Max outwits a bully and makes a new friend in this Level F book, perfect for first-grade readers. Big Bob is a bully who takes Max's lunch every day. Max's friends try to help him deal with it. "Don't look at him," says one friend-- but Big Bob takes Max's sandwich

anyway. "Give him a gift," suggests another friend. Max gives Big Bob a lemon ice, but the bully doesn't like lemon-- so he squashes it on Max's head. Clever Max figures out a way to outwit Big Bob, and starts bringing lemon-flavored lunches. And once his lunches are safe, Max reaches out to Big Bob in friendship. Soon all of the children enjoy lunch together! This easy-to-read story includes extra material for both kids and adults on dealing with bullies-- a list of Do's and Don'ts for young readers, and a list of anti-bullying resources for grown-ups. This book has been officially leveled by using the F&P Text Level Gradient(TM) Leveling System. The award-winning I Like to Read series features guided reading levels A through G, based upon Fountas and Pinnell standards.

Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create original, high-quality illustrations that support comprehension of simple text and are fun for kids to read again and again with their parents, teachers or on their own! Level F books, for early first graders, feature longer, more varied sentences than Level E. Level F books encourage kids to decode new multi-syllable words in addition to recognizing sight words.

Stories are more complex, and illustrations provide support and additional detail. When Level F is mastered, follow up with Level G.

novel about art, violence, and endurance

Alice Knott lives alone, a reclusive heiress haunted by memories of her deceased parents and mysterious near-identical brother. Much of her family's fortune has been spent on a world-class collection of artwork, which she stores in a vault in her lonely, cavernous house. One day, she awakens to find the artwork destroyed, the act of vandalism captured in a viral video that soon triggers a rash of copycat incidents. As more videos follow and the world's most priceless works of art are destroyed one by one, Alice finds that she has become the chief suspect in an international conspiracy—even as her psyche becomes a shadowed landscape of childhood demons and cognitive disorder. Unsettling, almost physically immersive, Alice Knott is a virtuoso exploration of the meaning of art and the lasting afterlife of trauma, as well as a deeply humane portrait of a woman whose trials feel both apocalyptic and universal.

"A satisfying artistic triumph." —Chris Van Allsburg, author-illustrator of *The Polar Express* Share this classic as a birthday, baby shower, or graduation gift! *Homophones Visualized* Chronicle Books 'Conventional histories of the last days of the Roman Empire will no longer suffice after you read this book.' Averil Cameron, author of *Byzantine Matters* Long before Rome fell to the Ostrogoths in AD 476, a new city had risen to take its place as the beating heart of a late antique empire, the glittering Constantinople: New Rome. In this magisterial work, Professor Paul

Stephenson charts the centuries surrounding this epic shift of power. He traces the cultural, social and political forces that led to the empire being ruled from a city straddling Europe and Asia, placing all into a rich natural and environmental context informed by the latest scientific research. Blending narrative with analysis, he shows how the city and empire of New Rome survived countless attacks and the rise of Islam. By the end, the wide world of linked cities had changed into a world founded on new ideas about government and God, art and war, and the very future of a Christian empire: Byzantium.

The Diary of a Young Girl Penguin

David Mamet's new Oval Office satire depicts one day in the life of a beleaguered American commander-in-chief. It's November in a Presidential election year, and incumbent Charles Smith's chances for reelection are looking grim. Approval ratings are down, his money's running out, and nuclear war might be imminent. Though his staff has thrown in the towel and his wife has begun to prepare for her post-White House life, Chuck isn't ready to give up just yet. Amidst the biggest fight of his political career, the President has to find time to pardon a couple of turkeys — saving them from the slaughter before Thanksgiving — and this simple PR event inspires Smith to risk it all in attempt to win back public support. With Mamet's characteristic no-holds-barred style, November is a scathingly hilarious take on the state of America today and the lengths to which people will go to win.
