* INTERNATIONAL BESTSELLER * "This novel delivers sweet, smart escapism." —People "Fans of The Chilbury Ladies ’ Choir and The Guernsey Literary and Potato Peel Pie Society will adore The Jane Austen Society... A charming and memorable debut, which reminds us of the universal language of literature and the power of books to unite and heal." —Pam Jenoff, New York Times bestselling author of The Lost Girls of Paris Just after the Second World War, in the small English village of Chawton, an unusual but like-minded group of people band together to attempt something remarkable. One hundred and fifty years ago, Chawton was the final home of Jane Austen, one of England's finest novelists. Now it's home to a few distant relatives and their diminishing estate. With the last bit of Austen's legacy threatened, a group of disparate individuals come together to preserve both Jane Austen's home and her legacy. These people—a laborer, a young widow, the local doctor, and a movie star, among others—could not be more different and yet they are united in their love for the works and words of Austen. As each of them endures their own quiet struggle with loss and trauma, some from the recent war, others from more distant tragedies, they rally together to create the Jane Austen Society. A powerful and moving novel that explores the tragedies and triumphs of life, both large and small, and the universal humanity in us all, Natalie Jenner's The Jane Austen Society is destined to resonate with readers for years to come.

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God's Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

The ultimate guide for anyone wondering how President Joe Biden will respond to the COVID-19 pandemic—all his plans, goals, and executive orders in response to the coronavirus crisis. Shortly after being inaugurated as the 46th President of the United States, Joe Biden and his administration released this 200 page guide detailing his plans to respond to the coronavirus pandemic. The National Strategy for the COVID-19 Response and Pandemic Preparedness breaks down seven crucial goals of President Joe Biden's administration with regards to the coronavirus pandemic: 1. Restore trust with the American people. 2. Mount a safe, effective, and comprehensive vaccination campaign. 3. Mitigate spread through expanding masking, testing, data, treatments, health care workforce, and clear public health standards. 4. Immediately expand emergency relief and exercise the Defense Production Act. 5. Safely reopen schools, businesses, and travel while protecting workers. 6. Protect those most at risk and advance equity, including across racial, ethnic and rural/urban lines. 7. Restore U.S. leadership globally and build better preparedness for future threats. Each of these goals are explained and detailed in the book, with evidence about the current circumstances and how we got here, as well as plans and concrete steps to achieve each goal. Also included is the full text of the many Executive Orders that will be issued by President Biden to achieve each of these goals. The National Strategy for the COVID-19 Response and Pandemic Preparedness is required reading for anyone interested in or concerned about the COVID-19 pandemic and its effects on American society.

One of the most volatile issues facing the Western Church is also one of the least discussed: homosexuality. Many pastors, church members, and congregations have become tired of the debate surrounding this topic but do not really understand the issues. Pulling away from this controversy doesn ’ t seem to help; it keeps cropping up.Ninety percent of pastors are aware of members or visitors to their churches who struggle with homosexual tendencies, and the same percentage of churchgoers know a relative or friend who wrestles with this concern. The media, school systems, and nearly every sector of society will challenge Christians to give a reasoned response to the escalating gay agenda. For twenty-five years W. P. Campbell has studied and debated this topic as it relates to Christ ’ s Church. He has come to the conclusion that it will not go away in our generation, but it can be coaxed to find its proper place in any congregation when it is tackled with a firm but loving grip. Homosexuality in the Church is a guidebook to help Christians and whole congregations do just that. It faces the heart of the controversy with the love and compassion of Christ and turns it into effective ministry.Framed by the most significant biblical passages related to homosexuality and supported by science, psychology and sociology, each of the five parts of the book unfold a unique aspect of God ’ s person and purpose. As our Creator, he has made us to be whole; as our King he has provided laws and guidelines to help us remain that way; as our Redeemer, his power can save us from sin; as our Guide, his light will guide us out; as our Strength, he will make our ministry effective.As a resource for the church today, this book will:

- Provide readers with a comprehensive overview of the biblical data about homosexuality
- Inform readers about current scientific, psychological, and cultural findings related to same-sex practice
- Teach readers Christ-like responses to gay rights activists in the Church and help them to know how to avoid extreme stances about homosexuals and the Church that result in alienating others or in supporting sexual sin
- Offer guidelines and tools to church leaders for mobilizing a congregation to study this topic and to engage in ministry to recovering homosexuals

From the Church Committee to the War on Terror American Bar Association
This volume examines the investigation by the 1975 Senate Select Committee (’ Church Committee ’) into US intelligence abuses during the Cold War, and considers its lessons for the current ’ war on terror ’ . This report remains the most thorough public record of America ’ s intelligence services, and many of the legal boundaries operating on US intelligence agencies today are the direct result of reforms proposed by the Church Committee, including the Foreign Intelligence Surveillance Act. The Church Committee also drew attention to the importance of constitutional government as a Congressional body overseeing the activities of the Executive branch. Placing the legacy of the Church Committee in the context of the contemporary debate over US national security and democratic governance, the book brings together contributions from distinguished policy leaders and scholars of law, intelligence and political science.

Creating Efficiency for Effective Ministry Simon and Schuster

All preparation for any task is useless without God. But even with God's help we must still do our part and prepare. His control of the outcome does not negate our responsibilities. “ We prayed to our God and posted a guard... ” Nehemiah 4:91 out 3 girls is sexually abused before 18. 1 out of 5 boys are sexually abused before 18. And we are learning that many instances of sexual abuse happen at church. Church volunteers commit 50% of all incidents of sexual abuse at church; 30% of such crimes are committed by church staff. A male pedophile will offend 151 times before he gets caught. These are staggering statistics. Crime against the church is escalating. The need for security in churches has never been needed more than it is now. Church security, risk management, and risk assessment are critical but many churches don't understand why. Active Defense explains why these things are so important and explains how to put a security plan in place. Active Defense explains everything from the importance of background screenings to being prepared when violence enters your church. Let us help you build an Active Defense that meets the growing needs of your church.
