A Civil War – era girl ' s courage is tested in this haunting, wordless story. When a farm girl discovers a runaway slave hiding in the barn, she is at once startled and frightened. But the stranger ' s fearful eyes weigh upon her conscience, and she must make a difficult choice. Will she have the courage to help him? Unspoken gifts of humanity unite the girl and the runaway as they each face a journey: one following the North Star, the other following her heart. Henry Cole ' s unusual and original rendering of the Underground Railroad speaks directly to our deepest sense of compassion. Praise for Unspoken A New York Times Best Illustrated Book " Designed to present youngsters with a moral choice . . . the author, a former teacher, clearly intended Unspoken to be a challenging book, its somber sepia tone drawings establish a mood of foreboding. Award-winning journalist and host of Black Enterprise Business Report Caroline Clarke's moving memoir of her surprise discovery of her birthmother—Cookie Cole, the daughter of Nat King Cole—and the relationship that blossomed between them through the heartfelt messages they exchanged on hundreds of postcards. Caroline Clarke was born in an era when adoptions were shameful, secret, and sealed. While she wondered about her biological parents, she kept her curiosity in check, until a series of small health problems raised concerns about her genetic heritage and its consequences for her two children's lives and her own. Though Spence-Chapin Family Service, the agency that handled her adoption, could not reveal the name of her birth mother, it was able to provide details that lead to a shocking truth. Caroline's birth mother and her family were related to a friend. The woman who gave her life was none other than Carole "Cookie" Cole, the daughter of iconic crooner and pianist Nat King Cole. Drawing on details provided by the agency and her own investigative skills, Caroline embarked on a life-changing journey of discovery that stretched from coast to coast, forged through e-mail, phone calls, and post cards. The constancy, volume, and intimacy of her steady correspondence with Cookie filled the days and distance between them. Through brief yet poignant messages squeezed onto three-inch open-faced squares, mother and daughter revealed themselves, sharing secrets, taking risks, and ultimately building a bond like no other. A heartfelt, inspiring tribute to both Caroline's adoptive parents and her biological mother, Postcards from Cookie illuminates the enduring power of love to shape and guide our lives.

#1 NEW YORK TIMES BESTSELLER • A powerful, blazingly honest memoir: the story of an eleven-hundred-mile solo hike that broke down a young woman reeling from catastrophe—and built her back up again. At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with

warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her.

Marty Cole began his journey Sept. 17, 1953, when he was born in Santa Monica, California. At six years old, he entered military school, and from age six to eleven, he was verbally, physically, emotionally, mentally, and psychologically abused. Sometimes, he was beaten so badly, he bled. When he returned home at age fifteen, it was tough to adjust to home life after nine years away. He asked his father if he could get his own apartment. No problem, son. Ill get you your own place to live, he said. And he did. Finally, Cole started living, enjoying the sexual freedom of the late 1960s and early 1970s to the fullest. Life was amazing. But when he was sixteen and eighteen years of age, two different men raped him. Later, he was diagnosed with cancer. He sought counseling, and what he learned is that he needed to forgive and that love heals all people, places, and things if you believe it will. Whether youve suffered abuse, are trying to help someone who has, or are battling a serious disease or illness, youll be inspired by My Amazing Transformation of Love, Courage, and Wisdom.

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve!

Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In Boundary Boss, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn:

- How to recognize when your boundaries have been violated and what to do next
- How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it
- Powerful boundary scripts so in the moment you will know what to say
- How to manage "Boundary Destroyers"—including emotional manipulators, narcissists, and other toxic personalities
- Where you fall on the spectrum of codependency and how to create healthy, balanced relationships

This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you ' re getting it all done but at the expense of yourself, give yourself the gift of Boundary Boss.
