Evan Delaney knew China Lake was a tough place to grow up. But she never knew how tough until now?she returns to the desert military base for her high school reunion, and learns that a number of her classmates have died young. Then, on the first night of the reunion, another one dies? this one savagely butchered. And she?s just the first.

**Evan Delaney Novel - PenguinRandomhouse.com**

China Lake is the debut novel in Meg Gardiner's Evan Delaney series. Meg is a Californian transplanted to England where she is a success. This book is fascinating to me in that Evan is an "every woman" figure. A woman who is coping with life's everyday challenges in a quiet and understated manner.
