Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information. Chevrolet Express and GMC Savana Full-size Vans Automotive Repair Manual Chilton's Total Car Care Repair

In this complicated four-wheeled world, are you uncertain or confused about car maintenance? Don't despair! There are things -- lots of things -- you can do to prevent your car from acting up, breaking down, and just plain falling apart. You don't need years of experience and a garage full of fancy tools. You can save money on repairs (and carry on a halfway intelligent conversation with a mechanic). This book, through clear illustrations, plain English -- and a touch of humor -- will show you how to keep your car running smoothly and looking good. Book jacket.
