This large-format, high-page-count monograph is the definitive tome on the work of the prolific Provensen husband-and-wife team. The book includes many never-before-seen sketches and development work for many of their books; exquisite drawings from their extensive travel journals; and many personal paintings, illustrations, photographs, and artifacts. *The Art of Alice and Martin Provensen* is the first-ever monograph on this beloved mid-century husband-and-wife illustration

team. This award-winning pair created more than 40 beloved children's books over the span of seven decades, many of which appeared on the New York Times Best Illustrated Books of the Year lists. From early favorites for Golden Books such as *The Color Kittens* by Margaret Wise Brown, 1949, to their Caldecott-winning title *The Glorious Flight: Across the Channel* with Louis Bleriot, 1983, the Provensens' books inspired generations of young readers. This beautiful volume showcases hundreds of their well-known illustrations, their signature design for Kellogg's Tony the Tiger mascot, 1952, as well as many never-before-seen paintings, ideations, travel sketchbooks,

and ephemera. The Provencens' colorful, inimitable artwork is a treasure trove for designers, illustrators, literary historians, and all who cherish classic children's books. **FIRST MONOGRAPH:** This is the first-ever, long-overdue monograph on this influential and revered husband-and-wife illustration team. **UNIQUE VIEWPOINT:** Their mid-century hand-drawn style is vintage and charming and has influenced a generation of illustrators and designers. **IDEAL GIFT/COVETABLE OBJECT:** This is an ideal gift for fans of mid-century modern design and illustration, art-book collectors, and anyone looking for the perfect coffee-table book. **VINTAGE:** There has been a

resurgence of appreciation of hand-done illustration as opposed to art produced digitally. This book is a nostalgic look-back at classic, vintage, and beloved children's books and two of the premier illustrators of the genre.

MERCH/DISPLAY OPPORTUNITIES: Colorful, whimsical, and charming, this is an ideal book for retailers to merchandise. Perfect for: Illustrated children's book collectors and fans, design enthusiasts, illustrators, art students, fans of mid-century modernism, book collectors, art aficionados, aesthetes

The great filmmaker Werner Herzog, in his first novel, tells the incredible story of Hiroo Onoda, a Japanese soldier who defended a small island in the Philippines for twenty-nine years after the end of World War II. In 1997, Werner Herzog was in Tokyo to direct an opera. His hosts asked him, Whom would you like to meet? He replied instantly: Hiroo Onoda. Onoda was a former soldier famous for having quixotically defended an island in the Philippines for decades after World War II, unaware the fighting was over. Herzog and Onoda developed an instant rapport and would meet many times, talking for hours and together unraveling the story of Onoda's long war. At the end of 1944, on Lubang Island in the Philippines, with Japanese troops about to withdraw, Lieutenant Hiroo Onoda was given

orders by his superior officer: Hold the island until the Imperial army's return. You are to defend its territory by guerrilla tactics, at all costs. . . . There is only one rule. You are forbidden to die by your own hand. In the event of your capture by the enemy, you are to give them all the misleading information you can. So began Onoda's long campaign, during which he became fluent in the hidden language of the jungle. Soon weeks turned into months, months into years, and years into decades-until eventually time itself seemed to melt away. All the while Onoda continued to fight his fictitious war, at once surreal and tragic, at first with other soldiers, and then, finally, alone, a character in a novel of his own making. In *The Twilight World*, Herzog immortalizes and imagines Onoda's years of absurd yet epic struggle in an inimitable, hypnotic style-part documentary, part poem, and part dream-that will be instantly recognizable to fans of his

films. The result is a novel completely unto itself, a sort of modern-day Robinson Crusoe tale: a glowing, dancing meditation on the purpose and meaning we give our lives.

Max outwits a bully and makes a new friend in this Level F book, perfect for first-grade readers. Big Bob is a bully who takes Max's lunch every day. Max's friends try to help him deal with it. "Don't look at him," says one friend-- but Big Bob takes Max's sandwich anyway. "Give him a gift," suggests another friend. Max gives Big Bob a lemon ice, but the bully doesn't like lemon-- so he squashes it on Max's head. Clever Max figures out a way to outwit Big Bob, and starts bringing lemon-flavored lunches.

And once his lunches are safe, Max reaches out to Big Bob in friendship. Soon all of the children enjoy lunch together! This easy-to-read story includes extra material for both kids and adults on dealing with bullies-- a list of Do's and Don'ts for young readers, and a list of anti-bullying resources for grown-ups. This book has been officially leveled by using the F&P Text Level Gradient(TM) Leveling System. The award-winning I Like to Read series features guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create

original, high-quality illustrations that support comprehension of simple text and are fun for kids to read again and again with their parents, teachers or on their own! Level F books, for early first graders, feature longer, more varied sentences than Level E. Level F books encourage kids to decode new multi-syllable words in addition to recognizing sight words. Stories are more complex, and illustrations provide support and additional detail. When Level F is mastered, follow up with Level G. The Coding Manual for Qualitative Researchers Chronicle Books

Named one of the Best Books of 2020 by Refinery29 A hypnotic, wildly inventive novel about art, violence, and endurance Alice Knott lives alone, a reclusive heiress haunted by memories of her deceased parents and mysterious near-identical brother. Much of her family's fortune has been spent on a world-class collection of artwork, which she stores in a vault in her lonely, cavernous house. One day, she awakens to find the artwork destroyed, the act of vandalism captured in a viral video that soon triggers a rash of copycat incidents. As more videos follow and the world's most priceless works of art are destroyed one by one, Alice finds that she has become the chief suspect in an international conspiracy—even as her psyche becomes a shadowed landscape of

childhood demons and cognitive disorder. Unsettling, almost physically immersive, Alice Knott is a virtuoso exploration of the meaning of art and the lasting afterlife of trauma, as well as a deeply humane portrait of a woman whose trials feel both apocalyptic and universal.

Molly Bang's brilliant, insightful, and accessible treatise is now revised and expanded for its 25th anniversary. Bang's powerful ideas—about how the visual composition of images works to engage the emotions, and how the elements of an artwork can give it the power to tell a story—remain unparalleled in their simplicity and genius. Why are diagonals dramatic? Why are curves calming? Why does red feel hot and blue feel cold? First published in 1991, *Picture This* has changed the way artists, illustrators, reviewers, critics, and readers look at and understand art.
