This book is not intended to provide a list of the 100 ‘ best ’ books ever written and published by Punjabi authors. Given the sheer range of books written by Punjabi authors

and the unpredictability of individual taste, any such definitive list is quite impossible. Secondly, the choice has been restricted to books that were written by them either in Punjabi, Hindi or Urdu but have been translated into English. Thus, personal choice restricted by availability has dictated this selection. The choice of books includes autobiographies, novels, short stories, poems, and plays. Research books, religious books, and books written originally in English have not been included. From the Introduction I am amazed at the scholarship, the passion and the love with which Paramjeet Singh has written this book. It will be a reference volume for all times. Nirupama Dutt Poet, Journalist & Translator Mr. Singh ' s effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non-Punjabi readers. I congratulate Mr. Singh on putting together this selection and hope that non-Punjabi readers of this book would find new horizons of cultural experience opening up before them. Of course, for Punjabi readers, it may be yet another opportunity to experience a sense of genuine pride in their rich legacy of language, literature and culture. . ‘ Delhi is the twin of pure paradise, a prototype of the heavenly throne on an earthy scroll ’ —Amir Khusrau A city of contradictions, where ancient traditions and modern aspirations jostle for space, Delhi has often been compared to a phoenix rising from the ashes. Its three thousand years of eventful history have witnessed the rise and fall of several empires, a process that continues today. City Improbable brings together writings by immigrants, residents, refugees, travellers and invaders who have engaged with India ’ s capital over different epochs. Babur shares his earliest experience of the city and Amir Khusrau praises the fine lads of Delhi; Ibn Battuta and Niccolao Manucci record the glories and

follies of prominent rulers; William Dalrymple and Khushwant Singh provide intriguing accounts of the threshold period that saw the coming of the British and the waning of the Mughals. Poets and storytellers—Meer Taqi Meer, Ghalib, Yashpal, Kamleshwar, Ruskin Bond—narrate their versions of the city. Contemporary Delhi is featured in a variety of vignettes: the bureaucracy, the Emergency, the anti-Sikh violence, lovers and joggers in Lodi Gardens, the city ' s Sufi legacy as well as its changing cuisine. Among the new pieces in this expanded edition are Sam Miller ' s account of his experiences in the suburb of Noida, Manto ' s story about a girl from Delhi leaving the city during Partition, Jarnail Singh ' s unflinching recollection of the massacre of Sikhs in 1984, a photo essay on Shahpur Jat by Karoki Lewis, and a composite narrative by the young writers of the Cybermohalla Collective about the making of a resettlement colony.
