Make a list of your dog care questions and bring it along. Vets are glad to answer appropriate

questions about feeding, grooming, toenail trimming, and anything else related to your

Chihuahua ' s health. Take notes when the veterinarian gives instructions. Follow the

instructions exactly.

Ensure that your chihuahua puppy care routine includes regular training in basic manners and

acceptable puppy behavior, and although you should NEVER shout or smack your puppy, gentle

and loving discipline is the key. Socialization should be built into your Chihuahua's daily routine.
