She was the face that launched a thousand ships, the fierce beauty at the heart of Olympus...and she was never ours to claim. *A scorchingly hot modern retelling of Helen of Troy, Achilles, and Patroclus that's as sinful as it is sweet.* In Olympus, you either have the power to rule...or you are ruled. Achilles Kallis may have been born with nothing, but as a child he vowed he would claw his way into the poisonous city's inner circle. Now that a coveted role has opened to anyone with the strength to claim it, he and his partner, Patroclus Fotos, plan to compete and double their odds of winning. Neither expect infamous beauty Helen Kasios to be part of the prize...or for the complicated fire that burns the moment she looks their way. Zeus may have decided Helen is his to give to away, but she has her own plans. She enters into the competition as a middle finger to the meddling Thirteen rulers, effectively vying for her own hand in marriage. Unfortunately, there are those who would rather see her dead than lead the city. The only people she can trust are the ones she can't keep her hands off—Achilles and Patroclus. But can she really believe they have her best interests at heart when every stolen kiss is a battlefield? His Lover to Protect Entangled: Brazen

The long breath of Barbara Chase-Riboud's poems recalls poets of the antique world we know only from fragments, like Sappho. And yet here is a disquieting and sumptuous contemporary voice that seems to gather up antiquity and modernity with equal fervor and scorn. These poems are sexually charged, possessed of a courtly disdain and a strange nobility that seems to well up from below to be self-creating and unlike the verse of any other poet writing today. Certainly one secret to this work is that Chase-Riboud's poems are informed by her epic, polished bronze sculptures, as her sculptures are informed by her narrative fiction, and her fiction by her poems. The idea of the Renaissance Man is almost a cliché, but how often do we get to see what it means for an artist to be a Renaissance Woman? Chase-Riboud has been a major in sculpture, fiction, and poetry for close to half a century: selling over a million copies of her path-breaking novel Sally Hemings in the late '70s, winning the Carl Sandburg Award for her second collection of poems in the late '80s, and now, nearly thirty years later, on the heels of a major retrospective of her sculpture at the Philadelphia Museum of Art and the Berkeley Art Museum, here is Everytime a Knot is Undone, a God is Released, her first new and collected volume of verse.

The Bastard's Betrayal Jessicarubensbooks

With his stunning debut novel, She's Come Undone, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with I Know This Much Is True, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your bands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the

paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful "monkey"; and the seemingly weak and sweet yet noble Thomas, his mother's gentle "bunny." From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the sostegno del famiglia, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, I Know This Much Is True is an extraordinary reading experience that will leave no reader untouched.

In his latest historical novel, bestselling author Robert Morgan brings to full and vivid life the story of Jonah Williams, who, in 1850, on his eighteenth birthday, flees the South Carolina plantation on which he was born a slave. He takes with him only a few stolen coins, a knife, and the clothes on his back--no shoes, no map, no clear idea of where to head, except north, following a star that he prays will be his guide. Hiding during the day and running through the night, Jonah must elude the men sent to capture him and the bounty hunters out to claim the reward on his head. There is one person, however, who, once on his trail, never lets him fully out of sight: Angel, herself a slave, yet with a remarkably free spirit. In Jonah, she sees her own way to freedom, and so sets out to follow him. Bristling with breathtaking adventure, *Chasing the North Star* is deftly grounded in historical fact yet always gripping and poignant as the story follows Jonah and Angel through the close calls and narrow escapes of a fearsome world. It is a celebration of the power of the human spirit to persevere in the face of great adversity. And it is Robert Morgan at his considerable best.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control — from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Eiffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
