Chime Quotes by Franny Billingsley - Goodreads

Chime by Franny Billingsley is one of those books I discovered on Goodreads and immediately knew I'd love based on the synopsis (and the gorgeous cover). Briony has a guilty secret - she is a witch. A witch who has destroyed her family: she blames herself for her sister's mental disability, her home being victim to both fire and flood and the death of her stepmother.

Franny Billingsley

Franny Billingsley was not always a writer. She graduated from Boston University law-school in 1979, and worked for 5 years as a lawyer a profession which she despised. In 1983, Billingsley visited her sister in Barcelona, Spain where she was entranced by a lifestyle in which people did not make a lot of money yet lived richly and artfully.
