gryfon king. In the midst of the dangerous initiation hunt, Shard takes the unexpected advice of a strange she-wolf who seeks him out, and hints that Shard's past isn't all that it seems. To learn his past, Shard must abandon the future he wants and make allies of those the gryfons call enemies. When the gryfon king declares open war on the wolves, it throws Shard's past and uncertain future into the turmoil between. When dynamic, power-dressing Christie blows in like a warm wind to take over their department, five very different women find themselves thrown together at work. But none of them could have predicted the fierce bond of friendship that her leadership would inspire ... Anna, 39, is reeling from the loss of her fiancé, who ran off with a much younger woman. Her pride in tatters, these days Anna finds it difficult to leave the house. So when a handsome, mysterious stranger takes an interest in her, she's not sure whether she can learn to trust again? Then there's Grace, in her fifties, trapped in a loveless marriage with a man she married because, unable to have children of her own, she fell in love with his motherless brood. Grace worries that Dawn is about to make the same mistake: orphaned as a child, engaged to love-rat Calum, is Dawn more interested in the security that comes with his tight-knit, boisterous family? When a sexy, footloose rock singer catches her eye, will Dawn have the courage to follow her heart? At 28, Raychel is the youngest member of their little gang. And with a loving husband, Ben, and a cosy little nest for two, she would seem to be the happiest. But what dark secrets are lurking behind this perfect facade, that make sweet, pretty Raychel so guarded and unwilling to open up?
