“ A dynamic group biography studded with design history and high-society dash . . . [This] elegantly wrought narrative bears the Cartier hallmark. ” —The Economist The “ astounding ” (André Leon Talley) story of the family behind the Cartier empire and the three brothers who turned their grandfather ’ s humble Parisian jewelry store into a global luxury icon—as told by a great-granddaughter with exclusive access to long-lost family archives “ Ms. Cartier Brickell has done her grandfather proud. ” —The Wall Street Journal The Cartiers is the revealing tale of a jewelry dynasty—four generations, from revolutionary France to the 1970s. At its heart are the three Cartier brothers whose motto was “ Never copy, only create ” and who made their family firm internationally famous in the early days of the twentieth century, thanks to their unique and complementary talents: Louis, the visionary designer who created the first men ’ s wristwatch to help an aviator friend tell the time without taking his hands off the controls of his flying machine; Pierre, the master dealmaker who bought the New York headquarters on Fifth Avenue for a double-stranded natural pearl necklace; and Jacques, the globe-trotting gemstone expert whose travels to India gave Cartier access to the world ’ s best rubies, emeralds, and sapphires, inspiring the celebrated Tutti Frutti jewelry. Francesca Cartier Brickell, whose great-grandfather was the youngest of the brothers, has traveled the world researching her family ’ s history, tracking down those connected with her ancestors and discovering long-lost pieces of the puzzle along the way. Now she reveals never-before-told dramas, romances, intrigues, betrayals, and more. The Cartiers also offers a behind-the-scenes look at the firm ’ s most iconic jewelry—the notoriously cursed Hope Diamond, the Romanov emeralds, the classic panther pieces—and the long line of stars from the worlds of fashion, film, and royalty who wore them, from Indian maharajas and Russian grand duchesses to Wallis Simpson, Coco Chanel, and Elizabeth Taylor. Published in the two-hundredth anniversary year of the birth of the dynasty ’ s founder, Louis-François Cartier, this book is a magnificent, definitive, epic social history shown through the deeply personal lens of one legendary family.

Elvis, My Dad HarperCollins

The untold story of a national trauma—NASA ’ s Challenger explosion—and what really happened to America ’ s Teacher in Space, illuminating the tragic cost of humanity setting its sight on the stars You ’ ve

seen the pictures. You know what happened. Or do you? On January 28, 1986, NASA ’ s space shuttle Challenger exploded after blasting off from Cape Canaveral. Christa McAuliffe, America ’ s “ Teacher in Space, ” was instantly killed, along with the other six members of the mission. At least that's what most of us remember. Kevin Cook tells us what really happened on that ill-fated, unforgettable day. He traces the pressures—leading from NASA to the White House—that triggered the fatal order to launch on an ice-cold Florida morning. Cook takes readers inside the shuttle for the agonizing minutes after the explosion, which the astronauts did indeed survive. He uncovers the errors and corner-cutting that led an overconfident space agency to launch a crew that had no chance to escape. But this is more than a corrective to a now-dimming memory. Centering on McAuliffe, a charmingly down-to-earth civilian on the cusp of history, *The Burning Blue* animates a colorful cast of characters: a pair of red-hot flyers at the shuttle's controls, the second female and first Jewish astronaut, the second Black astronaut, and the first Asian American and Buddhist in space. Drawing vivid portraits of Christa and the astronauts, Cook makes readers forget the fate they're hurtling toward. With drama, immediacy, and shocking surprises, he reveals the human price the Challenger crew and America paid for politics, capital-P Progress, and the national dream of "reaching for the stars."

A Billboard Must-Read Fall 2015 Music Book The first comprehensive biography ever published about America's favorite living pop icon, Beyoncé, from New York Times bestselling biographer J. Randy Taraborrelli. Beyoncé Knowles is a woman who began her career at the age of eight performing in pageant shows and talent contests, honing her craft through her teenage years until, at the age of 16, she had her first number one record with Destiny's Child. That hit-making trio launched Beyoncé's successful solo career, catapulting her, as of 2014, to #1 on Forbes annual list of most wealthy celebrities--the same year she made the cover of Time. BECOMING BEYONCÉ is not only the story of struggle, sacrifice, and what it takes to make it in the cut-throat record industry, it's the story of the great rewards of such success and the devastating toll it often takes on the human spirit.

