Children of Dune is a 1976 science fiction novel by Frank Herbert, the third in his Dune series of six novels. It was originally serialized in Analog Science Fiction and Fact in 1976, and was the last Dune novel to be serialized before book publication. At the end of Dune Messiah, Paul Atreides walks into the desert, a blind man, leaving his twin children Leto and Ghanima in the care of the Fremen, while his sister Alia rules the universe as regent.
