United We Spy Disney-Hyperion

Don't miss a single moment of the beloved, bestselling Gallagher Girls series in this ebook collection, where spies-in-training navigate secret missions, friendship, betrayals, and first love. Cammie Morgan is a student at the Gallagher Academy for Exceptional

Young Women, a fairly typical all-girls school -- that is, if every school taught advanced martial arts in PE and the latest in chemical warfare in science, and students received extra credit for breaking CIA codes in computer class. The Gallagher Academy might claim to be a school for geniuses but it's really a school for spies. Even though Cammie is fluent in fourteen languages and capable of killing a man in seven different ways, she has no idea what to do when she meets an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, or track him through town with the skill of a real "pavement artist" -- but can she maneuver a relationship

with someone who can never know the truth about her? Cammie Morgan may be an elite spy-in-training, but she's on her most dangerous mission yet -- falling in love. This ebook collection includes all six Gallagher Girls books: *I'd Tell You I Love You, But Then I'd Have to Kill You*, *Cross My Heart and Hope to Spy*, *Don't Judge a Girl by Her Cover*, *Only the Good Spy Young*, *Out of Sight*, *Out of Time*, and *United We Spy*. Take the Key and Lock Her Up Little, Brown Books for Young Readers

Don't miss a moment of the beloved New York Times bestselling series where spies-in-training navigate double crosses, secret missions, friendship, and first love--now with a bonus epilogue! After the excitement of the fall, all Cammie Morgan wants is peaceful semester at school. But that's easier said than done when you're a CIA legacy and go to the premier school in the world...for spies. Cammie may have a genius I.Q., but there are still a lot of things she doesn't know. Like, how much trouble is she really in after what happened last semester? What will happen with Josh? And above all, why

is her mother acting so strangely? Despite Cammie's best intentions to be a normal student, danger seems to follow her. She and her friends learn that their school is going to play host to some mysterious guests-code name: Blackthorne. Then she's blamed for a security breach that leaves the school's top secret status at risk. Soon, Cammie and her friends are crawling through walls and surveilling the school to learn the truth about Blackthorne and clear Cammie's name. Even though they have confidence in their spy skills, this time the targets are tougher (and hotter), and the stakes for Cammie's heart-and her beloved school-are higher than ever.

*Cross My Heart and Hope to Spy (10th Anniversary Edition)* Scholastic Incorporated

Kat Bishop can steal anything--including your heart. Intrigue, adventure, romance, and charm abound in this New York Times bestselling series. Katarina Bishop and W.W. Hale the fifth were born to lead completely different lives: Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. If their families have one thing in common, it's that they both know how to

stay under the radar while getting-or stealing-whatever they want. No matter the risk, the Bishops can always be counted on, but in Hale's family, all bets are off when money is on the line. When Hale unexpectedly inherits his grandmother's billion dollar corporation, he quickly learns that there's no place for Kat in his new role. But Kat won't let him go that easily, especially after she gets tipped off that his grandmother's will might have been altered in an elaborate con to steal the company's fortune. So instead of being the heir-this time, Hale might be the mark. Forced to keep a level head as she and her crew fight for one of their own, Kat is prepared to do the impossible, but first, she has to decide if she's willing to save her boyfriend's company if it means losing the boy.

All Fall Down Little, Brown Books for Young Readers

When Katarina Bishop was three, her parents took her to the Louvre...to case it. For her seventh birthday, Katarina and her Uncle Eddie traveled to Austria...to steal the crown jewels. When Kat turned fifteen, she planned a con of her own--scamming her way into the best boarding school in the country, determined to leave the family business behind. Unfortunately, leaving "the life" for a normal life proves harder than she'd expected. Soon, Kat's friend and former co-conspirator,

---

Hale, appears out of nowhere to bring her back into the world she tried so hard to escape. But he has good reason: a powerful mobster's art collection has been stolen, and he wants it returned. Only a master thief could have pulled this job, and Kat's father isn't just on the suspect list, he is the list.

Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. For Kat there is only one solution: track down the paintings and steal them back. So what if it's a spectacularly impossible job? She's got two weeks, a teenage crew, and hopefully just enough talent to pull off the biggest heist in her family's (very crooked) history--and, with any luck, steal her life back along the way.

