The Second Mrs. Darcy

A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in

rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith. While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center

stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It ' s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “ what if. ” Despite their fathers ' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

What makes 2nd Lieutenant Phil

Larimore 's story special is what happened in World War II 's closing days and the people—and horses—he interacted with in this Forrest Gump-like tale that is emotional, heartbreaking, and inspiring.

Growing up in the 1930s in Memphis, Tennessee, Phil Larimore is the ultimate Boy Scout—able to read maps, put a compass to good use, and traverse wild swamps and desolate canyons. Harbor, Phil realizes he is destined for war.

Three weeks before his eighteenth birthday, he becomes the youngest candidate to ever graduate from Officer Candidate School (OCS) at Fort Benning, Georgia. Landing on the Anzio beachhead in February 1944, Phil is put in charge of an Ammunition Pioneer Platoon in the 3rd Infantry Division. Their job: deliver ammunition to the frontline foxholes—a dangerous assignment involving regular forays into No Man 's Land. As Phil fights his way up the Italian boot, into Southern France and across the Rhine River into Germany, he is caught up in some of the most intense combat ever. But it 's what happens in the final stages of the war and his homecoming that makes Phil 's story incredibly special and heartwarming.

An emotional tale of courage, daring, and heroism, *At First Light* will remind you of the indomitable human spirit that lives in all of us.

"From 1501 to 1505, Leonardo da Vinci and Michelangelo Buonarroti both lived and worked in Florence. Leonardo was a charming, handsome fifty year-old at the peak of his career. Michelangelo was a temperamental sculptor in his mid-twenties, desperate to make a name for himself. The two despise each other."--Front jacket flap.

The Borgia Bride
Usborne Publishing Ltd
From the critically acclaimed author of Monticello and The Widow's War comes a vividly rendered historical novel of love, loss, and reinvention, set on Martha's Vineyard at the end of the nineteenth century. Martha's Vineyard, 1898. In her first life, Ida Russell had been a painter. Five years ago, she had confidently walked the halls of Boston's renowned Museum School, enrolling in art courses that were once deemed "unthinkable" for women to take, and showing a budding talent for

watercolors. But no more. Ida Russell is now Ida Pease, resident of a seaside farm on Vineyard Haven, and wife to Ezra, a once-charming man who has become an inattentive and altogether unreliable husband. Ezra runs a salvage company in town with his business partner, Mose Barstow, but he much prefers their nightly card games at the local pub to his work in their Boston office, not to mention filling haystacks and tending sheep on the farm at home—duties that have fallen to Ida and their part-time farmhand, Lem. Ida, meanwhile, has left her love for painting behind. It comes as no surprise to Ida when Ezra is hours late for a Thanksgiving dinner, only to leave abruptly for another supposedly urgent business trip to Boston. But then something unthinkable happens: a storm strikes and the ship carrying Ezra and Mose sinks. In the wake of this shocking tragedy, Ida must settle the affairs of Ezra's estate, a task that brings her to a familiar face from her past—Henry Barstow, Mose's brother and executor. As she joins Henry

in sifting through the remnants of her husband's life and work, Ida must learn to separate truth from lies and what matters from what doesn't. Captured in rich, painterly prose—piercing as a coastal gale and shimmering as sunlight on the waves—*Painting the Light* is an arresting portrait of a woman, and a considered meditation on grief, persistence, and reinvention.
