"Both heartbreaking and sharply funny...Cher Ami and Major Whittlesey is brilliant and surprising at every turn."--Rebecca Makkai, Pulitzer finalist for *The Great Believers* A heart-tugging and gorgeously written novel based on the incredible true story of a WWI messenger pigeon and the soldiers whose lives she forever altered, from the author of *Lillian Boxfish Takes a Walk*. From the green countryside of England and the gray canyons of Wall Street come two unlikely heroes: one a pigeon and the other a soldier. Answering the call to serve in the war to end all

wars, neither Cher Ami, the messenger bird, nor Charles Whittlesey, the Army officer, can anticipate how their lives will briefly intersect in a chaotic battle in the forests of France, where their wills will be tested, their fates will be shaped, and their lives will emerge forever altered. A saga of hope and duty, love and endurance, as well as the claustrophobia of fame, Cher Ami and Major Whittlesey is a tragic yet life-affirming war story that the world has never heard. Inspired by true events of World War I, Kathleen Rooney resurrects two long-forgotten yet unforgettable figures, recounting their tale in a pair of voices that will change the way that readers look at animals, freedom, and even history itself.

Classic British Car Electrical Systems Haynes Publications

Celebrating a quarter century of the car that redefined its genre. [apply edits made above] The Mazda MX-5, (known as Miata in North America and Eunos Roadster in Japan), revolutionized the lightweight two-seater roadster market. By taking the front-engine, rear-wheel-drive layout of traditional British and Italian roadsters and combining it with the modern function and reliability for which Japanese cars were justly famous, Mazda created what many consider the perfect sports car. The MX-5 became the best-selling sports car of all time, selling over a million units worldwide. Customers proved that they hadn't lost their desire for simple, lightweight two-seat convertibles; they had simply lost their desire for unreliable, archaic European anachronisms that caught on fire as part of their charm. In 2009, English automotive critic Jeremy Clarkson wrote: "The fact is that if you want a sports car, the MX-5 is perfect. Nothing on the road will give you better value. Nothing will give you so much fun. The only reason I'm giving it five stars is because I can't give it 14." Mazda MX-5 Miata: Twenty-Five Years is a handsomely-illustrated coffee-table book celebrating Mazda's ground-breaking MX-5 Miata, the car that revolutionized the lightweight two-seater roadster market.

Infinity Ring Book 6: Behind Enemy Lines Houghton Mifflin Harcourt

The mysteries of the versatile LS series engines are unlocked in the Haynes Techbook Cummins Diesel Engine Manual. Covering everything from engine overhaul, cylinder head selection and modification, induction and fuel systems, camshafts and valve train, to beefing-up the bottom end, turbo and supercharger add-ons, engine swaps and extreme builds, this manual will help you get the most from your LS-powered vehicle.

Everyday Modifications for Your MGB, GT and GTV8 Haynes Manuals N. America, Incorporated
Sara, a servant in 1884 is given the opportunity to move to America and manage the grand New York apartment house, The Dakota. It offers her a world of possibility, including being close to the Dakota's famous architect, Theo. A hundred years later in 1984, interior designer Bailey is fresh out of rehab and is tasked with helping her cousin redesign her apartment in the famous Dakota. Once there, Bailey learns all about the building's history, including its architect Theo, and the mad woman named Sara who stabbed him to death.

The Address Haynes Manuals N. America, Incorporated

GREAT FOR FANS OF GARY PAULSEN'S SURVIVAL STORIES AND READERS WHO ENJOYED THE REVENANT BY MICHAEL PUNKE In autumn, 1849, 14-year-old Janette Riker travels westward to Oregon Territory with her father and two brothers. Before crossing the Rockies, they stop briefly to hunt buffalo. The men leave camp early on the second day . and never return. Based on actual events, and told in diary format, is the harrowing account of young Janette Riker's struggle to survive the long winter alone. Facing certain death, and with blizzards, frostbite, and gnawing hunger her only companions, she endures repeated attacks by grizzly bears, wolves, and mountain lions. Janette rises to each challenge, relying on herself more than she knew possible. Her only comfort comes in writing in her diary, where she shares her fears, her travails, and her dwindling hopes.

Marketing attempts to influence the way consumers behave. These attempts have implications for the organizations making the attempt, the consumers they are trying to influence, and the society in which these attempts occur. We are all consumers and we are all members of society, so consumer behavior, and attempts to influence it, are critical to all of us. This text is designed to

provide an understanding of consumer behavior. This understanding can make us better consumer, better marketers, and better citizens. A primary purpose of this text is to provide the student with a usable, managerial understanding of consumer behavior.-Pref.

Guinevere's Tale Haynes Manuals N. America, Incorporated

Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just above every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.

Auto Repair without a Wrench Macmillan

History remembers Guinevere's sin, but it was Arthur who transgressed first. Forced into a marriage she neither anticipated nor desired, Guinevere finds herself High Queen, ruling and fighting alongside Arthur as they try to subdue the Saxons, Irish and Picts who threaten Britain from every direction. Though her heart still longs for her lost love, Guinevere slowly grows to care for her husband as they join together to defeat their enemies. Meanwhile, within the walls of Camelot their closest allies plot against them. One schemes to make Guinevere his own, another seeks revenge for past transgressions, while a third fixes her eyes on the throne. When the unthinkable happens and Guinevere is feared dead, Arthur installs a new woman in her place, one who will poison his affections toward her, threatening Guinevere's fragile sanity and eventually driving her into the arms of her champion. Amid this tension a new challenge arises for the king and queen of Camelot: finding the Holy Grail, a sacred relic that promises lasting unity. But peace, as they will soon learn, can be just as dangerous as war. As the court begins to turn on itself, it becomes clear that the quest that was to be Arthur's lasting legacy may end in the burning fires of condemnation. This highly anticipated sequel to Daughter of Destiny proves there is much more to Guinevere's story than her marriage and an affair. See the legend you think you know through her eyes and live the adventure of Camelot's golden days yourself - but be prepared to suffer its downfall as well.

Mazda MX-5 Miata Rowman & Littlefield Publishers

The New York Times bestseller! “ Frank Hamer, last of the old breed of Texas Rangers, has not fared well in history or popular culture. John Boessenecker now restores this incredible Ranger to his proper place alongside such fabled lawmen as Wyatt Earp and Eliot Ness. Here is a grand adventure story, told with grace and authority by a master historian of American law enforcement. Frank Hamer can rest easy as readers will finally learn the truth behind his amazing career, spanning the end of the Wild West through the bloody days of the gangsters. ” --Paul Andrew Hutton, author of The Apache Wars To most Americans, Frank Hamer is known only as the “ villain ” of the 1967 film Bonnie and Clyde. Now, in Texas Ranger, historian John Boessenecker sets out to restore Hamer ’ s good name and prove that he was, in fact, a classic American hero. From the horseback days of the Old West through the gangster days of the 1930s, Hamer stood on the front lines of some of the most important and exciting periods in American history. He participated in the Bandit War of 1915, survived the climactic gunfight in the last blood feud of the Old West, battled the Mexican Revolution ’ s spillover across the border, protected African Americans from lynch mobs and the Ku Klux Klan, and ran down gangsters, bootleggers, and Communists. When at last his career came to an end, it was only when he ran up against another legendary Texan: Lyndon B. Johnson. Written by one of the most acclaimed historians of the Old West, Texas Ranger is the first biography to tell the full story of this near-mythic lawman.
