Natasha Simon and Schuster

The untold story of a national trauma—NASA’s Challenger explosion—and what really happened to America’s Teacher in Space, illuminating the tragic cost of humanity setting its sight on the stars You’ve seen the pictures. You know what happened. Or do you? On January 28, 1986, NASA’s space shuttle Challenger exploded after blasting off from Cape Canaveral. Christa McAuliffe, America’s “Teacher in Space,” was instantly killed, along with the other six members of the mission. At least that's what most of us remember. Kevin Cook tells us what really happened on that ill-fated, unforgettable day. He traces the pressures—leading from NASA to the

White House—that triggered the fatal order to launch on an ice-cold Florida morning. Cook takes readers inside the shuttle for the agonizing minutes after the explosion, which the astronauts did indeed survive. He uncovers the errors and corner-cutting that led an overconfident space agency to launch a crew that had no chance to escape. But this is more than a corrective to a now-dimming memory. Centering on McAuliffe, a charmingly down-to-earth civilian on the cusp of history, *The Burning Blue* animates a colorful cast of characters: a pair of red-hot flyers at the shuttle's controls, the second female and first Jewish astronaut, the second Black astronaut, and the first Asian

---

American and Buddhist in space. Drawing vivid portraits of Christa and the astronauts, Cook makes readers forget the fate they're hurtling toward. With drama, immediacy, and shocking surprises, he reveals the human price the Challenger crew and America paid for politics, capital-P Progress, and the national dream of "reaching for the stars."

For the first time, the true story of Pocahontas is revealed by her own people.

*My Story* Crown

A prize-winning journalist tells the troubling story

of Canadian Omar Khadr, who has spent a quarter of his life growing up in Guantanamo Bay. Khadr was captured in Afghanistan in July 2002 at the age of 15. Accused by the Pentagon of throwing a grenade that killed U.S. soldier Sgt. First Class Christopher Speer, Khadr faces charges of conspiracy and murder. His case is set to be the first war crimes trial since World War II. In *Guantanamo's Child*, veteran reporter Michelle Shephard traces Khadr's roots in Canada, Pakistan and Afghanistan, growing up surrounded by al Qaeda's elite. She examines how his despised family, dubbed "Canada's First Family of Terrorism," has overshadowed his trial and left him alone behind bars for more than five years. Khadr's story goes to the heart of what's wrong with the U.S. administration's post-9/11 policies and why Canada is guilty by association. His story explains how the lack of due process can create victims and lead to retribution, and instead of justice, fuel terrorism. Michelle Shephard is a national security reporter for the Toronto Star and

---

the recipient of Canada's top two journalism awards. "You will be shocked, saddened and in the end angry at the story this page turner of a book exposes. I read it straight through and Omar Khadr's plight is one you cannot forget." —Michael Ratner, New York, President of the Center for Constitutional Rights "Michelle Shephard's richly reported, well written account of Omar Khadr's trajectory from the battlefields of Afghanistan to the cells of Guantanamo is a microcosm of the larger "war on terror" in which the teenaged Khadr either played the role of a jihadist murderer or tragic pawn or, perhaps, both roles." —Peter Bergen, author of Holy war, Inc. and The Osama bin Laden I know Somalia - The Untold Story Harper Collins  
Cathy Glass, international bestselling author, tells the shocking story of Zeena, a young Asian girl desperate to escape from her family.

Nice, France, 1911: After three years of marriage, young seamstress Marcella Caretto has finally had enough. Her husband, Michael, an

ambitious tailor, has become cruel and controlling and she determines to get a divorce. But while awaiting the judges' decision on the custody of their two small boys, Michael receives news that changes everything. Meanwhile fun-loving New York socialite Margaret Hays is touring Europe with some friends. Restless, she resolves to head home aboard the most celebrated steamer in the world – RMS Titanic. As the ship sets sail for America, carrying two infants bearing false names, the paths of Marcella, Michael and Margaret cross - and nothing will ever be the same again. From the Sunday Times-bestselling author,

---

Celia Imrie, *Orphans of the Storm* dives into the waters of the past to unearth a sweeping, epic tale of the sinking of the Titanic that radiates with humanity and hums with life. Remembering Whitney Grand Central Publishing  
A Billboard Must-Read Fall 2015 Music Book The first comprehensive biography ever published about America's favorite living pop icon, Beyoncé, from New York Times bestselling biographer J. Randy Taraborrelli. Beyoncé Knowles is a woman who began her career at the age of eight performing in pageant shows and talent contests, honing her craft

through her teenage years until, at the age of 16, she had her first number one record with Destiny's Child. That hit-making trio launched Beyoncé's successful solo career, catapulting her, as of 2014, to #1 on Forbes annual list of most wealthy celebrities--the same year she made the cover of Time. BECOMING BEYONCÉ is not only the story of struggle, sacrifice, and what it takes to make it in the cut-throat record industry, it's the story of the great rewards of such success and the devastating toll it often takes on the human spirit.

