A guy walks into a bar car and... From here the story could take many turns. When this guy is David Sedaris, the possibilities are endless, but the result is always the same: he will both delight you with twists of humor and intelligence and leave you deeply moved. Sedaris remembers his father's dinnertime attire (shirtsleeves and underpants), his first colonoscopy (remarkably pleasant), and the time he considered buying the skeleton of a murdered Pygmy. With Let's Explore Diabetes with Owls, David Sedaris shows once again why his work has been called "hilarious, elegant, and surprisingly moving" (Washington Post).

'When apple-picking season ended, I got a Job in a packing plant and gravitated towards short stories, which I could read during my break and reflect upon for the remainder of my shift. A good one would take me out of myself and then stuff me back in, outsized, now, and uneasy with the fit . . . Once, before leaving on vacation, I copied an entire page from an Alice Munro story and left it in my typewriter, hoping a burglar might come upon it and mistake her words for my own. That an intruder would spend his valuable time reading, that he might be impressed by the description of a crooked face, was something I did not question, as I believed, and still do, that stories can save you'.

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View
Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas *Gods Feminist Movement* is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist

movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: *Dating and Modesty*, *Female Leaders in the Church*, *Submission in Marriage*, *Beauty and Self-Image*, *Celebrate the power and beauty of womanhood*. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!
