Childhood, Boyhood and Youth is an autobiographical trilogy by the Russian author Leo Tolstoy. Childhood is an exploration of the inner life of

a young boy, Nikolenka, and one of the books in Russian writing to explore an expressionistic style, mixing fact, fiction and emotions to render the moods and reactions of the narrator. It is the first in a series. Published when Tolstoy was just twenty-three years old, the book was an immediate success, earning notice from other Russian novelists including Ivan Turgenev, who heralded the young Tolstoy as a major up-and-coming figure in Russian literature. "Will the freshness, lightheartedness, the need for love, and strength of faith which you have in childhood ever return? What better time than when the two best virtues -- innocent joy and the boundless desire for love -- were the only motives in life?"

; most appropriately used Liev Tolstoy; commonly Leo Tolstoy in Anglophone countries) was a Russian writer who primarily wrote novels and short stories. Later in life, he also wrote plays and essays. His two most famous works, the novels *War and Peace* and *Anna Karenina*, are acknowledged as two of the greatest novels of all time and a pinnacle of realist fiction. Many consider Tolstoy to have been one of the world's greatest novelists. Tolstoy is equally known for his complicated and paradoxical persona and for his extreme moralistic and ascetic views, which he adopted after a moral crisis and spiritual awakening in the 1870s, after which he also became noted as a

moral thinker and social reformer. His literal interpretation of the ethical teachings of Jesus, centering on the Sermon on the Mount, caused him in later life to become a fervent Christian anarchist and anarcho-pacifist. His ideas on nonviolent resistance, expressed in such works as *The Kingdom of God Is Within You*, were to have a profound impact on such pivotal twentieth-century figures as Mohandas Gandhi and Martin Luther King, Jr. *Childhood, Boyhood, Youth* Everyman's Library "Youth" by Leo graf Tolstoy is one of the prolific writer's lesser-known novels. However, it is one of his most important. Tolstoy wrote three works that could be considered biographical in nature while still being written in the form of a

novel. "Youth" is volume two in that trilogy, depicting his adolescent age. Though the author wasn't content with the way this book turned out, many have found themselves fascinated with the coming of age of such an important person in literature.

The Complete Works of Count Tolstoy: Childhood, boyhood, youth; The incursion Penguin UK

The artistic work of Leo Tolstoy has been described as 'nothing less than one tremendous diary kept for over fifty years'. This particular 'diary' begins with Tolstoy's first published work, *Childhood*, which was written when he was only twenty-three. A semi-autobiographical work, it recounts

two days in the childhood of ten-year-old Nikolai Irtenev, recreating vivid impressions of people, place and events with the exuberant perspective of a child enriched by the ironic retrospective understanding of an adult.

*Boyhood and Youth* soon followed, and Tolstoy was launched on the literary career that would bring him immortality.

O'Hagan from his preface to *Childhood, Boyhood and Youth* Published in 1852, when he was just twenty-four, *Childhood* was Tolstoy's first published work, and the first of a trilogy of stories that evoke the upbringing and traditional education of a Russian aristocrat in a world that vanished with the revolution. In this self-portrait, narrated by its protagonist Nik ó Ilya, the young Tolstoy captured the textures of adolescence with a psychological insight and subtlety of analysis that look forward to his mature achievements; while his matchless objectivity - summoning the smells, sights and sounds of early childhood - is already fully present in these pages. The riverrun edition reissues the translation of Louise and Aylmer Maude, whose influential versions of Tolstoy first brought his work to a wide readership in English.

Tolstoy 's first published novel and the beginning of his Autobiographical Trilogy. Written when he was just twenty-three years old and stationed at a remote army outpost in the Caucasus Mountains, *Childhood* won Leo Tolstoy immediate fame and critical praise years before works like *War and Peace* and *Anna Karenina* would bring him to the forefront of Russian literature. It is the story of the ten-year-old son of a wealthy Russian landowner in the mid-1800s, as told by the child himself. Not a mere chronicle of events and characters, the novel is an intense study of the boy 's inner life and his reactions to the world around him. With an intricacy of thought and substance, Tolstoy describes the everyday thoughts of a child—innocent and mischievous, bold and afraid,

and curious above all. Childhood, followed by Boyhood and Youth, is the first part of Tolstoy's semiautobiographical series, originally planned as a quartet tentatively called the "Four Epochs of Growth." The completed works together form a remarkable expression of the great Russian novelist's early voice and vision, which would ultimately make him one of the most renowned and revered authors in literary history. Leo Tolstoy's earliest published work, the trilogy Childhood, Boyhood, and Youth, was written when he was in his twenties, offering a

tantalizing first glimpse of the literary talents that would come to fruition in his later masterpieces. Chronicling the experiences of a wealthy landowner's son as he grows up and becomes aware of the world and his place in it, these three short novels were only loosely inspired by Tolstoy's own memories. In old age he condemned the work as "an awkward mixture of fact and fiction," but the imaginative powers that enabled him to capture so vividly the universal emotions and sensations of childhood have enthralled generations of readers. We are blessed to have, alongside the mature writer of *Anna Karenina* and *War and Peace* and the revolutionary mystic of the later years, the young Tolstoy who wrote these elegiac tales. In their sensitivity to nature and their evocations of fugitive feelings, they reveal his genius in all its untroubled early splendor.

Youth DigiCat

This trilogy of short novels, taken as a whole, recounts the young narrator's early life up to his university days, each episode told through the perceptions, points of view and emotions felt by the protagonist at the time. Based on Tolstoy's own life and experiences, this fictionalized account of a young man growing into the world combines anecdote with frank personal assessment and philosophical extrapolation, as the author's Stendhalian take on the confessional genre confronts and blurs the notions of reality and imagination. Tolstoy's first published work, which launched him on a successful writing career, *Childhood, Boyhood, Youth* - besides offering an early display of his storytelling and stylistic abilities - provides the reader with invaluable insight into

the personal and literary development of one of the greatest writers of all time. Assessment and philosophical extrapolation. An early display of Tolstoy's storytelling genius, written in his classically simple yet colourful language, these chronicles provide the reader with invaluable insight into the personal and literary development of one of the greatest writers of all time. 1910. Anna Karenina and War and Peace have made Leo Tolstoy the world's most famous author. But fame comes at a price. In the tumultuous final year of his life, Tolstoy is desperate to find respite, so leaves his large family and the hounding press behind and heads into the wilderness. Too ill to venture beyond the tiny station of Astapovo, he believes his last days will pass in isolation. But as we learn through the journals of those closest to him, the battle for

Tolstoy's soul will not be a peaceful one. Jay Parini introduces, translates and edits this collection of Tolstoy's autobiographical writing, diaries, and letters related to the last year of Tolstoy's life published to coincide with the 2009 film of Parini's novel *The Last Station: A Novel of Tolstoy's Final Year*.
