Incorporated Nichols' Chilton Total Car Care Repair Manuals offer do-it-yourselfers of all levels total maintenance, service and repair information in an easy-to-use format. These manuals feature exciting graphics, photos, charts and exploded-view illustrations. Every manual contains hundreds of detailed photographs and illustrations of repair procedures, based on actual teardowns done in our on-site facility. Trouble codes, actual wiring and vacuum diagrams, factory maintenance schedules, expanded glossary and easy-to-

use index, are also unique to each manual. Nichols Publishing's Chilton automotive repair information is The First Step in Repair for both the Professional Technician and the Do-It-Yourselfer. Nichols' editors/authors bring a combined 125 years of knowledge, expertise and hands-on experience to our products. We tear down the vehicles so that even the novice do-it-yourselfer can put them back together. Marine Diesel Basics 1 Hot Rod Library SELOC Marine maintenance and repair manuals

offer the most comprehensive, authoritative information available for outboard, inboard, stern-drive and diesel engines, as well as personal watercraft. SELOC has been the leading source of how-to information for the marine industry since 1974. Designed and written to serve the needs of the professional mechanic, do-it-yourself boat enthusiast, instructor and student, these manuals are based on actual teardowns done by
