Learning to Play Gin Disney-Hyperion

Celebrate the 10th anniversary of the New York Times best-selling Gallagher Girls series with this new edition, featuring an exclusive new epilogue from Ally Carter! When Cammie Morgan enrolled at the Gallagher Academy, she knew she was preparing for the dangerous life of a spy. What she didn't know was that the serious, real-life danger would start during her junior year of high school. But that's exactly what happened two months ago when Cammie faced off against an ancient terrorist organization dead set on kidnapping her. Now the danger follows her everywhere, and even Cammie "The Chameleon" can't hide. When a terrifying encounter in London reveals that one of her

most-trusted allies is actually a rogue double-agent, Cammie no longer knows if she can trust her classmates, her teachers-or even her own heart. Now the Gallagher Girls must hack, spy, steal, and lie their way to the truth as they discover that the key to Cammie's future may lie deep in the past.

I'd Tell You I Love You, But Then I'd Have to Kill You Scholastic Incorporated

Kat Bishop can steal anything—including your heart. Read all three books in the New York Times bestselling Heist Society series, filled with intrigue, adventure, romance, and charm. In Heist Society, Katarina has been a part of the family business—thieving—for as long as she can remember. When Kat tries to leave "the life" for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster's art collection has been stolen, and Kat's father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. The only solution is

to find the paintings and steal them back. Kat's got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family's history—and, with any luck, steal her life back along the way. In *Uncommon Criminals*, Katarina Bishop has worn a lot of labels in her short life. Friend. Niece. Daughter. Thief. But for the last two months she's simply been known as the girl who robbed the greatest museum in the world. That's why Kat isn't surprised when she's asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. There are only three problems. First, the gem is owned by the most secure auction house in the world. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who holds the emerald keeps it for long, and in Kat's world, history almost always repeats itself. But it's the third problem that makes Kat's crew the most nervous: the emerald is cursed. Kat might be in way over her head, but she's not going down without a fight. After all she has her best friend—the gorgeous Hale—and the rest of her intrepid crew with her as they chase the Cleopatra Emerald around the world, realizing that the same tricks and cons her family has used for centuries are useless this time. Which just means that Katarina Bishop is going to have to make up her own rules. In *Perfect Scandals*, it's clear that

Katarina Bishop and W.W. Hale the fifth were born to lead completely different lives. Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. If their families have one thing in common, it's that they both know how to stay under the radar while getting—or stealing—whatever they want. No matter the risk, the Bishops can always be counted on, but in Hale's family, all bets are off when money is on the line. When Hale unexpectedly inherits his grandmother's billion-dollar corporation, he quickly learns that there's no place for Kat in his new role. But Kat won't let him go that easily, especially after she gets tipped off that his grandmother's will might have been altered in an elaborate con to steal the company's fortune. So instead of being the heir, this time Hale might be the mark. Forced to keep a level head as she and her crew fight for one of their own, Kat is prepared to do the impossible, but first, she has to decide if she's willing to save her boyfriend's company even if it means losing the boy.

Perfect Scoundrels Scholastic Inc.

Step into Cammie Morgan's world of action and intrigue in the first book of the beloved New York Times bestselling Gallagher Girls series. Cammie Morgan is a student at the Gallagher Academy for Exceptional Young Women, a fairly typical all-girls school -- that is, if every school taught advanced martial arts in PE and the latest in chemical warfare in science, and

students received extra credit for breaking CIA codes in computer class. The Gallagher Academy might claim to be a school for geniuses but it's really a school for spies. Even though Cammie is fluent in fourteen languages and capable of killing a man in seven different ways, she has no idea what to do when she meets an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, or track him through town with the skill of a real "pavement artist" -- but can she maneuver a relationship with someone who can never know the truth about her? Cammie Morgan may be an elite spy-in-training, but in her sophomore year, she's on her most dangerous mission -- falling in love.

Winterborne Home for Vengeance and Valor Little, Brown Books for Young Readers

After staking out, obtaining, and then being forced to give up her first boyfriend, Josh, all Cammie Morgan wants is a peaceful semester. But that's easier said than done when you're a CIA legacy and go to the premier school in the world...for spies. Cammie may have a genius IQ, but there are still a lot of things she doesn't know. Like, will her ex-boyfriend even remember she exists? And how much trouble is she really in after what happened last semester? And most of all, why is her mother acting so strangely? Despite Cammie's best intentions to be a normal student, danger seems to follow her. She and her best friends

learn that their school is going to play host to some mysterious guests--code name: ""Blackthorne. Then she's blamed for a security breach that leaves the school's top-secret status at risk. Soon Cammie and her friends are crawling through walls and surveilling the school to learn the truth about Blackthorne and clear Cammie's name. Even though they have confidence in their spy skills, this time the targets are tougher (and hotter), and the stakes for Cammie's heart--and her beloved school--are higher than ever.
