Wednesday Books

When a virus makes everyone over the age of eighteen infertile, would-be parents pay teen girls to conceive and give birth to their children, making teens the most prized members of society. Girls sport fake baby bumps and the school cafeteria stocks folic-acid-infused food. Sixteen-year-old identical twins Melody and Harmony were separated at birth and have never met until the day Harmony shows up on Melody's doorstep. Up to now, the twins have followed completely opposite paths. Melody has scored an enviable conception contract with a couple called the Jaydens. While they are searching for the perfect partner for Melody to

bump with, she is fighting her attraction to her best friend, Zen, who is way too short for the job. Harmony has spent her whole life in Goodside, a religious community, preparing to be a wife and mother. She believes her calling is to convince Melody that prepping for profit is a sin. But Harmony has secrets of her own that she is running from. When Melody is finally matched with the world-famous, genetically flawless Jondoe, both girls' lives are changed forever. A case of mistaken identity takes them on a journey neither could have ever imagined, one that makes Melody and Harmony realize they have so much more than just DNA in common. From New York

Times bestselling author Megan McCafferty comes a strikingly original look at friendship, love, and sisterhood—in a future that is eerily believable.

Americanah Broadway Books Disc 1 offers 25 short 'tutorials,' helping students see what the text describes. Disc 2 includes an anthology of 12 short films, from 5 to 30 minutes in length. Together, the DVDs offer nearly five hours of pedagogically useful moving-image content.

"The Jessica Letters" by Paul Elmer More, Corra Harris. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue

the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Mall Poppy
Megan McCafferty ' s Bumped series of books are must-read teen dystopian fiction, along with Ally Condie ' s Matched series and Veronica Roth ' s Divergent trilogy. Thumped, the sequel to Bumped, manages to be satiric, scary, and romantic at the same time. It continues the story of separated-at-birth twins, Melody and

Harmony, girls as engaging as McCafferty ' s Jessica Darling. These sisters are the most popular teen girls on the planet. To their fans, they seem to be living ideal lives. Harmony is married to Ram and living in Goodside, the religious community that once meant everything to her. Melody has the genetically flawless Jondoe as her coupling partner, which means money and status—and a bright future. But both girls are hiding secrets. And they are each pining for the only guys they can ' t have.... The biggest risk of all could be to finally tell the truth.

Weetzie Bat Twelve

From mega- bestselling author Megan McCafferty—author of the beloved Jessica Darling series that The Wall Street Journal called “Judy Blume meets Dorothy Parker”—comes a hilarious love letter to the magic and heartache of middle school friendship. Sophie Dailey is NOT looking forward to starting middle school. For one thing, she doesn't look like other kids. Instead of trendy tank tops, she wears high tech shirts that block UV rays. (Sun protection is

serious business!) And she definitely doesn't sound like other kids either. (She can't say "hollo" or "hot take" without making a weird face.) Needless to say, this is probably why her best friend, Ella, ditched her for Queen Bee Morgan. Sophie is comfortable with who she is and doesn't want to change. But she's also pretty lonely without Ella. Even worse, Morgan seems intent on making seventh grade miserable for Sophie, and Ella doesn't bat an eye at the bullying.

Then a new girl moves in next door to Sophie. Kaytee Ray is everything Sophie is not: fashionable and super-confident. Sophie can't believe Kaytee wants to spend the last days of summer with her. Determined to keep Kaytee as a friend, Sophie lies about her social status, claiming to be besties with Morgan and Ella. As long as Kaytee attends Villa Academy—a private school on the other side of town—she'll never find out her first friend in New Jersey is a loser. But can any

friendship built on
lies survive
seventh grade?

All the Duke I Need

Harper Collins

A warm and witty novel from the acclaimed author of *Good in Bed*, *In Her Shoes* and the forthcoming *Who Do You Love* (August 2015) For Kate Klein, semi-accidental mother of three, the unsolved murder of a fellow mother is the most interesting thing to happen since the neighbours cracked their septic tank. Up until then life in suburbia has been distinctly underwhelming. Her once-loving husband is hardly ever home. The supermums on the playground routinely snub her and her days

are filled with an empty routine. At night, most of her orgasms are of the do-it-yourself variety. So, on Mondays, Wednesdays and Fridays, when her kids are in nursery school, Kate launches a murder investigation of her own. With the help of her best friend, carpet heiress Janie Segal, and former flame, Evan McKenna, she is drawn deep into the dead woman's double life. Suddenly suburbia is not so ordinary after all. Engrossing, suspenseful, and laugh-out-loud funny, *Goodnight Nobody* is another unputdownable, sparkling tale; a quick-witted mystery with a great heart and a narrator you'll never forget.

