The Inner Man vs The Mythical King With a scholar's mind and an Elvis-fan's heart, eminent psychiatrist and Jungian analyst Dr David H. Rosen

illuminates both the inner Elvis and the myth of Elvis. Forty-two chapters representing the forty-two years of Elvis's life contain perceptive and inspiring quotations from the world's most perceptive thinkers, as well as from the people who knew Elvis best. In a most readable fashion, Rosen unites the varied voices into each chapter's theme, such as: "Spirit, Soul and Religion," "Transcendence & Transformation," "Darkness, Sorrow, and Sadness," "Alone and Loneliness," and "Love." An inspirational, perceptive, personal and truly innovative exploration of Elvis, which includes essays by two New York Times Best-Selling Authors: Thomas Moore, author of *Care of the Soul: A Guide for Cultivating Depth and Sacredness in Everyday Life*, contributes a foreword in which he asks pivotal questions about the parallel destinies of Elvis and America. Clarissa Pinkola Estés, author of *Women Who Run with the Wolves: Myths and Stories of the Wild*

Woman Archetype, has contributed a free-wheeling afterword passionately expressing how Elvis's beautiful flame of life rocked the post-war world, and rocks her still. The Tao of Elvis is fully illustrated with Chinese papercut-inspired artwork by Diane Katz, author and illustrator of *On All My Holy Mountain: A Modern Fraktur* and *Apples Dipped in Honey: A Jewish ABC*. 'Knowing ignorance is strength. Ignoring knowledge is sickness.' - Lao Tse Tao, meaning 'The Way', refers to a power that envelops, surrounds and flows through all things, both living and sentient. It regulates natural processes and nourishes balance in the Universe. But, in the words of the Sage, its 'Name is Formless'. This means that any exploration of it starts from a position of ignorance, and any journey we undertake to reach an understanding of it is of necessity personal. No two paths will be identical. In this compelling introduction, Pamela Ball enables us to find a Way through the myriad complexities of this ancient and yet distinctly modern belief system, and offers clearly defined pathways to further study and enlightenment. By unravelling its mysteries she shows us how to achieve balance and establish principles for living life effectively, now and in the years to come.

"The profound, poetic wisdom of the Tao Te Ching lends itself beautifully to the subject of healing. Haven Trevino's modern adaptation of this ancient work captures the essence of the original in language accessible to all. The Tao of Healing gives wonderful insight and hope to both healers and those in need of healing. Trevino, a student of the Tao Te Ching for many years, began this inspirational work after he was diagnosed with Lou Gehrig's disease, an event that motivated him "to bring into focus a whole range of creative skills, experiences, lessons, and visions."--Publisher description.

The concept of gender is one that is static for many and malleable for some. Many mistakenly interchange gender with sexuality. Some argue that it is cultural/environmental, while others say that it is genetic. What is gender? The answer continues to elude. Tarynn Whitten's

introspective work seeks to explore the mystery of gender identity through an integration of various principles of Taoism. The Tao of Gender grew out of a personal need to provide peaceful reading for those who seek "The Way" on their journey through life, in a world where transgenderism and transsexuality are all too often misunderstood. The author hopes to help those on this journey to find balance by tapping into their infinite capacity for resourcefulness and wisdom within. What readers are saying This book is a gift of inspiration and insight for those who experience gender fluidity or want to explore the nature of trans-genderism. Tarynn artfully weaves the personal and the philosophical, creating a tapestry of gender and Taoism with threads of self-discovery and renewal.—Randi Ettner, Ph.D., author of *Gender Loving Care*; and *Confessions of a Gender Defender*

Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time In this unique series of discourses, Osho unravels *The Secret of the Golden Flowers*, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries.

Osho demystifies the important terms used by the bibliography.

Chinese mystic Lu Tsu, or Lao Tzu, and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on The Secret of the Golden Flower, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being.

