The truck's role in American
society changed dramatically
from the 1960s through the

1980s, with the rise of off-
roaders, the van craze of the
1970s and minivan
revolution of the 1980s, the
popularization of the SUV as
family car and the
diversification of the pickup
truck into multiple forms and
sizes. This comprehensive
reference book follows the
form of the author's popular
volumes on American cars.
For each year, it provides an
industry overview and, for
each manufacturer, an
update on new models and
other news, followed by a
wealth of data: available

powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.