Down at the End of Lonely Street Ballantine Books

The heartbreaking story of the love affair between Boris Pasternak, the author of Doctor Zhivago, and Olga Ivinskaya—the true tragedy behind the timeless classic, and a harrowing look at how the Russian government has treated dissidents When Stalin came into power in 1924, the Communist government began persecuting dissident

writers. Though Stalin spared the life of Boris Pasternak—whose novel-in-progress, Doctor Zhivago, was suspected of being anti-Soviet—he persecuted Boris ’ s mistress, typist, and literary muse, Olga Ivinskaya. Boris ’ s affair with Olga devastated the straitlaced Pasternaks, and they were keen to disavow Olga ’ s role in Boris ’ s writing process. Twice Olga was sentenced to work in Siberian labor camps, where she was interrogated about the book Boris was writing, but she refused to betray the man she loved. When Olga was released from the gulags, she assumed that Boris would leave his wife for her but, trapped by his family ’ s expectations and his own weak will, he never did. Drawing on previously neglected family sources and original interviews, Anna Pasternak explores this hidden act of moral compromise by her great-uncle, and restores to history the passionate affair that inspired and animated Doctor Zhivago. Devastated that Olga suffered on his behalf and frustrated that he could not match her loyalty to him, Boris instead channeled his thwarted passion for Olga into the love story in Doctor Zhivago. Filled with the rich detail of Boris ’ s secret life, Lara unearths a moving love story of courage, loyalty, suffering, drama, and loss, and casts a new light on the legacy of Doctor Zhivago.

“ Whatever you have read or heard about me through articles or gossip, forget it. I am nothing like that Warren Beatty. I am nothing like what you have read. ” —Warren Beatty Warren Beatty guarded his privacy even before he became a movie star, when he burst onto the screen in 1961 as the earnestly handsome all-American boy in Splendor in the Grass. When he started acting, Beatty kept secret the fact that actress Shirley MacLaine, already a star, was his older sister. Over time, he has cultivated a mystique, giving few interviews and instructing others not to talk about him. Until now. Through years of groundbreaking research, lauded biographer Suzanne Finstad gained unprecedented access to Beatty ’ s family, close friends, and film colleagues, including such luminaries in the arts and politics as Jane Fonda, Goldie Hawn, Leslie Caron, Robert Towne, Mike Nichols, and Senators John McCain, George McGovern, and Gary Hart. Weaving hundreds of these candid interviews, photographs from private albums, personal letters, diaries, and the previously unpublished papers of the late Natalie Wood and mentors such as directors Elia Kazan and George Stevens, playwrights Clifford Odets and William Inge, and agent Charles Feldman, Warren Beatty unveils the real Beatty—a complex, sensitive visionary torn between the “ fairly puritanical, football-playing boy ” from Virginia and his Hollywood playboy image. Finstad paints a rich, fascinating portrait of the secretive film legend, taking us back to the “ unrealized genius ” parents who molded arguably the most famous brother and sister in Hollywood history, tracing the family influences and events in Beatty ’ s past that directly inspired McCabe & Mrs. Miller, Shampoo, Heaven Can Wait, Reds, Ishtar, Dick Tracy, Bugsy, Love Affair, and Bulworth, and led to his political activism, culminating in a near-bid for the White House. Finstad constructs the definitive, myth-shattering account of Beatty ’ s evolution from Hollywood ’ s enfant terrible to producer of the revolutionary Bonnie and Clyde, launching him as the premier actor/director/writer/producer of his generation, the only person to twice earn Oscar nominations in all five major categories. Here also is the truth about Beatty the lover, setting the record straight on his storied relationships with such iconic actresses and beauties as Jane Fonda, Joan Collins, Natalie Wood, Leslie Caron, Julie Christie, Goldie Hawn, Michelle Phillips, Diane Keaton, Isabelle Adjani, and Madonna. Finstad ’ s astute insights illuminate Beatty ’ s private struggle to attain happiness, his complicated bond with his sister, Shirley, and the deeper reasons why, at fifty-four, the archetypal bachelor married actress Annette Bening. Stunningly researched, engrossing, and

exquisitely detailed, Warren Beatty: A Private Man gives us a new understanding of the enigmatic, fiercely intelligent star who embodies the American dream.