As mystics, healers, and travelers

---

to the netherworld, female shamans continue to impact the spiritual lives of the Bhutanese. These divine messengers act as mediums for local spirits, cure diseases through prayer, and travel to the realm of the dead. They are sometimes referred to as “ sky-goers, ” “ reincarnations, ” or “ returners from the beyond, ” and their stories are intimately connected with the Buddhist ideas of karma and rebirth. Journalist Stephanie Guyer-Stevens and anthropologist Fran ç oise Pommaret traveled to the Himalayas to meet seven living Bhutanese female shamans and to help make their stories known. Stephanie and Fran ç oise offer an intimate narrative of these shamans ’ spiritual experiences and important roles in society. This book also provides an overview of the history of this tradition and a translation of an autobiography of the famous eighteenth-century divine messenger, Sangay Choezom. This insightful and sensitive account is a rare look inside the world of these brave women.

Is This the Real Life? Crown Archetype

Although its brown vans are on every block and its delivery service reaches more than 200 countries, UPS is among the world ’ s most

---

underestimated and misunderstood companies. For the first time, a UPS “lifer” tells the behind-the-scenes story of how a small messenger service became a business giant. Big Brown reveals the remarkable 100-year history of UPS and the life of its founder Jim Casey—one of the greatest unknown capitalists of the twentieth century. Casey pursued a Spartan business philosophy that emphasized military discipline, drab uniforms, and reliability over flash—a model that is still reflected in UPS culture today. Big Brown examines all the seeming paradoxes about UPS: from its traditional management style and strict policies coupled with high employee loyalty and strong labor relations; from its historical “anti-marketing” bias (why brown?) to its sterling brand loyalty and reputation for quality.

Beauty and the Beast iUniverse  
Reveals secrets about Elvis' marriage to Priscilla Beaulieu, his ties to Colonel Parker, his drug addiction, and his death and its aftermath

Picture Bride Stories Henry Holt and Company  
During the 1885 to 1924 immigration period of plantation laborers from Japan to Hawaii, more than 200,000 Japanese, mostly single men, made the long journey by ship to the Hawaiian Islands. As it became apparent that they would never return to Japan, many of the men sent for brides to join them in their adopted home.

---

More than 20,000 of these “ picture brides” immigrated from Japan and Okinawa to Hawaii to marry husbands whom they knew only through photographs exchanged between them or their families. Based on Barbara F. Kawakami ’ s first-hand interviews with sixteen of these women, *Picture Bride Stories* is a poignant collection that recounts the diverse circumstances that led them to marry strangers, their voyages to Hawaii, the surprises and trials that they encountered upon arriving, and the lives they led upon settling in a strange new land. Many found hardship, yet persevered and endured the difficult conditions of the sugarcane and pineapple plantations for the sake of their children. As they acclimated to a foreign place and forged new relationships, they overcame challenges and eventually prospered in a better life. The stories of the issei women exemplify the importance of friendships and familial networks in coping with poverty and economic security. Although these remarkable women are gone, their legacy lives on in their children, grandchildren, and succeeding generations. In addition to the oral histories—the result of forty years of interviews—the author provides substantial background on marriage customs and labor practices on the plantations.

### **Becoming Beyoncé John Wiley & Sons**

The fascinating true story of two Revolutionary-era teenagers who defy their Loyalist families to marry radical patriots, Henry Knox and Benedict Arnold—and are forever changed When Peggy Shippen, the

---

celebrated blonde belle of Philadelphia, married American military hero Benedict Arnold in 1779, she anticipated a life of fame and fortune, but financial debts and political intrigues prompted her to conspire with her treasonous husband against George Washington and the American Revolution. In spite of her commendable efforts to rehabilitate her husband's name, Peggy Shippen continues to be remembered as a traitor bride. Peggy's patriotic counterpart was Lucy Flucker, the spirited and voluptuous brunette, who in 1774 defied her wealthy Tory parents by marrying a poor Boston bookbinder

simply for love. When her husband, Henry Knox, later became a famous general in the American Revolutionary War, Lucy faithfully followed him through Washington's army camps where she birthed and lost babies, befriended Martha Washington, was praised for her social skills, and secured her legacy as an admired patriot wife. And yet, as esteemed biographer Nancy Rubin Stuart reveals, a closer look at the lives of both spirited women reveals that neither was simply a "traitor" or "patriot." In *Defiant Brides*, the first dual biography of both Peggy Shippen Arnold and Lucy Flucker Knox, Stuart has

---

crafted a rich portrait of two rebellious women who defied expectations and struggled—publicly and privately—in a volatile political moment in early America. Drawing from never-before-published correspondence, Stuart traces the evolution of these women from passionate teenage brides to mature matrons, bringing both women from the sidelines of history to its vital center. Readers will be enthralled by Stuart ' s dramatic account of the epic lives of these defiant brides, which begin with romance, are complicated by politics, and involve spies, disappointments, heroic deeds, tragedies, and personal

triumphs.