Reversing the Lens James Lindsay

An "addictive volume" of amphetamine stories from William T. Vollmann, Sherman Alexie, and more (Publishers Weekly). Speed is the most American of drugs: twice the productivity at half the cost, and equal opportunity for all. It has reinvented itself many times, from miracle cure to biker-gang scourge and everything in between. It goes by many names: crystal meth, amphetamines, Dexedrine, Benzedrine, Adderall; crank, spizz, chickenscratch, oblivious marching powder, the go-fast. And it crosses all ethnicities, genders, and geographies—from immigrants and heartlanders punching double factory shifts to clandestine border warlords; prostitutes to housewives; Hollywood celebs to the poorest Indian on the rez—and they all have plenty of stories. Here is the first contemporary collection of new short fiction dealing with the drug from an array of today's most compelling authors. The elements of crime and tweaking, bleary-eyed zombies exist alongside heart-wrenching narratives of everyday people, the American Dream going up in flames, and even some accounts of pure joy. Featuring brand-new stories by: Sherman Alexie, William T. Vollmann, James Franco, Megan Abbott, Jerry Stahl, Beth Lisick, Jess Walter, Scott Phillips, James Greer, Tao Lin, Joseph Mattson, Natalie Diaz, Kenji Jasper, and Rose Bunch.

A young woman's quest to heal a family rift entangles her in one of Australia's greatest historical puzzles when an intricately illustrated map offers a clue to the fate of a long-lost girl. A mesmerising historical mystery set in the Hunter Valley from bestselling author Tea Cooper for readers of Natasha Lester and Kate Morton. 1880 The Hunter Valley Evie Ludgrove loves to map the landscape around her home - hardly surprising since she grew up in the shadow of her father's obsession with the great Australian explorer Dr Ludwig Leichhardt. So when an advertisement appears in The Bulletin magazine offering a one thousand pound reward for proof of where Leichhardt met his fate, Evie is determined to figure it out - after all, there are clues in her father's papers and in the archives of The Royal Geographical Society. But when Evie sets out to prove her theory she vanishes without a trace, leaving behind a mystery that taints everyone's lives for thirty years. 1911 When Letitia Rawlings arrives at the family estate in her Model T Ford, her purpose is to inform her great aunt Olivia of a bereavement. But Letitia is also escaping her own problems - her brother's sudden death, her mother's scheming and her own dissatisfaction with the life planned out for her. So when Letitia discovers

a beautifully illustrated map that might hold a clue to the fate of her missing aunt, Evie Ludgrove, her curiosity is aroused and she sets out to discover the truth of Evie's disappearance. But all is not as it seems at Yellow Rock estate and as events unfold, Letitia begins to realise that solving the mystery of her family's past could offer as much peril as redemption.

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts--collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world--by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do--combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master--and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice around the world--including Mixed Martial Arts. In

addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

From the author of 365 Tao and a leading authority on Taoist practice and philosophy comes a completely innovative translation of

the classic text of Eastern wisdom, the I Ching. The I Ching, or Book of Changes, is an ancient manual for divining the future. Its basic text is traditionally attributed to the Chinese King Wen, the Duke of Zhou, and the philosopher Confucius. By tossing coins, rolling dice, using a computer, or, more traditionally, counting yarrow stalks, one can create a seemingly random combination of heads or tails, odd or even, yin or yang, to construct six lines (for example, solid for odd numbers or broken for even numbers). These six lines make up a hexagram that provides advice, predictions, and answers to questions on topics from love and career to family and finance. While known mostly as a tool of divination, the I Ching is also a repository of centuries of wisdom. Most of the existing translations offer either dense, scholarly commentary or little more than fortune-cookie platitudes, but in *The Living I Ching* Deng Ming-
Dao takes a more holistic approach. His new translation recovers the true wisdom and philosophy of this ancient classic, so that the I Ching becomes more than just a book of fortune-telling -- it becomes a manual for living.

The Living I Ching Singing Dragon

Does God exist? Does He do anything in this world? Famous authors like Richard Dawkins suggest strongly that it is very unlikely, but how unlikely is it? *God Doesn't; We Do* brings

James A. Lindsay's mathematical expertise to the question and is able to put the matter under a microscope only available through an understanding of abstract mathematics, which he makes accessible to any reader. Because of that, this book will change the conversation about the existence of God. The central theme of this book, though, points out that even if there were a God, we have no reason to believe He does anything at all in this world. Thus the responsibility is on us, as it always has been, to make our world what it will be. From the back cover: Our world is one that is full of difficult challenges, and many people still turn to God for solutions or credit Him with ones that they find. The time for that kind of superstition is long passed. *God Doesn't; We Do* seeks to address the topic on philosophical grounds, making appeals to a scientific mindset and evidence-based decision making in fields where religion has dominated for centuries, including morality, politics, and even spirituality. The title really says it all-*God Doesn't; We Do: Only Humans Can Solve Human Challenges*.
