My name is Scarlett Lewis, and I'm the founder of the Jesse Lewis Choose Love Movement. This initiative started with three words written on a kitchen chalkboard by my six-year-old son, Jesse McCord Lewis, on the morning of December 14, 2012. He wrote, "nurturing, healing, love." He lost his life later that day alongside six educators and 19 of his classmates at Sandy Hook Elementary School in Connecticut. His message constitutes a powerful formula for choosing love. The Jesse Lewis Choose Love Foundation is a 501(c)(3) charitable organization committed to reaching students, educators, and individuals, both nationally and internationally, with a simple, yet profound formula for choosing love. Our signature program uses "nurturing, healing, love" as a foundation for learning and for life. "Every year I review the three general rules of the United Methodist Church with those who are being ordained. Now I have a wonderful ordination gift to give them in Bishop Job's, *Three Simple Rules*, to start and deepen the conversation as they enter a new relationship with the church. Bishop Job has described "by attending upon all the ordinances of God" to be to "stay in love with God." It's a fresh language that speaks especially to long-time Christians and United Methodists." Sally Dyck, Resident Bishop, Minnesota Area "Three Simple Rules is a new catechism for everyone wanting to follow Jesus Christ. These practices for holy living should replace the membership vows in every church! Don't let the title fool you. Bishop Job writes, 'The rules are simple, but the way is not easy. Only those with great courage will attempt it, and only those with great faith will be able to walk this exciting and demanding way.'" Stormie Omartian's bestselling books on the power of prayer have touched millions of lives. Recent books have taken a closer look at the leading of the Holy Spirit and the call to be a prayer warrior for God. Now Stormie takes a fresh look at another powerful aspect of knowing our Creator...His amazing and great love for us. We reflect God most clearly when we are motivated by the power of love in all we say and do. But first we have to understand the depth of God's love for us and receive it. Then we must learn how to effectively express our love for Him. "One of the many ways we can show our love to God is to deliberately choose to show love to others and in every situation," says Stormie. "We can only accomplish this with the guidance and enablement of the Holy Spirit. When we do that, God blesses us and transforms our lives in ways we cannot even imagine. And we will have a sense of God's pleasure toward us that is far more valuable than anything else we may desire. This book is about making that sometimes difficult choice and the rewards that follow." Transform your heart, your relationships, and your future as you press into God's love and let the power of His life and character move through you.

On December 14, 2012, Scarlett Lewis experienced something that no parent should ever have to endure: she lost her son Jesse in an act of unimaginable violence. The day started just like any other, but when a gunman opened fire at Sandy Hook Elementary School, Scarlett's life changed forever. However, this isn't a story about a massacre. It's a story about love and survival. It's about how to face the impossible, how to find courage when you think you have none, and how to choose love instead of

anger, fear, or hatred. Following Jesse's death, Scarlett went on an unexpected journey, inspired by a simple three-word message he had scrawled on their kitchen chalkboard shortly before he died: Nurturing Helin Love (Nurturing Healing Love). It was as if he knew just what his family would need in order to go on after this horrible tragedy. Bolstered by his words, Scarlett took her first step toward a new life. And with each step, it became clearer how true Jesse's message was. She learned that love was indeed the essential element necessary to move forward and that taking the path of love is a choice. We can live in anger and resentment, or we can choose love and forgiveness. With her decision made, she found some peace and began to believe that choosing love was the key to creating a healthy, safe, and happy world. She began the Jesse Lewis Choose Love Foundation to develop programs to teach children about the power each of us has to change our thoughts and choose a life without fear and hate. Nurturing Healing Love is Scarlett's story of how choosing love is changing her life—and how it could change our world. A portion of the proceeds from sales of this book will be donated to the Jesse Lewis Choose Love Foundation. In an increasingly demanding world, we've been told that we can do everything—maintain friendships, devote ourselves to work, spend time with family, stay fit, and get enough sleep. We can't do it all every day, she contends, and trying to do so only leaves us frustrated and feeling inadequate. But we can succeed if we Pick Three. Randi first introduced the concept of Pick Three in a tweet—"The Entrepreneur's Dilemma"—that went viral. Now, in this book, she expands on her philosophy and inspires others to follow her lead. From entrepreneurs to professionals, busy parents to students, Randi can help everyone learn to reject the unrealistic burden of balance and enjoy success in their own lives—by picking the most important areas to focus

on in any given day. This practical handbook includes stories from Randi's career learning that there's no such thing as a perfect balance—as well as insights and examples from other professionals at the top of the biggest businesses in Silicon Valley, new moms searching for permission to focus on family, and recent graduates convinced they should have it all under control, including Arianna Huffington, Reshma Saujani, Laurie Hernandez, and Brad Takei. Rueben P. Job, author of Three Simple Rules, brings us a new insight on how to live a Christ-like life and explores the three most basic and profound questions at the center of our faith—questions that all major religions try to answer and around which there seems to be much confusion: Who is God? Who am I? Who are we together? In three brief and engaging chapters, readers will explore these questions and gain new understanding of the answers: Know that God is greater than you can imagine Believe that you are God's beloved child Be the love of Christ in the world They will also discover the greatness and goodness of God, the value of every beloved child of God, and the impact we can have in the world when we live as Jesus lived. Each chapter concludes with a simple spiritual practice to help readers remember and respond to what they have read, followed by a prayer. Now it is time for you to know, believe and become the answers. In its first paragraphs, Three Simple Questions triggered my hunger for hope. I hung on each word thereafter. By the time I finished my reading, I was filled to overflowing. I was drawn deeper by the notion of a God too small. Prayer as the place where we receive our identity was profound. I cheered with the truth that God loves all. I was intrigued by the imagery of my being a "holy chalice." The three daily practices are refreshing and engaging. In short, the read filled me with grace. —Bishop Sharon Brown Christopher

When we understand this, it's easier to let go of the things we no longer want to be a part of who we are. Self involvement means that the Self consciously chooses to evolve.
