1988 Chevy S-10 Truck Electrical Diagnosis Service Manual Supplement

In this complicated four-wheeled world, are you uncertain or confused about car maintenance? Don't

despair! There are things -- lots of things -- you can do to prevent your car from acting up, breaking down, and just plain falling apart. You don't need years of experience and a garage full of fancy tools. You can save money on repairs (and carry on a halfway intelligent conversation with a mechanic). This book, through clear illustrations, plain English -- and a

touch of humor -- will show you how to keep your car running smoothly and looking good. Book jacket.