Lara New Trends Pub Incorporated  
On the azure blue morning of 9/11 the skies were pronounced "severe clear," in the parlance of airline pilots; a gorgeous day for flying. Nearly 5,000 flights were cruising the skies over America when FAA Operations Manager Ben Sliney arrived at the Command Center for his first day on that job. He could never have anticipated the historic drama that was about to unfold as Americans who found themselves on the front lines of a totally unprecedented attack on our homeland sprang into action to defend our country and save lives. In this gripping moment-to-moment narrative, based on groundbreaking reporting, Lynn Spencer brings the inspiring true drama of their unflinching and heroic response vividly to life for the first time, taking us right

---

inside the airliner cockpits and control towers, the fighter jets and the military battle cabs. She makes vital corrections to the findings of the 9/11 Commission Report, and reveals many startling, utterly unknown elements of the story. As a commercial pilot herself, for whom the attacks hit terribly close to home, she knew that the true scope and nature of the response so brilliantly improvised that morning by those in the thick of the action -- with so little guidance from those at the highest levels -- had not at all been captured by the news coverage or the 9/11 Commission. To get to the truth, she went on a three-year quest, interviewing hundreds of key players, listening to untold hours of tapes and pouring through voluminous transcripts to re-create each heart-stopping moment as it happened through their eyes and in their words as

the drama unfolded. From the shocking moment at 7:59 a.m. that American 11 fails to respond to a controller's call, until the last commercial flight has safely landed and military jets rule the skies, all Americans will find themselves deeply moved and amazed by the grace and fierce determination of these steely men and women as they draw on all of their exquisite training to grasp, through the fog of war, what is happening, put their lives on the line, and mount an astonishing response. This beautifully crafted and deeply affecting account of the full story of their courageous actions is a vital addition to the country's understanding of a day that has forever changed our nation.

When a beautiful princess refuses

---

to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoiled, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story. The True Story of Pocahontas Crown Archetype Whether you 've put your dreams on hold, recovering from your own illness or lost someone you care about, discover how to jumpstart your next amazing season in life through this heartfelt, relatable memoir. Along with black-and-white photographs, Katie shares letters written to her mom, who died of cancer before the two of them could go on this adventure of a lifetime together. A Season with Mom reminds readers that in life, as in baseball, sometimes you strike out, but sometimes you hit home runs. Even if the wait is longer than you ' d hoped, dreams can come true. Guantanamo's Child Child Bride The New York Times bestselling inspirational story of impoverished children who transformed themselves into world-class swimmers. In 1937, a

---

schoolteacher on the island of Maui challenged a group of poverty-stricken sugar plantation kids to swim upstream against the current of their circumstance. The goal? To become Olympians. They faced seemingly insurmountable obstacles. The children were Japanese-American and were malnourished and barefoot. They had no pool; they trained in the filthy irrigation ditches that snaked down from the mountains into the sugarcane fields. Their future was in those same fields, working alongside their parents in virtual slavery, known not by their names but by numbered tags that hung around their necks. Their teacher, Soichi Sakamoto, was an ordinary man whose swimming ability didn't extend

much beyond treading water. In spite of everything, including the virulent anti-Japanese sentiment of the late 1930s, in their first year the children outraced Olympic athletes twice their size; in their second year, they were national and international champs, shattering American and world records and making headlines from L.A. to Nazi Germany. In their third year, they'd be declared the greatest swimmers in the world. But they'd also face their greatest obstacle: the dawning of a world war and the cancellation of the Games. Still, on the battlefield, they'd become the 20th century's most celebrated heroes, and in 1948, they'd have one last chance for Olympic glory. They were the Three-Year Swim Club.

---

This is their story. \*Includes Reading Group Guide\*

playing in poop. Jennifer ' s disgust is a touchstone for this book—which is actually dedicated to her by the author. REALITY TV! Love it or hate it.... You know you want to watch!

Cosby's Love Child University of Hawaii Press

It has been a difficult, sometimes painful, story to tell in its entirety, but I have done my best to be accurate both in facts and in dates, for I feel that I owe the truth to the many who have become valued acquaintances, and sometimes friends. All these have constantly requested more news of my "Green Dwelling" and my discovery of a fatal neurological disease previously unknown to Western medicine. This book is for them, in lieu of letters that I ought to have written and did not. It

is also my concern to produce innocent amusement, unrestricted by canon or precedent, for those who require some relaxation from the fatigue generated by so many parasitic forms of life in this less than perfect world. My peers, the medical scientists, who read this will realize that this book is neither a scientific treatise, nor a balance-sheet of all the achievements and failures of medical science, but a presentation of the major implications of the factors that continually determine our medical ethics - including some of the less prizeworthy drawbacks.
