[Christian Reflections Cs Lewis](#)

In this work, Lewis deals with a Christian approach to literature and aesthetics, an apologetic for the spiritual nature of Christian

worship, a discussion of the topic of ethics and whether a "Christian" ethic should be taught to the world, an apologetic response to those who claim that the purpose of nature is merely futile, an attack on post-modern subjectivity, an attack on the theory of evolution and a suggestion on how others should do the same, a discussion on Church Music, a debate ...

From that time on, Lewis  
thought that the best service  
he could do for his  
unbelieving neighbors was to  
explain and defend the belief  
that has been common to  
nearly all Christians at all  
times -- that enormous  
common ground which he  
usually referred to as mere  
Christianity. Lewis's defense of  
Christianity was colorfully  
varied -- the subjects he  
covered ranged widely,  
including Christianity and  
literature, Christianity and  
culture, ethics, futility, church  
music, modern theology and  
biblical ...

Product Description. Shortly after his conversion in 1929, C. S. Lewis wrote to a friend, "When all is said (and truly said) about the divisions of Christendom, there remains, by God's mercy, an enormous common ground." From that time on, Lewis thought that the best service he could provide for his unbelieving neighbors was to explain and defend the faith that has been common to nearly all Christians at all times -- the "enormous common ground" that he usually referred to as "mere" Christianity.

*Amazon.co.uk: Lewis, C. S ...*

Description. A collection of Lewis's essays against 'the new morality' – a fine collection representing Lewis at his most brilliant. Published shortly after his death, aiming to make available some of his writings which were not at that time publicly accessible, and to counter the prevailing new morality of the sixties, 'Christian Reflections' gives a robust defence of the Christian Gospel.
