I Wish I Were a Unicorn

Chronicle Books

This charming tale of an overgrown pine always being passed by for Christmas, and

what his woodland friends do to help him, is sure to become a Christmas classic. With delightful illustrations by wildlife artist Michael Monroe and enchanting text from Colleen Monroe, the birds, deer and squirrel of this story help make their special friend's wish come true.

I Wish I Was An Alien Disney-Hyperion

Bestselling Dutch children's author Toon Tellegen matches 33 imaginative prose-poems

prompted by the statement "I wish" with luminous, old-fashioned portraits by Ingrid Godon in this beautiful, unique volume perfect for thoughtful young readers. *I Wish* pairs writing with a gallery of portraits inspired by old-fashioned photographs - faces staring out at us with the serious, veiled expressions of a bygone time. Scattered among the paintings are young children, men and

women, and babies, speaking through Toon Tellegen's yearning language. Like dozens of confessions poured from the page, the writing presents a glittering kaleidoscope of wishes, from imagined feats of heroism to reciprocated human love.

can be. Perfect for kids Aged 3-5.

A Wish in the Dark Open Road Media

When the narrator of this sneakily clever book decides he will try to draw even though he believes he isn't very good at it, a world of silly possibilities opens for him. By the end of the story, he has vanquished a dragon, been given a medal, published a book, and seen his artwork on display in a real museum—and all because he refused to be held back by his own perceived limitations. The narrator of *I Wish I Could Draw* shares a name with creator Cary Fagan and has the same curly hair and glasses. Perhaps most interesting of all, though, the

narrator believes he has no artistic talent—just like the Cary Fagan who not only wrote but also bravely and exuberantly illustrated this book. Fortunately for readers, both Cary-the-narrator and Cary-the-children's-book-creator refused to let self-doubt stop them from trying to tell (and draw) the funniest and most exciting story they could think of. The result is a book that delivers plenty of excitement, silly jokes and fun—and also an important message about self-confidence and perseverance. Designed to look like a child's notebook, *I Wish I Could Draw* will inspire readers to pick up a pencil and let their imaginations do the rest. *I Wish You Happiness*

Groundwood Books Ltd

A Newbery Honor Book that the New York Times called "an eerie delight," *The Wish Giver* is an engaging literary folk story about those who get what they wish for—whether they want it or not. The people of Coven Tree are no strangers to magic. In fact, the town's very name comes from a gnarled old tree where covens of witches used to gather. Even now, imps and fiends continue to appear, frightening the townsfolk with their devilish pranks. Usually these creatures are easy to spot. They have a particular smell, or sound, or

way of moving, that betrays their dark nature. But Thaddeus Blinn showed none of these signs when he came to Coven Tree. He was just a funny little man who drifted into town with a strange tale about being able to give people whatever they wished—for only fifty cents. There was nothing scary about him. At least, not until the wishing began...

The Cat Barked? Penguin
A little boy who's about to turn six years old is thinking about cake and toys and the best birthday gift of all, a puppy.

Daddy tells him to look for a Wish-Tree, on the bark of which is engraved TAKECAREOFYOURWISH. The boy falls asleep as he ponders his father's advice, and he dreams of a Wish-Tree, with a trunk as big as a house and so tall that the sky had to bump up to get over the top of it. A remarkable adventure follows, involving the limitless nature of wishing and responsibility. Written by the noted teacher and poet John Ciardi, this fanciful tale is filled with inventive, dreamlike drawings by Louis S. Glanzman, illustrator of the Pippi

Longstocking books. I Wish I was a Little Puffin An Instant New York Times Bestseller! In their first collaboration since the Newbery Medal- and Caldecott Honor-winning Last Stop on Market Street, Matt de la Peña and Christian Robinson deliver a poignant and timely new picture book that's sure to be an instant classic. When Carmela wakes up on her birthday, her wish has already come true--she's finally old enough to join her big brother as he does the family errands. Together, they travel through their

neighborhood, past the crowded bus stop, the fenced-off repair shop, and the panadería, until they arrive at the Laundromat, where Carmela finds a lone dandelion growing in the pavement. But before she can blow its white fluff away, her brother tells her she has to make a wish. If only she can think of just the right wish to make . . . With lyrical, stirring text and stunning, evocative artwork, Matt de la Peña and Christian Robinson have crafted a moving ode to family, to dreamers, and to finding hope in the most unexpected places.

My Wish for You Love You Always

This is a parenting book for people who don't buy parenting books With straight-talking advice from renowned Psychotherapist Philippa Perry, How to be a

Parent is the definitive guide for any parent looking to navigate their past, avoid repeating mistakes, and ensure they don't land their own kids in therapy.

Through the combination of case studies, and therapeutic insight gained from over 20 years of working directly with clients, Perry tackles the wider issues of what it actually means to be a parent, rather than getting bogged down in the little details. This isn't a book about meeting developmental milestones, training your

child to have enviable manners, or how to get the much idealised 'perfect' family, it's about creating functional relationships with your children so that they grow up feeling secure, knowing who they are and what they want - giving both them and you a shot at real happiness. Full of refreshing, sage and sane advice on the bigger picture of parenthood, How to be a Parent is the only book you'll ever really need to ensure you don't mess your kids up.

A dying girl gives a boy the strength to live in this lyrical novel that will break your heart and lift your spirit

Peter Stone ' s parents and siblings are extroverts, musicians, and yellers—and the louder they get, the less Peter talks, or even moves, until he practically fits his last name. When his family moves to the Texas Hill Country, though, Peter finds a tranquil, natural valley where he can, at last, hear himself think. There, he meets a girl his age: Annie

Blythe. Annie tells Peter she ' s a “ wish girl. ” But Annie isn ' t just any wish girl; she ' s a “ Make-A-Wish Girl. ” And in two weeks she will begin a dangerous treatment to try and stop her cancer from spreading. Left alone, the disease will kill her. But the treatment may cause serious, lasting damage to her brain. Annie and Peter hatch a plan to escape into the valley, which they begin to think is magical. But the pair soon discovers that the valley—and life—may have

other plans for them. And sometimes wishes come true in ways they would never expect.

The Wish-Tree Roaring
Brook Press

A boy on the run. A girl determined to find him. A compelling fantasy looks at issues of privilege, protest, and justice. All light in Chattana is created by one man — the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights

represent freedom, and he dreams of the day he will be able to walk among them. But when Pong escapes from prison, he realizes that the world outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong's prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden's perfect daughter, is bent on tracking Pong down and restoring her family's good name. But as

Nok hunts Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat's twist on Victor Hugo's Les Misérables is a dazzling, fast-paced adventure that explores the difference between law and justice — and asks whether one child can shine a light in the dark. A manual for those who not only love their children but want to like them too Lerner
