The Charismatics Thomas Nelson

The battle lines have been drawn. Is the enemy winning? "Thanks to the theory of evolution," writes best-selling author John MacArthur, "naturalism is now the dominant religion of modern society. Less than a century and a half ago, Charles Darwin

popularized the credo for this secular religion.

Naturalism has now replaced Christianity as the main religion of the Western world, and evolution has become its principal dogma." Many Christians who claim to believe that the Bible is God's revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation. Such compromises present a conspicuous danger. Bible teacher and pastor, John MacArthur, believes that in Genesis 1-3 we find the foundation of every doctrine that is essential to the Christian faith?the vital underpinnings for everything we believe. The Battle for the Beginning draws a clear line on today's theological landscape. "Everything in Scripture that teaches about sin and redemption assumes the literal truth of the first three chapters of Genesis. If we wobble to any degree on the truth of this passage," John MacArthur insists, "we undermine the very foundations of our faith."

Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack?especially those bringing the assault right into the church. There is no middle ground?no safe zone for the uncommitted in this war. The battle for truth is raging, and this book reveals: The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches "[The postmodern age] is the age of no truth, an age that has reached a point of deadly fatigue when it comes to facing the truth?a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time." ?R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary

Something about the calling or anointed of the teacher, because one of my callings is to be a teacher; the other is to stand in the office of prophet.

The first edition of The Gospel According to Jesus won wide acclaim in confronting the "easy-believism" that has characterized some aspects of evangelical Christianity.

Over the past 50 years, a handful of books have become true classics, revered world-wide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur's The Gospel According to Jesus is one of those books. In The Gospel According to Jesus, MacArthur tackles the idea of "easy believism," challenging Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obediently walking with Jesus as Lord. This 20th anniversary edition of MacArthur's provocative, Scripture-based book contains one new chapter and is further revised to provide Christians in the 21st century a fresh perspective on the intrinsic relationship between faith and works, clearly revealing Why Jesus is both Savior and Lord to all who believe.

In the ten years since the publication of Shepherding, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God's Word on the subject, has

What is the role of the Holy Spirit in salvation? Only Jesus is perfect for Christians who want a deeper relationship with Jesus Christ or seekers who want to know who Jesus is and what he taught. In a society that is hostile to anyone who declares absolutes, that tolerates faith in any form, that values emotion over reason and trendiness over conviction, it's no suprise that many American chuches have lost their ability to discern between biblical truth and doctrinal error. John MacArthur attempts to set them straight.

The pieces are in place. The curtain rises for the final act. God is about to die. An unprecedented conspiracy of injustice, cruelty, and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds, and heroes? What was it like in the Upper Room that night, in the shadows of Gethsemane, or in the Praetorium awaiting Pilate's verdict? What is the meaning of the last words Jesus uttered as He gasped for breath on the cross? What if all the facts you now so well could come alive in your ind and heart as a living story, rather than as a 2000-year-old ancient account? By piecing together the narrative from the perspective of the participants, John MacArthur invites you to relive the most awesome injustice in the history of man, the unparalleled triumph of the sovereignty of God, and the passion of Christ.

"Faith does not break lose in my head with a whooping, 'Hurrah for God!' Believing sneaks into my soul while my head is saying, 'My God, where were you when I needed you?'" Lewis Smedes does not explain away pain or deny that things get bad and that life is hard. Instead he helps us move beyond a disheartening present by being open to God and the certainty that things are, somehow, fundamentally right. This book is about grace. Grace is the courage to go on believing in the presence of suffering and death. This is real believing, not just the intellectual kind.

"The thinking part is not all that hard. IT is the feeling part that comes hard, the part that lets you know in the deep places of your soul that it is all right even when your head tells you everything is ghastly."

The Fulfilled Family Thomas Nelson

Nearly two decades ago Hank Hanegraaff's award-winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not

obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."
