In the tradition of Edward Eager and E.L. Konigsburg, a novel about the excitement—and the dangers—of wishing. Tess and her brother, Max, are sent for the summer to their aunt's sleepy village in the English countryside, where excitement is as rare as a good wifi signal. So when Tess stumbles upon an old brass key that unlocks an ornately carved gate, attached to a strangely invisible wall, she jumps at the chance for adventure. And the world beyond the gate doesn't disappoint. She finds rose gardens, a maze made of hedges, and a boy named William who is just as lonely as she is. But at William's castle, strange things begin to happen. Carnival games are paid for in wishes, dreams seem to come alive, and then there's William's eerie warning: Beware of the hawthorn trees. A warning that chills Tess to the bone. In a magical, fantasy world that blurs the line between reality and imagination, readers are left to wonder exactly what they'd wish for if wishes could come true. Perfect for fans of *Half Magic* and *The Secret Garden*—and for anyone who's ever wondered if magic is real. For the further adventures of Tess and Max, be sure to check out Amy Ephron's *Carnival Magic*! Perfect for middle-graders who love classic fantasy."—Booklist "Rich description of the castle along with an elaborate map at the book's beginning and an illustration at the end enhance the fantasy world....A sequel is suggested; beguiled readers will hope it happens."—Kirkus Reviews "There are scenes...that are transcendent in their beautiful, ethereal descriptions [in this] uplifting novel about family and connection."—BCCB "A slightly darker, updated take on magical realism classics such as Edward Eager's *Half Magic* and E. Nesbit's *The*

Enchanted Castle."—School Library Journal "A near-perfect 9.... This book defies gravity because it's hard to put down!"—Time for Kids, kid reporter "Ephron renders this magical world with such assertive beauty that readers of all ages, who are fortunate enough to believe in the power of magic, will enjoy immersing themselves in the roller-coaster fun of these stories, and come to trust, even if for a short time, that in this 'alternate universe' it is possible for us to come together and 'touch the sky.'"—Jewish Journal
