For Camaro fans, there is no greater source of speculation and excitement than the pending introduction of a new-generation Camaro. In anticipation of the Camaro's 50th anniversary, GM has prepared a significantly revised, sixth-generation car to take on Ford's latest 2015 Mustang. Featuring revised bodywork, a new chassis platform, expanded and new driveline options, and a reworked interior, the new Camaro raises the bar and again puts Mustang on the defensive. Camaro 2016 tells the complete story of the new sixth-generation Camaro, available just in time to celebrate the model's 50th anniversary. Featuring exclusive interviews with engineers, designers, and other Camaro team members, as well as more than 300 behind-the-scenes photographs, this book offers readers an intimate Camaro experience--putting them behind the wheel of the latest edition of one of America's greatest muscle cars.
