My story is different, but I'm sure every small player that wanted to become a professional basketball player can relate to what I had to go through. I'm 5'7" and there are so many small basketball players that get overlooked because of their size. I want to be the voice for those players. I was blessed by God with the talent and love to be a basketball player. Through God's grace and timing, basketball has shown me parts of the world that I would've never visited and the great support that I received from my family and friends will never be forgotten or taken for granted...dream big, work for it and see what happens! Growing up in the Jennings' household during basketball season was something I loved and respected. Basketball in the morning, basketball in the evening, basketball at night, basketball in the house, basketball in the gyms, basketball at the dunk courts, basketball on television, basketball movies, basketball without a basketball, I just couldn't get enough and then it turned into a memory bank. Memories of family basketball, memories of high school basketball, memories of college basketball, memories of the NBA, memories of European basketball, memories of good games, bad games, great games, and injuries. If the good outweighs the bad you'll be happy to share your story with anyone that asks. You have to understand that a lot of people never gave me a chance. My family believed in me and I believed in myself, and I worked so hard I get chills just thinking about it. The memories don't stop until you stop. I found out very quickly that short basketball players need to be special. Looking back on it, I realized that the short players that I liked were special. Mugsy Boges was 5'3," Spud Webb was 5'7" and could dunk (he won the NBA dunk contest back in the day), Calvin Murphy was a flat out scorer, and the list goes on and on. At this present time there are only 10 basketball players under 6' that have played 3 years or more in the NBA. I felt like I was special because I played basketball on all major levels: high school, college, NBA and European professional basketball. I'm going to take you through a series of events that I believe gave me the opportunity to not only have my basketball dreams come true, but to also be able to make money doing something I love. Have you ever been to a place where you feel at peace with yourself? If you haven't, I hope you find it before your time on this earth is done. My peace is basketball. It doesn't matter what is going on in my life, I can grab a basketball, find a rim and the rim doesn't even have

to have nets. I'll forget everything and just play. It's a great feeling. I believe dreams come true. Mine did and yours can too. You just need to be patient, work hard, don't listen to the negative people (haters), and believe in your own abilities. I did. I had to deal with all of those things and it shaped me to be the man that I am today.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from its celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the

way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

CRAZY A MEMOIR is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy— the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.
