With Other Fables Harlequin

From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — *The New York Times Book Review*
A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret

to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft. **House of Night Series Books 1-4** St. Martin's Press

The White City, 1893: In turn-of-the-century Chicago, with the World's Fair bringing bustle and excitement to her home city, sixteen-year-old Emily Wheeler should be reveling in her youthful beauty and the excitement around her. But her whole life changed when her mother died, leaving her to be the Lady of Wheeler House. Her father, a powerful bank president, is at the center of an important social hub for the booming young city, and he needs Emily to do everything her mother would have – to be a good hostess and make sure the mansion runs smoothly. As Emily uneasily tries to replace her mother, she also longs for more... for love and a life of her own. When a handsome young man notices her at one of her father's parties, it seems that her hopes may finally be coming true. Until her father forbids her to see him – or any other man – and starts revealing a darkly violent side that even he can't understand. At last, afraid for her life and with nowhere to turn, Emily is Marked by a vampyre and brought to the Chicago House of Night, where she begins a magickal new life that should

allow the wounds from her past to heal. But as she gains strength, and a powerful new name, she carries a dark need to wreak vengeance on the man she trusted most. From victim to High Priestess, beautiful young woman to powerful seductress, Neferet's journey begins in NEFERET'S CURSE...from authors P.C. Cast and Kristin Cast.

So...you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from Erik, and almost dying, Zoey Redbird would catch a break. Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampires have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampire, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampire. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampire Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing

her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampire friends.

The Strange Case of Dr. Jekyll and Mr. Hyde St. Martin's Griffin

When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampire High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.

Hunted, Tempted, Burned, Awakened Atom Books Life sucks when your friends are pissed at you. Just ask Zoey Redbird — she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet

has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in P.C. and Kristin Cast's spellbinding fourth House of Night novel. (Recommended for readers age 13 and older)
