'A unique, delightful, hilarious, unputdownable romance. . .I'm wonderstruck by The Blonde Identity!' - Ali

Hazelwood, bestselling author of The Love Hypothesis 'Everything I wanted in rom-com and more! Brilliant banter, clever humor, and so many swoon worthy scenes. . . I can't remember the last time I had so much fun reading a book.' -- Stephanie Garber, bestselling author of A Curse for True Love ----- The Blonde Identity is a hilarious, action-packed, road-trip rom-com with witty banter, sexy operatives, and the ultimate high-stakes from New York Times bestselling author, Ally Carter. It's the middle of the night in the middle of Paris and a woman just woke up with no memory. She only knows three things for certain: 1. She has a splitting headache. 2. The hottest guy she has (probably) ever seen is standing over her, telling her to run. And oh yeah . . . 3. People keep trying to kill her. She doesn't know who. Or why. But when she sees footage of herself fighting off a dozen men there's only one explanation: obviously. . . she's a spy! Except, according to Mr. Hot Guy, she's not. She's a spy's identical twin sister. Too bad the only person who knows she's not the woman they're looking for is this very grouchy, very sexy, very secret agent who (reluctantly) agrees to help her disappear. Which is easier said than done when a criminal organization wants you dead and every intelligence service in the world wants you caught. Luckily, no one is looking for a pair of lovesick newlyweds on their honeymoon. And soon they're lying their way across Europe--dodging bullets and faking kisses as they race to unravel a deadly conspiracy and clear her sister's name. But with every secret they uncover, the truth shifts, until she no longer knows who to trust: the twin she can't remember or the mysterious man she can't let herself forget . . . The Blonde Identity is the hotly anticipated adult debut from New York Times bestselling YA author, Ally Carter. ----- 5* Reader Reviews 'One of my favorite books I've read this year. I will be a Gallagher Girl for life!' '10/10 would recommend! The mystery, the romance, the plot twists. . . amazing!' 'This was the most fun book I've read all year!' 'Warning! All Fall Down (Embassy Row, Book 1) Berkley

Kat Bishop can steal anything-including your heart. Intrigue, adventure, romance, and charm abound in this New York Times bestselling series. Katarina Bishop has worn a lot of labels in her short life. Friend. Niece. Daughter. Thief. But for the last two months she's simply been known as the girl who robbed the greatest museum in the world. That's why Kat isn't surprised when she's asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. There are only three problems. First, the gem is owned by the most secure auction house in the world. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who holds the emerald keeps it for long, and in Kat's world, history almost always repeats itself. But it's the third problem that makes Kat's crew the most nervous and that is simply the emerald is cursed. Kat might be in way over her head, but she's not going down without a fight. After all she has her best friend-the gorgeous Hale-and the rest of her intrepid crew with her as they chase the Cleopatra around the world, realizing that the same tricks and cons her family has used for centuries are useless this time. Which means, this time, Katarina Bishop is making up her own rules. Critics and fans alike have fallen for Heist Society (no conning necessary). With more mystery, non-stop action, romance and humor, this second novel in the hit series is irresistible.

Gallagher Girls 1 Little, Brown Books for Young Readers

The Gallagher Academy for Exceptional Young Women is a fairly typical all-girls school -- that is, if every school taught advanced martial arts in PE, the latest in chemical

warfare in science; and students received extra credit for breaking CIA codes in computer class. In truth, Gallagher Academy might claim to be a school for geniuses -- but it's really a school for spies. Cammie Morgan is a second-generation Gallagher Girl, and by her sophomore year she's already fluent in fourteen languages and capable of killing a man in seven different ways (three of which involve a piece of uncooked spaghetti). But the one thing the Gallagher Academy hasn't prepared her for is what to do when she falls for an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, and track him through a mall without his ever being the wiser, but can she have a regular relationship with a boy who can never know the truth about her? Cammie may be an elite spy in training, but in her sophomore year, she's beginning her most dangerous mission -- she's falling in love.

Margaret's Harbor, a small, exclusive island off the coast of Massachusetts, has been disrupted for weeks by the antics of a group of young celebrities. Kendra Rhode, of the extremely wealthy Rhode family, is the ring leader and part-year resident on the island. Two of her cohorts, Arrow Normand, an aging teen pop idol, and Marcey Mandret, another of the same vintage, have been acting out publicly - drunken, disorderly public behavior eaten up by the press. During one of the most devastating blizzards in decades, Normand staggers up to a local house, covered in blood and incoherently drunk. Her latest boy toy is found shot dead in the front seat of a crashed truck. The only suspect in the crime is Normand herself and she was apparently far too out of it to remember what actually happened that night. Former F.B.I. agent Gregor Demarkian, fleeing from the preparations for his own wedding, is hired to review the case against Normand. What he finds is a case with little evidence, twisted by an out-of-control media and the cult of celebrity surrounding the three young women, and a mare's nest of motives, in what may be the most confusing, twisted case of his entire career.
