Warning: These books may cause spontaneous laughter. This twisty mystery series offers a good whodunnit, witty banter, characters you'll want to be friends, and is a perfect escape to the Pacific Northwest. Laughing out loud in public may cause curious glances from strangers. Book 1: One Hit Wonder (Series Prequel) Do your job or move along already. Trouble is, Samantha's in too deep to do either one. A year into Samantha True's forensic photography classes she knows three things: 1. Crime scenes are messy. 2. Especially when you throw up on them. 3. She may not be cut out for this. When the police drag her to an investigation, she's just as baffled by the scene. With clues like superhero masks, disco balls, and Bigfoot, are they ever going to find who did it? As she digs deeper into the photographic evidence, she realizes her small town is full of secrets. And she might be happier staying in the dark. Book 2: All Bets Are Off Some days, no matter how awful, are not worth a do-over One wild weekend in Vegas Samantha True and her boyfriend impulsively marry. Six months later she learns three things about her new husband. He's been killed in a freak accident. She's inherited his secret PI business. He had another wife. Broke and devastated, she dives into learning the PI business—how hard can it be? Following a binge-watching how-to session on Youtube, Samantha's ready to take her first case. When mysterious strangers show up at her doorstep demanding information

about her dead husband, she realizes she's in over her head. Samantha must discover who he really was. But what if the truth puts her in danger, too? Book 3: Best Laid Plans No “learn to be a PI” video prepared her for this... When Samantha True witnesses Wind River's most popular principal keel over dead she knows three things. He's been murdered Proving it will be impossible They're gonna think she did it As she works to clear her name, Samantha learns "Principal Josh" is the king of slime balls. Eliminating suspects proves tricky when half the town has a motive for murder. It'll take the right private investigator to crack this killer's best laid plans. Let the binge reading begin. Life has thrown Samantha True some serious curve balls but she takes it like a champ and strikes back.

Here together in a convenient ebook bundle, the four thrilling mysteries in the Highway Quartet Collection from Edgar Award-winning, New York Times bestselling author C.J. Box: Back of Beyond Cody Hoyt, although a brilliant cop, is an alcoholic struggling with two months of sobriety when his friend Hank Winters turns up dead in a remote mountain cabin. At first it looks like suicide, but Cody knows Hank better than that. As Cody digs deeper into the case, all roads lead to foul play. After years of bad behavior with his department, Cody in no position to be investigating a homicide. But he will stop at nothing to find out who murdered Hank. And why... The Highway When two sisters set out across a remote stretch of Montana road to visit their friend, little do they know it will be the last time anyone might ever hear from them again. The girls—and their car—simply vanish. Convinced by his son and his former rookie partner, Cassie Dewell, former police investigator Cody Hoyt begins the drive to the girls' last known location. As Cody makes his way to the stretch of highway where they went missing, Cassie discovers that Gracie and Danielle Sullivan aren't the first girls who have disappeared in this area. This majestic landscape is the hunting ground for a killer. Can Cassie overcome her doubts and lack of experience and use her innate skill? Can Cody Hoyt battle his own demons and find this killer before another victim vanishes on the highway? Badlands Twelve-year-old Kyle Westergaard dreams of getting out of Grimstad and leading a better life. One day, while delivering newspapers, he witnesses a car accident and takes a mysterious bundle from the scene. Suddenly he's in possession of a lot of money—and packets of white powder—and Kyle can't help but wonder whether his luck has changed...for better or for worse. When a gang war heats up, it's up to Cassie Dewell to help restore law and order. As she is propelled on a collision course with a murderous enemy, she finds that the key to it all might come in the most unlikely form: a boy on a bike named Kyle. He seems to know something that Cassie does not about what lies beneath the surface of this small and troubled town... Paradise Valley For three years, Investigator Cassie Dewell has been on a hunt for a serial killer known as the Lizard King whose hunting grounds are the highways and truck stops where runaways and prostitutes are most likely to vanish. Cassie almost caught him...once. Now, she has set what she believes is the perfect trap. But the plan goes horribly wrong, and the blame falls on Cassie. Disgraced, she loses her job. At the same time, Kyle Westergaard, has disappeared and Kyle's grandmother begs Cassie to find him. Cassie agrees—all the while hunting the truck driver. Kyle's disappearance may have a more sinister meaning than anyone realizes. With no allies, no support, and only her own wits to rely on, Cassie must take down a killer who is as ruthless as he is cunning.

This book is about a vehicle that has gracefully taken everything from debilitating criticism to huge hugs of love and produced from 2016 to 2018. It is the Ford Focus RS that sadly bowed out of production, "as a result of pan-European emissions standards, increased CO2 taxation and the high cost of developing an RS", according to the company statement. The Ford Focus Rally Sport(RS) had lived its life rather extravagantly with a sense of pride for all the pampering and attention it was given. After all, the model was born from a lineage of international rally champions through the Ford Escort. The Ford Focus RS badge first appeared on the MK1 Escort. Several versions of rally-ready and road-ready versions came and went. One of the most notable among them was the Escort RS Cosworth. This was a front-wheel drive motivated by a 2.0-liter 16-valve engine that pushed out 212 hp. The top speed was capped at 144 mph and the only available color was Imperial blue. For more knowledge about the car check out Ford Focus RS book today!

From hand-held, dedicated units to software that turns PCs and Palm Pilots into powerful diagnostic scanners, auto enthusiasts today have a variety of methods available to make use of on-board diagnostic systems. And not only can they be used to diagnose operational faults, they can be used as low-budget data acquisition systems and dynamometers, so you can maximize your vehicle's performance. Beginning with why scanners are needed to work effectively on modern cars, this book teaches you how to choose the right scanner for your application, how to use the tool, and what each code means. "How To Use Automotive Diagnostic Scanners" is illustrated with photos and diagrams to help you understand OBD-I and OBD-II systems (including CAN) and the scanners that read the information they record. Also included is a comprehensive list of codes and what they mean. From catalytic converters and O2 sensors to emissions and automotive detective work, this is the complete reference for keeping your vehicle EPA-compliant and on the road!