By examining the novels of critically and commercially successful authors such as Sarah Dessen (*Someone Like You*), Stephenie Meyer (the *Twilight* series), and Laurie Halse Anderson (*Speak*), *Reading Like a Girl: Narrative Intimacy in Contemporary American Young Adult Literature*

explores the use of lead to narrative intimacy contradictory as a means of cultural reflecting and expectations for reinforcing larger, the young women so often deeply obsessed contradictory, with reading these cultural expectations novels. Day coins the term "narrative regarding to the implicit adolescent women, interpersonal relationship relationships, and between narrator intimacy. Reading and reader that Like a Girl depends on an explains the imaginary construction of disclosure and narrator-reader trust between the relationships in story's narrator recent American and the reader. novels written Through critical about adolescent examination, the women and marketed inherent to adolescent contradictions women. Sara K. Day between this explains, though, enclosed, imagined that such levels of relationship and imagined friendship the real

expectations for adolescent women's relations prove to be problematic. In many novels for young women, adolescent female narrators construct conceptions of the adolescent woman reader, constructions that allow the narrator to understand the reader as a confidant, a safe and appropriate location for disclosure. At the same time, such novels offer frequent warnings against the sort of unfettered confession the narrators perform. Friendships are marked as potential

sites of betrayal and rejection. Romantic relationships are presented as inherently threatening to physical and emotional health. And so, the narrator turns to the reader for an ally who cannot judge. The reader, in turn, may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds. *The Jessica Letters* Crown The third book in Megan McCafferty's beloved, New York

Times bestselling series--now with a new foreword by Rebecca Serle. Life finally seems to be going right for Jessica Darling. She escaped the New Jersey suburbs and attends Columbia University in New York City. She's more into her boyfriend, Marcus Flutie, than ever—even if he's at a college across the country in California. And she's making new friends who can't quite compete with her beloved bestie, Hope, but at least come close. If Jessica thought high school was hard, college

brings a whole new set of challenges. She snagged an internship at a Brooklyn literary magazine, but will she ever fit in with the snarky staff? Can she even make it to graduation after her parents cut her off financially? And will her long distance relationship survive the pursuit by three new—and radically different—love interests? With the signature wit, cynicism and candor the series is famous for, *Charmed Thirds* takes readers on an unforgettable

journey through Jessica Darling's hilariously complicated college years.

Sixteen Compendium Publishing & Communications Old flames are reignited in the fifth and final book in the New York Times bestselling Jessica Darling series. Captivated readers have followed Jessica through every step and misstep: from her life as a tormented, tart-tongued teenager to her years as a college grad stumbling toward adulthood. Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding.

As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It's the first time she's seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. Marcus and Jessica have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke or has fate orchestrated this collision of their lives once again? Told partly from Marcus's point of view, Perfect Fifths finally lets readers inside the mind of the one person who's both troubled and

titillated Jessica Darling for years. Expect nothing less than the satisfying conclusion fans have been waiting for, one perfect in its imperfection. . . .

"One part Judy Blume, one part Amy Schumer, Gimme Everything You Got is incredibly warm, bracingly frank, and laugh-out-loud hilarious. I didn't want the game to end."

—Katie Cotugno, New York Times bestselling author of 99 Days It's 1979—the age of roller skates and feathered bangs, Charlie's Angels and Saturday Night Fever—and Susan Klintock is a junior in high school with a

lot of sexual fantasies . . . but not a lot of sexual experience. No boy—at least not any she knows—has been worth taking a shot on. That is, until Bobby McMann arrives. Bobby is foxy, he's charming . . . and he's also the coach of the brand-new girls' soccer team. Sure, he's totally, 100 percent, completely off limits. Sure, Susan doesn't stand a chance. But that doesn't mean she can't try out for the team to get closer to him, and Susan Klintock has always liked a challenge. Between the endless drills and grueling practices, Susan discovers something else: She might actually love soccer. But being a part of the first girls' team at school means dealing with

other challenges. As friendships shifts, she finds her real passions might lie in places she didn't expect when the season began—and that discovering who she is will mean taking risks, both on and off the pitch. Love. Lust. Soccer. Acclaimed author Iva-Marie Palmer returns with a fresh, funny, feminist coming-of-age comedy about learning to take your shot on the things that truly matter.

The Truth About

Forever Anchor

New York Times bestselling author Megan McCafferty returns to her roots with this YA coming of age story set in a New Jersey mall. The year is 1991. Scrunchies, mixtapes and 90210 are, like,

totally fresh. Cassie Worthy is psyched to spend the summer after graduation working at the Parkway Center Mall. In six weeks, she and her boyfriend head off to college in NYC to fulfill The Plan: higher education and happily ever after. But you know what they say about the best laid plans... Set entirely in a classic "monument to consumerism," the novel follows Cassie as she finds friendship, love, and ultimately herself, in the most unexpected of places. Megan McCafferty, beloved New York Times bestselling author of the Jessica Darling series, takes readers on an epic

trip back in time to
