The road to hell is paved with good intentions...and tequila, guns, and cocaine in this “ rambunctiously entertaining ” (Teddy Wayne) debut novel inspired by the author ' s time as Hunter S. Thompson ' s assistant. Alley Russo is a recent college grad desperately trying to make it in the grueling world of New York publishing, but like so many who have come before her, she has no connections and has settled for an unpaid magazine internship while slinging drinks on Bleecker Street just to make ends meet.

That ' s when she hears the infamous Walker Reade is looking for an assistant to replace the

eight others who have recently quit. Hungry for a chance to get her manuscript onto the desk of an experienced editor, Alley jumps at the opportunity to help Reade finish his latest novel. After surviving an absurd three-day “ trial period ” involving a .44 magnum, purple-pyramid acid, violent verbal outbursts, brushes with fame and the law, a bevy of peacocks, and a whole lot of cocaine, Alley is invited to stay at the compound where Reade works. For months Alley attempts to coax the novel out of Walker page-by-page, all while battling his endless procrastination, vampiric schedule, Herculean substance abuse, mounting debt, and casual gunplay. But as the job begins to take a toll on her psyche, Alley realizes she ' s alone in the Colorado Rockies at the mercy of a drug-addicted literary icon who may never produce another novel—and her fate may already be sealed. “ A margarita-fueled, miniskirt-clad

cautionary tale of lost literary innocence” (Vogue), *Gonzo Girl* is a loving fictional portrait of a larger-than-life literary icon.

Out of the Crazywoods is the riveting and insightful story of Abenaki poet Cheryl Savageau’s late-life diagnosis of bipolar disorder. Without sensationalizing, she takes the reader inside the experience of a rapid-cycling variant of the disorder, providing a lens through which to understand it and a road map for navigating the illness. The structure of her

story—impressionistic, fragmented—is an embodiment of the bipolar experience and a way of perceiving the world. *Out of the Crazywoods* takes the reader into the euphoria of mania as well as its ugly, agitated rage and into “the lying down of desire” that is depression. Savageau articulates the joy of being consort to a god and the terror of being chased by witchcraft, the sound of voices that are always chattering in your head, the smell of wet ashes that invades your

home, the perception that people are moving in slow motion and death lurks at every turnpike, and the feeling of being loved by the universe and despised by everyone you’ve ever known. Central to the journey out of the *Crazywoods* is the sensitive child who becomes a poet and writer who finds clarity in her art and a reason to heal in her grandchildren. Her journey reveals the stigma and the social, personal, and economic consequences of the illness but reminds us that the disease is not the person. Grounded in Abenaki culture, Savageau questions cultural definitions of madness and charts a path to recovery through a combination of medications, psychotherapy, and ceremony.

My Moment HarperCollins This eagerly awaited new novel from Trevor Cole combines the humour and sharp observations of contemporary life that he is known for with an irresistibly twisted premise, for fans of the quirkily macabre *Six Feet Under* and *Dexter*, and readers of Paul Quarrington, Miriam Toews, Jonathan Franzen, and, of course, Trevor

Cole. In his first two, GG-shortlisted novels, Trevor Cole proved himself a master of drawing us into the shadowy side of human nature with sharp observation and warm wit. In *Practical Jean*, he goes a step further: this is a darkly humorous and revelatory tale of an ordinary, small-town woman with the usual challenges of middle age — a do-nothing husband, a family that refuses to understand her — who realizes her fondest wish is to protect her dearest friends from the indignities of aging and illness. And that’s when she decides to kill them . . .
