100 Must Read Books by Punjabi Authors Oxford University Press

This book is not intended to provide a list of the 100 'best' books ever written and published by Punjabi authors. Given the sheer range of books written by Punjabi authors and the unpredictability of individual taste, any such definitive list is quite impossible. Secondly, the choice has been restricted to books that were written by them either in Punjabi, Hindi or Urdu but have been translated into English. Thus, personal choice restricted by availability has dictated this selection. The choice of books includes autobiographies, novels, short stories, poems, and plays. Research books, religious books, and books written originally in English have not been included. From the Introduction I am amazed at the scholarship, the passion and the love with which Paramjeet Singh has written this book. It will be a reference volume for all times. Nirupama Dutt Poet, Journalist & Translator Mr. Singh's effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non-Punjabi readers. I congratulate Mr. Singh on putting together this selection and hope that non-Punjabi readers of this book would find new horizons of cultural experience opening up before them. Of course, for Punjabi readers, it may be yet another opportunity to experience a sense of genuine pride in their rich legacy of language, literature and culture. . Prof. Rana Nayar

This book is meant to reinvigorate your thought process and give your life a new vision and perspective. This book is a spiritual journey with the teachings of Shri Guru Granth Sahib Ji. The approach is not to be religious or dogmatic but spiritual and liberal. the book contains the teachings of Sri Guru Granth Sahib Ji, which contains the teachings of Sikh Gurus, other saints, and words of eternal wisdom. Each chapter is like peeling a layer of an onion, intended to step by step, on a daily basis, unclutter your mind and sharpen your vision. This book is meant for those who are searching for or are at the edge of a new direction, a new beginning in their life but are unsure whether or not to take the plunge. This may also be helpful to those who have a deep-seated unfulfilled purpose in their life but are just unsure whether or not to do what they would be happy to do in their lives. Modern day youth often finds themselves at cross roads because they find a sea of difference in the value system that they have grown up in and the value system that contemporary society demands. The correct way would be to have a strong value system so that one is unmoved by the conflicting thought processes that one comes across on a daily basis. This book is intended to give that strength and robustness of thought process to those who are always in two minds in choosing what's right for them and what is in front of them.

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Jallianwala Bagh. 13 April 1919. Twenty-two-year-old Nanak Singh joins the mass of peaceful protestors agitating against the Rowlatt Act. What then turns out to be one of the worst atrocities perpetrated by the British Raj, and a turning point in India's independence movement, also becomes a life-changing experience for Nanak Singh, who survives the massacre, unconscious and unnoticed among the hundreds of corpses. After going through the traumatic experience, Nanak Singh proceeds to write *Khooni Vaisakhi*, a long poem in Punjabi. The poem was a scathing critique of the British Raj and was banned soon after its publication in May 1920. After sixty long years, it was rediscovered and has been translated into English for the first time by the author's grandson, Navdeep Suri. Featuring the poem in translation and in original, this bilingual book is accompanied by essays from Navdeep Suri, Punjabi literature scholar H.S. Bhatia and BBC correspondent Justin Rowlatt. *Khooni Vaisakhi* is not only a poignant piece of protest literature but also a historical artefact and a resurrected witness to how Sikhs, Hindus and Muslims came together to stand up to colonization and oppression in one of India's darkest moments.

'Delhi is the twin of pure paradise, a prototype of the heavenly throne on an earthly scroll' —Amir Khusrau A city of contradictions, where ancient traditions and modern aspirations jostle for space, Delhi has often been compared to a phoenix rising from the ashes. Its three thousand years of eventful history have witnessed the rise and fall of

several empires, a process that continues today. City Improbable brings together writings by immigrants, residents, refugees, travellers and invaders who have engaged with India's capital over different epochs. Babur shares his earliest experience of the city and Amir Khusrau praises the fine lads of Delhi; Ibn Battuta and Niccolao Manucci record the glories and follies of prominent rulers; William Dalrymple and Khushwant Singh provide intriguing accounts of the threshold period that saw the coming of the British and the waning of the Mughals. Poets and storytellers—Meer Taqi Meer, Ghalib, Yashpal, Kamleshwar, Ruskin Bond—narrate their versions of the city. Contemporary Delhi is featured in a variety of vignettes: the bureaucracy, the Emergency, the anti-Sikh violence, lovers and joggers in Lodi Gardens, the city's Sufi legacy as well as its changing cuisine. Among the new pieces in this expanded edition are Sam Miller's account of his experiences in the suburb of Noida, Manto's story about a girl from Delhi leaving the city during Partition, Jarnail Singh's unflinching recollection of the massacre of Sikhs in 1984, a photo essay on Shahpur Jat by Karoki Lewis, and a composite narrative by the young writers of the Cybermohalla Collective about the making of a resettlement colony.

British agitations, are thoughts of going home to his wife. When he returns, he finds out that his wife has died, leaving behind their infant child. As Kuldeep's world collapses around him, he negotiates the divergent pulls exerted by people around him: a holy man who advocates renunciation; his childhood friend Saroj, who has always loved him; and the tempestuous Prakash who hides an unsavoury past. Sahitya Akademi Award-winning author Nanak Singh draws on personal experiences to create this compelling portrait of Punjab in the 1920s. Originally published in Punjabi in 1940, Adh Kidhiya Phool is an intense meditation on the choices people make and the consequences these may have.

Jallianwala Bagh massacre, the butchering of unarmed innocents, is a historic event that haunts the human mind even after the lapse of a century. 1650 rounds fired in a matter of ten minutes, the blocking of exits, preventing help reaching the injured are all acts of unmitigated bestiality. Through a selection of prose and poetry – The direct outcome of this horrific event and an introduction that traces the history of events leading to the massacre – Rakhshanda Jalil, a literary historian and translator from Urdu and Hindi, attempts to open a window into the world of possibilities that literature offers to reflect, interpret and analyse events of momentous historical import. The selection offers ways of 'seeing' history, of exploring how an incident that stirred the conscience of millions, one that had far-reaching implications for the National freedom struggle and British rule, found its way through pen and Paper to reach the nooks and crannies of popular imagination filtered through the mind of the creative writer. The stalwarts and acknowledged doyens of Indian literature featured in this volume include Saadat Hasan Manto, Mulk Raj Anand, Krishna Chander, Abdullah Hussein, Bhisham Sahni, Ghulam Abbas, subadhra Kumari Chauhan, Sarojini Naidu, sohan Singh Misha, Muhammad Iqbal, Josh malihabadi, Nanak Singh, to name a few. A collection that can pave the way for further research.