THE SUNDAY TIMES BESTSELLER 'Smashing ... I was hooked on page one and literally could not put it down. I loved all that she wrote about the true story behind this thrilling tale' JOANNA LUMLEY 'Gripping ... An epic adventure' ROSIE GOODWIN _____ Nice, France, 1911: After three years of marriage, young seamstress Marcella Caretto has finally had enough. Her husband, Michael, an ambitious tailor, has become cruel and controlling and she determines to get a divorce. But while awaiting the judges' decision on the custody of their two small boys, Michael receives news that changes everything. Meanwhile fun-loving New York socialite Margaret Hays is touring Europe with some friends. Restless, she resolves to head home aboard the most celebrated steamer in the world – RMS Titanic. As the ship sets sail for America, carrying two infants bearing false names, the paths of Marcella, Michael and Margaret cross - and nothing will ever be the same again. From the Sunday Times-bestselling author, Celia Imrie, Orphans of the Storm dives into the waters of the past to unearth a sweeping, epic tale of the sinking of the Titanic that radiates with humanity and hums with life.

The Child Bride Beacon Press

This compelling and true life story screams of betrayal, deceit, and an unsolved mystery. It began when a budding young woman was lured into a cunning and deceptive scheme which eventually became her undoing. The tale may have gone unnoticed under normal circumstances. However, the plot thickened when a famous celebrity, Bill Cosby, was the target of a greedy rouse. The timing couldn't have been worse as it fell on the heels of his son's murder. Ennis Cosby had been shot and killed the day an alleged extortion letter was delivered to the comedian demanding millions in hush money. During one of the most infamous trials of 1997 Cosby would face his adversary Autumn Jackson, and rue the day that she was born. Jackson could do nothing more than look into her father's eyes and weep for all that had never been. At least she believed the entertainer to be her father. This complicated and twisted saga is fraught with criminal and passion driven psychology. Who were the guilty ones and who were the innocents? "I'm Autumn Jackson's aunt. I was called on to be her traveling companion, confidant, and unlikely bodyguard. When people asked me what happened, the answer was complicated. A book needed to be written." Warren Beatty Phoenix Books

The fascinating true story of two Revolutionary-era teenagers who defy their Loyalist families to marry radical patriots, Henry Knox and Benedict Arnold—and are forever changed When Peggy Shippen, the celebrated blonde belle of Philadelphia, married American military hero Benedict Arnold in 1779, she anticipated a life of fame and fortune, but financial debts and political intrigues prompted her to conspire with her treasonous husband against George Washington and the American Revolution. In spite of her commendable efforts to rehabilitate her husband's name, Peggy Shippen continues to be remembered as a traitor bride. Peggy's patriotic counterpart was Lucy Flucker, the spirited and voluptuous brunette, who in 1774 defied her wealthy Tory parents by marrying a poor Boston bookbinder simply for love. When her husband, Henry Knox, later became a famous general in the American Revolutionary War, Lucy faithfully followed him through Washington's army camps where she birthed and lost babies, befriended Martha Washington, was praised for her social skills, and secured her legacy as an admired patriot wife. And yet, as esteemed biographer Nancy Rubin Stuart reveals, a closer look at the lives of both spirited women reveals that neither was simply a "traitor" or "patriot." In Defiant Brides, the first dual biography of both Peggy Shippen Arnold and Lucy Flucker Knox, Stuart has crafted a rich portrait of two rebellious women who defied expectations and struggled—publicly and privately—in a volatile political moment in early America. Drawing from never-before-published correspondence, Stuart traces the evolution of these women from passionate teenage brides to mature matrons, bringing both women from the sidelines of history to its vital center. Readers will be enthralled by Stuart's dramatic account of the epic lives of these defiant brides, which begin with romance, are complicated by politics, and involve spies, disappointments, heroic deeds, tragedies, and personal triumphs.

Remembering Whitney New Trends Pub Incorporated

Whether you've put your dreams on hold, recovering from your own illness or lost someone you care about, discover how to jumpstart your next amazing season in life through this heartfelt, relatable memoir. After surviving both Hodgkin's lymphoma and melanoma, sports enthusiast Katie Russell Newland knows the struggles of overcoming challenges both on and off the field. This book offers readers an intimate, true story about the bond shared between a mother and daughter, a road trip to all 30 Major League Baseball (MLB) parks, and the importance of relishing every joy and struggle along the way. A Season with Mom is highly recommended for: mothers and daughters cancer survivors baseball and sports fans of all ages anyone who has experienced loss, and maybe found love along the way Join Katie as she travels more than 30,000 miles to all 30 MLB parks in a single season, a rare feat covered by ESPN.

Along with black-and-white photographs, Katie shares letters written to her mom, who died of cancer before the two of them could go on this adventure of a lifetime together. A Season with Mom reminds readers that in life, as in baseball, sometimes you strike out, but sometimes you hit home runs. Even if the wait is longer than you'd hoped, dreams can come true.

