Bullies and Saints TAN Books

Recent research into the Inquisition and the Crusades has reversed many of the misconceptions the surround these events in history. This book helps to explain some of them.

The Glory of the Crusades Oswaal Books

The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him—in history and through today. Organized by a stellar advisory board of Luther and Reformation scholars, the encyclopedia features nearly five hundred entries that examine Luther ’ s life and impact worldwide.

The two-volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions. Entries explore Luther ’ s contributions to theology, sacraments, his influence on the church and contemporaries, his character, and more. The work also discusses Luther ’ s controversies and topics such as gender, sexuality, and race. Publishing at the five hundredth anniversary of the Reformation, this is an essential reference work for understanding the Reformation and its legacy today.

Under the Banner of Heaven Paulist Press

'Wonderfully written and characteristically brilliant' Peter Frankopan, author of The Silk Roads 'Elegant, readable ... an impressive synthesis ... Not many historians could have done it' - Jonathan Sumption, Spectator 'Tyerman's book is fascinating not just

for what it has to tell us about the Crusades, but for the mirror it holds up to today's religious extremism' - Tom Holland, Spectator
Thousands left their homelands in the Middle Ages to fight wars abroad. But how did the Crusades actually happen? From recruitment propaganda to raising money, ships to siege engines, medicine to the power of prayer, this vivid, surprising history shows holy war - and medieval society - in a new light.

The Ohio Teacher University of Pennsylvania Press

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America’s isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU.

“Fantastic.... Right up there with *In Cold Blood* and *The Executioner’s Song*.” —San Francisco Chronicle
Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer’s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.

How to Plan a Crusade BRILL

The Crusades is an authoritative, accessible single-volume history of the brutal struggle for the Holy Land in the Middle Ages. Thomas Asbridge—a renowned historian who writes with “maximum vividness” (Joan Acocella, *The New Yorker*)—covers the years 1095 to 1291 in this big, ambitious, readable account of one of the most fascinating periods in history. From Richard the Lionheart to the mighty Saladin, from the emperors of Byzantium to the Knights Templar, Asbridge’s book is a magnificent epic of Holy War between the Christian and Islamic worlds, full of adventure, intrigue, and sweeping grandeur.

Fulcher of Chartres Zondervan

The world hates the Church that Jesus founded, just as He said it would (John 15:18). It reviles her doctrines, mocks her moral teachings and invents lies about her history. In every age, but especially in our modern day, historians and political powers have distorted the facts about her past (or just made up novel falsehoods from scratch) to make the Church, and the civilization it fostered, seem corrupt, backward, or simply evil. In *Seven Lies about Catholic History*, Diane Moczar (Islam at the Gates) tackles the most infamous and prevalent historical myths about the Church popular legends that you encounter everywhere from textbooks to T.V. and reveals the real truth about them. She explains how they got started and why they re still around, and best of all, she gives you the facts and the arguments you need to set the record straight about: The Inquisition: how it was not a bloodthirsty institution but a merciful (and necessary) one Galileo's trial : why moderns invented a myth around it to make science appear incompatible with the Catholic faith (it's not) The Reformation: why the 16th-century Church was not totally corrupt (as even some Catholics wrongly believe), and how the reformers made things worse for everybody and other lies that the world uses to attack and discredit the Faith. Written in a brisk style that's fun and easy to read, *Seven Lies about Catholic History* provides the lessons that every Catholic needs in order to defend and explain not just apologize for the Church's rich and complex history.

The Book of the City of Ladies Sourcebooks, Inc.

Alexander Murray has long had an intellectual interest in the history of religion - struggling between his inbuilt anti-clericism and his pronounced monastic leanings. The five essays in

Conscience and Authority in the Medieval Church take on this dialectic, addressing the difficult relationship between private conscience and public authority in the twelfth and thirteenth centuries. In any organization, political, military, commercial, or religious, the relationship of conscience and authority is always potentially fraught, and can create dilemmas both for those in authority and those without. This volume records how our European predecessors approached and dealt with the same dilemmas as we face in the modern world.

The Crusades, Christianity, and Islam Bloomsbury Publishing

The six volumes of A History of the Crusades will stand as the definitive history of the Crusades, spanning five centuries, encompassing Jewish, Moslem, and Christian perspectives, and containing a wealth of information and analysis of the history, politics, economics, and culture of the medieval world.

Crusades Hodder Education

What does “Protestant” mean? What are the differences in worship among Protestants? Who were the Huguenots? What does the Reformation mean for us today? This new book by best-selling author Don McKim answers these questions and many more, providing the essential history of the Protestant Reformation. In an easy-to-use question-and-answer style, Reformation Questions, Reformation Answers highlights the key facts, people, and theologies of the Protestant Reformation, as well as major legacies of the historical movement. Published in time for the 500th anniversary of the beginning of the Reformation, this new resource will help readers understand a critical moment in Christian history that still deeply affects who the church is today.

Robert Grosseteste and the 13th-Century Diocese of Lincoln Anchor

Here is an attempt to tell in brief compass the history of Christianity. Christianity is usually called a religion. As a religion it has had a wider geographic spread and is more deeply rooted among more peoples than any other religion in the history of mankind. Both that spread and that rootage have been mounting in the past 150 years and especially in the present century. The history of Christianity, therefore, must be of concern to all who are interested in the record of man and particularly to all who seek to understand the contemporary human scene. - Preface.

