now gathers his landmark teachings about core aspects of the Christian faith in one place. These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith.

The Murder of Jesus Thomas Nelson

Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack?especially those bringing the assault right into the church. There is no middle ground?no safe zone for the uncommitted in this war. The battle for truth is raging, and this book reveals: The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches "[The postmodern age] is the age of no truth, an age that has reached a point of deadly fatigue when it comes to facing the truth?a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time." ?R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary The Battle for the Beginning Thomas Nelson

Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary Doctrine isn ' t just for theologians—it ' s important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur ' s well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

The Gospel According to Jesus Thomas Nelson

"Faith does not break lose in my head with a whooping, 'Hurrah for God!' Believing sneaks into my soul while my head is saying, 'My God, where were you when I needed you?'" Lewis Smedes does not explain away pain or deny that things get bad and that life is hard. Instead he helps us move beyond a disheartening present by being open to God and the certainty that things are, somehow, fundamentally right. This book is about grace. Grace is the courage to go on believing in the presence of suffering and death. This is real believing, not just the intellectual kind. "The thinking part is not all that hard. IT is the feeling part that comes hard, the part that lets you know in the deep places of your soul that it is all right even when your head tells you everything is ghastly."

Anxious for Nothing Thomas Nelson

In a society that is hostile to anyone who declares absolutes, that tolerates faith in any form, that values emotion over reason and trendiness over conviction, it's no suprise that many American chuches have lost their ability to discern between biblical truth and doctrinal error. John MacArthur attempts to set them straight.