The Genuine Elvis John Wiley & Sons

The definitive account of Whitney Houston's astonishing life, ground-breaking career, and tragic death — complete with never-before-seen photographs — from the only one who truly knows the story behind the headlines: her mother, Cissy Houston. Cissy has said little publicly about Whitney's heart-breaking death. Now, for the first time, she opens up and shares the unbelievable story of her daughter's life, as well as her own, and addresses Whitney's brightest and darkest moments. A legendary Grammy Award-winning gospel singer in her own right, Cissy Houston shows how the lessons from her own musical journey helped to shape Whitney's career — from teaching Whitney to use her voice, to keeping her level-headed throughout her meteoric rise to fame. With candor and respect, she sets the record straight about Whitney, exploring both her turbulent marriage and her misunderstood struggles with drug abuse. Cissy goes behind the tabloid headlines to show fans around the world the true, human side of a strong, successful — yet flawed — musical icon who died much too young.

Jennifer's disgust is a touchstone for this book—which is actually dedicated to her by the author. REALITY TV! Love it or hate it.... You know you want to watch!

The Untold Story of Milk Child Bride

A prize-winning journalist tells the troubling story of Canadian Omar Khadr, who has spent a quarter of his life growing up in Guantanamo Bay. Khadr was captured in Afghanistan in July 2002 at the age of 15. Accused by the Pentagon of throwing a grenade that killed U.S. soldier Sgt. First Class Christopher Speer, Khadr faces charges of conspiracy and murder. His case is set to be the first war crimes trial since World War II. In Guantanamo's Child, veteran reporter Michelle Shephard traces Khadr's roots in Canada, Pakistan and Afghanistan, growing up surrounded by al Qaeda's elite. She examines how his despised family, dubbed "Canada's First Family of Terrorism," has overshadowed his trial and left him

alone behind bars for more than five years. Khadr's story goes to the heart of what's wrong with the U.S. administration's post-9/11 policies and why Canada is guilty by association. His story explains how the lack of due process can create victims and lead to retribution, and instead of justice, fuel terrorism. Michelle Shephard is a national security reporter for the Toronto Star and the recipient of Canada's top two journalism awards. "You will be shocked, saddened and in the end angry at the story this page turner of a book exposes. I read it straight through and Omar Khadr's plight is one you cannot forget." —Michael Ratner, New York, President of the Center for Constitutional Rights "Michelle Shephard's richly reported, well written account of Omar Khadr's trajectory from the battlefields of Afghanistan to the cells of Guantanamo is a microcosm of the larger "war on terror" in which the teenaged Khadr either played the role of a jihadist murderer or tragic pawn or, perhaps, both roles." —Peter Bergen, author of Holy war, Inc. and The Osama bin Laden I know

Child BrideCrown

Jewelstar

Through a lyrical narrative of her journey to Tibet in 2007, activist Canyon Sam contemplates modern history from the perspective of Tibetan women. Traveling on China's new "Sky Train," she celebrates Tibetan New Year with the Lhasa family whom she'd befriended decades earlier and concludes an oral-history project with women elders. As she uncovers stories of Tibetan women's courage, resourcefulness, and spiritual strength in the face of loss and hardship since the Chinese occupation of Tibet in 1950, and observes the changes wrought by the controversial new rail line in the futuristic "new Lhasa," Sam comes to embrace her own capacity for letting go, for faith, and for acceptance. Her glimpse of Tibet's past through the lens of the women - a visionary educator, a freedom fighter, a gulag survivor, and a child bride - affords her a unique perspective on the state of Tibetan culture today - in Tibet, in exile, and in the widening Tibetan diaspora. Gracefully connecting the women's poignant histories to larger cultural, political, and spiritual themes, the author comes full circle, finding wisdom and wholeness even as she acknowledges Tibet's irreversible changes.

Sky Train Crown

Although its brown vans are on every block and its delivery service reaches more than 200 countries, UPS is among the world ' s most underestimated and misunderstood companies. For the first time, a UPS " lifer " tells the behind-the-scenes story of how a small messenger service became a business giant. Big Brown reveals the remarkable 100-year history of UPS and the life of its founder Jim Casey—one of the greatest unknown capitalists of the twentieth century. Casey pursued a Spartan business philosophy that emphasized military discipline, drab uniforms, and reliability over flash—a model that is still reflected in UPS culture today. Big Brown examines all the seeming paradoxes about UPS: from its traditional management style and strict policies coupled with high employee loyalty and strong labor relations; from its historical " anti-marketing " bias (why brown?) to its sterling brand loyalty and reputation for quality.