The Cambridge Companion to the Literature of the Crusades Harper Collins

How were the Crusades, and the crusaders, narrated, described, and romanticised by the various communities that experienced or remembered them? This Companion provides a critical overview of the diverse and multilingual literary output connected with crusading over the last millennium, from the first writings which sought to understand and report on what was happening, to contemporary medievalism, in which crusading

is a potent image of holy war and jihad. The chapters show the enduring legacy of the crusaders' imagery, from the chansons de geste to Walter Scott, from Charlemagne to Orlando Bloom. Whilst the crusaders' hold on Jerusalem was relatively short-lived, the desire for Jerusalem has had a long afterlife in many cultural contexts and media.

God's Battalions Rowman & Littlefield

This fully updated and expanded edition of The Crusades: A History provides an authoritative exploration of one of the most significant topics in medieval and religious history. From the First Crusade right up to the present day, Jonathan Riley-Smith and Susanna Throop investigate the phenomenon of crusading and the crusaders themselves. Now in its 4th edition, this landmark text includes: - A new and more balanced book structure with updated terminology designed to help instructors and students alike - Deliberate incorporation of a wider range of historical perspectives, including Byzantine and Islamic historiographies, crusading against Christians and within Europe, women and gender, and the crusades in the context of Afro-Eurasian history - A dramatically expanded discussion of crusading from the sixteenth through twenty-first centuries - A fully up-to-date bibliographic essay - Additional textboxes, maps, and images The Crusades: A History is the definitive text on the subject for students and scholars alike.

The Dream and the Tomb Hodder Education

Think more deeply and work more independently at A level History through a carefully thought-out enquiry approach from SHP. Enquiring History: It makes you think! The OFSTED report on school history suggests that the current generation of A Level students have been poorly served by exam-based textbooks which spoon-feed students while failing to enthuse them or develop deeper understandings of studying History The Schools History Project has risen to this challenge with a new series for the next generation. Enquiring History is SHP's fresh approach to Advanced Level History that aims: - To motivate and engage readers - To help readers think and gain independence as learners - To encourage enquiry, and deeper understanding of periods and the people of the past - To engage with current scholarship - To prepare A Level students for university Key features of each Student book - Clear compelling narrative - books are designed to be read cover to cover - Structured

enquiries - that explore the core content and issues of each period - 'Insight' panels between enquiries provide context, overview, and extension - Full colour illustrations throughout The Crusades:

Conflict and controversy 1095-1291 There has never been a more important time to study the Crusades. Religious conflict is a fact of life in the twenty-first century no less than it was in the medieval world. And yet the world of the Crusades is so different from ours that it takes a massive leap of imagination to make sense of these events. This book takes on that challenge: opening a window onto the 12th and 13th century worlds to understand what on earth was going on. It examines the Crusades themselves; the controversies surrounding them; and the past and current re-interpretations of the period. Web-based support includes - lesson planning tools and guidance for teachers available from the SHP website <http://www.schoolshistoryproject.org.uk/Publishing/BooksSHP/BooksALvIEHS.html> - eBooks for whole class teaching or individual student reading available from eBook retailers

The Crusades and the Christian World of the East Westminster John Knox Press

To its contemporaries, the first Crusade was a journey and its participants were pilgrims. The identifying terminology of "Crusade" came about nearly a century later. In a greatly expanded second edition, Edward Peters brings together primary texts that document 11th-century events leading to what we now call the First Crusade.

Foundations of Faith Catholic Answers

This study describes the way in which the Franciscan and Dominican orders became involved in preaching the cross and examines their contribution to the crusading movement of the thirteenth century.

The Crusades University of Pennsylvania Press

Claiming that many in the West lack a thorough understanding of crusading, Jonathan Riley-Smith explains why and where the Crusades were fought, identifies their architects, and shows how deeply their language and imagery were embedded in popular Catholic thought and devotional life.

Preaching the Crusades Xlibris Corporation

In dialogues with three celestial ladies, Reason, Rectitude, and Justice, Christine de Pizan (1365-ca. 1429) builds an allegorical fortified city for women using examples of the important contributions women have made to Western Civilization and arguments that prove their intellectual and moral equality to men. Earl Jeffrey Richards' acclaimed translation is used nationwide in the most eminent colleges and universities in

America, from Columbia to Stanford.

Persea Books

In this book Philippa Hoskin offers an account of the pastoral theory and practice of Robert Grosseteste, bishop of Lincoln 1235-1253, within his diocese. Grosseteste has been considered as an eminent medieval philosopher and theologian, and as a bishop focused on pastoral care, but there has been no attempt to consider how his scholarship influenced his pastoral practice.

Making use of Grosseteste's own writings – philosophical and theological as well as pastoral and administrative – Hoskin demonstrates how Grosseteste's famous interventions in his diocese grew from his own theory of personal obligation in pastoral care as well as how his personal involvement in his diocese could threaten well-developed clerical and lay networks.

Encyclopedia of Martin Luther and the Reformation University of Pennsylvania Press

An 'internal' crusade is defined as a holy war authorized by the pope and fought within Christian Europe against those perceived to be foes of Christendom, either to recover property or in defense of the Church or Christians. This study is therefore not concerned with those crusades authorized against Muslim enemies in the East and Spain, nor with crusades authorized against pagans on the borders of Europe. Up to now these crusades have attracted relatively little attention in modern British scholarship. This in spite of their undoubted European-wide significance and an increasing recognition that the period 1198-1245 marks the beginning of a crucial change in papal policy underpinned by canon law. This book discusses the developments through analysis of the extensive source material drawn from unregistered papal letters, placing them firmly in the context of ecclesiastical legislation, canon law, chronicles and other supplementary evidence. It thereby seeks to contribute to our understanding of the complex politics, theology and rhetoric that underlay the papacy's call for crusades within Europe in the first half of the thirteenth century.
