CHINA IN THE 21st CENTURY | China Mike

The Chinese Century is a neologism suggesting that the 21st century will be geopolitically dominated by the People's Republic of China, similar to how "the American Century" refers to the 20th century and "Pax Britannica" refers to the 19th. The phrase is used particularly in the assertion that the economy of China will

overtake the economy of the United States as the largest national economy in the world, a position it held from 1500 to 1830 A.D. China created Shanghai Cooperation Organisation