*Out of Sight, Out of Time* St. Martin's Griffin

The Gallagher Academy for Exceptional Young Women is a fairly typical all-girls school -- that is, if every school taught advanced martial arts in PE, the latest in chemical warfare in science; and students received extra credit for breaking CIA codes in computer class. In truth, Gallagher Academy might claim to be a school for geniuses -- but it's really a school for spies. Cammie Morgan is a second-generation Gallagher Girl, and by her sophomore year she's already fluent in fourteen languages and capable of killing a man in seven different ways (three of which involve a piece of uncooked spaghetti). But the one thing the Gallagher Academy hasn't

prepared her for is what to do when she falls for an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, and track him through a mall without his ever being the wiser, but can she have a regular relationship with a boy who can never know the truth about her? Cammie may be an elite spy in training, but in her sophomore year, she's beginning her most dangerous mission -- she's falling in love.

"A unique, delightful, hilarious, unputdownable romance... I'm wonderstruck by *The Blonde Identity!*" -- Ali Hazelwood, *New York Times* bestselling author of *The Love Hypothesis* The *New York Times* bestselling YA author of the beloved Gallagher Girls series bursts onto the adult scene with a fast-paced, hilarious road trip rom-com about a woman with amnesia who discovers she's the identical twin sister of a rogue spy... and must team up with a rugged, grumpy operative to stay alive. It's the middle of the night in the middle of Paris and a woman just woke up with no memory. She only knows three things for certain: 1. She has a splitting headache. 2. The hottest guy she has (probably) ever seen is standing over her, telling her to run. And oh yeah... 3. People keep trying to kill her. She doesn't know who. Or why. But when she sees footage of herself fighting off a dozen men there's only one explanation: obviously. . . she's a spy! Except, according to Mr. Hot Guy, she's not. She's a spy's identical twin sister. Too bad the only person who knows she's not

the woman they're looking for is this very grouchy, very sexy, very secret agent who (reluctantly) agrees to help her disappear. That's easier said than done when a criminal organization wants you dead and every intelligence service in the world wants you caught. Luckily, no one is looking for a pair of lovesick newlyweds on their honeymoon. And soon they're lying their way across Europe--dodging bullets and faking kisses as they race to unravel a deadly conspiracy and clear her sister's name. But with every secret they uncover, the truth shifts, until she no longer knows who to trust: the twin she can't remember or the mysterious man she can't let herself forget... "Spies! Amnesia! And banter that'll make you chant "Kiss! Kiss! Kiss!" No one writes an action rom-com quite like *Ally Carter*." - Rachel Hawkins, *New York Times* bestselling author of *The Wife Upstairs*

Kat Bishop can steal anything—including your heart. Read all three books in the New York Times bestselling Heist Society series, filled with intrigue, adventure, romance, and charm. In Heist Society, Katarina has been a part of the family business—thieving—for as long as she can remember. When Kat tries to leave "the life" for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster's art collection has been stolen, and Kat's father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. The only solution is to find the paintings and steal them back. Kat's got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family's history—and, with any luck, steal her life back along the way. In Uncommon Criminals, Katarina Bishop has worn a lot of labels in her short life. Friend. Niece. Daughter. Thief. But for the last two months she's simply been known as the girl who

robbed the greatest museum in the world. That's why Kat isn't surprised when she's asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. There are only three problems. First, the gem is owned by the most secure auction house in the world. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who holds the emerald keeps it for long, and in Kat's world, history almost always repeats itself. But it's the third problem that makes Kat's crew the most nervous: the emerald is cursed. Kat might be in way over her head, but she's not going down without a fight. After all she has her best friend—the gorgeous Hale—and the rest of her intrepid crew with her as they chase the Cleopatra Emerald around the world, realizing that the same tricks and cons her family has used for centuries are useless this time. Which just means that Katarina Bishop is going to have to make up her own rules. In *Perfect Scandals*, it's clear that Katarina Bishop and W.W. Hale the fifth were born to lead completely different lives. Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. If their families have one thing in common, it's that they both know how to stay under the radar while
