**Special Forces Training for the Life in Christ** Zondervan  
Wouldn't it be great if you could sit down with a room full of seasoned kids ministry leaders with nothing but time and a list of questions to ask? Now, with *What about Kids Ministry?*, you can do just that! Never are people more impressionable, more passionate, or more eager to learn than in their childhood years. For this reason, those who parent and minister to

children have incredibly consequential jobs! But they often lack the answers and solutions to some of their most important questions. In *What About Kids Ministry?*, kids ministry expert Bill Emeott has curated a series of questions and answers from some of the most authoritative voices in kids ministry today. In doing so, he has created the go-to resource for every kids and family minister or parent seeking practical answers to their questions about how to minister to children. *Seventh-day Adventist Church Manual*. InterVarsity Press  
Now is the time for the church to reclaim its role as a center of

creativity. Among your members are artists and musicians whose gifts can enhance your worship, inform your theology and impact your community. Christian arts advocate J. Scott McElroy gives a comprehensive vision and manual for unleashing creativity in your congregation.

Church Administration Handbook Syngress  
The Church Security Handbook: Because It Can Happen

Here Attacks on churches are on the rise. Yet the temptation is to think that it can't or won't happen in our city or congregation.

The Church Security Handbook takes a practical, biblical

approach to answering critical questions about security including: \*

What are the odds of an attack on my church?\*

Does church security indicate a lack of faith in God?\*

How can we have a security team without a "fortress mentality"?\*

Does a security team have to be armed?\*

How do we select and train our team?

The Church Security Handbook is written by the

experienced, real-world

professionals at Strategos International, [www.strategosintl.com](http://www.strategosintl.com)

Church Militant Field Manual Bowkers

Child Protection in the Church investigates

whether, amidst publicised promises of change from church institutions and the

introduction of "safe church" policies and

procedures, reform is actually occurring within

Christian churches towards safeguarding, using a case

study of the Anglican Diocese of Tasmania,

Australia. Through the use of interviews and document

---

analysis, the book provides an insight into the attitudes and practices of “ordinary clergypersons” towards child sexual abuse and safeguarding to understand how safe ministry is understood and executed in everyday life in the Church, and to what extent it aligns with policy requirements and criminological best practice. It adopts organisational culture theory, the perspective used to explain how clerical culture enabled and concealed child sexual abuse in the Church to the present, in order to understand how clerical

attitudes (cognition) and practice (conduct) today is being shaped by some of the same negative cultures. Underlying these cultures is misunderstandings of abuse causation, which are shown here to negatively shape clerical practice and, at times, compromise policy and procedural requirements. Providing an insight into the lived reality of safeguarding within churches, and highlighting the ongoing complexities of safe ministry, the book is a useful companion to students, academics, and practitioners of child protection and

organisational studies, alongside clergy, church leaders, and those training for the ministry.

Enduring Connections CSS Publishing

This book introduces students to the dynamic and complex enterprise that is homeland security. Using a broad lens, the authors explore key operational and content areas, as well as the practices and policies that are part of an effective homeland security program. With original essays from academics and practitioners, the book encapsulates the breadth of homeland security as it

---

exists today. Topical coverage includes: administration, intelligence, critical infrastructure protection, emergency management, terrorism and counterterrorism, law and policy, technology and systems, strategic planning, strategic communication, civil-military affairs, private sector involvement, environmental security, and public health. Accessible, engaging, and comprehensive, this is an essential resource for courses on homeland security.

B&H Publishing Group

Enduring Connections gives churches and ministers significant guidelines for establishing a quality childhood ministry with preschoolers and grade-schoolers. Enduring Connections is especially helpful to ministers and directors of childhood ministry that are called from the laity to staff positions. By focusing on building a childhood ministry that intentionally connects children to God and the community of faith through paths that

are driven by relationship rather than programs, Janice Haywood has produced a resource that will help churches of any size design their own unique ministry for children. A TCP Leadership Series title. A Practical Guide Chalice Press Computer security touches every part of our daily lives from our computers and connected devices to the wireless signals around us. Breaches

---

have real and immediate financial, privacy, and safety consequences. This handbook has compiled advice from top professionals working in the real world about how to minimize the possibility of computer security breaches in your systems. Written for professionals and college students, it provides comprehensive best guidance about how to minimize hacking, fraud, human	error, the effects of natural disasters, and more. This essential and highly-regarded reference maintains timeless lessons and is fully revised and updated with current information on security issues for social networks, cloud computing, virtualization, and more. <u>Security Handbook</u> 2008 B&H Publishing Group This book presents a unique approach to	church growth. It is written mainly to help churches that are declining, but will help all churches. The underlying premise is that churches do not grow and reach new people because they do not know how, or because they are so poorly structured and organized that they spend most of their time and efforts in conflict. This disrupts the fellowship and leaves very little time
--	--	---

---

and energy for reaching new people. The subtitle could be, "Fifteen Essential Steps To Growth"- Basic growth and administrative principles. The combining of these areas makes this a unique book. Young has brought together these basic elements, from over 40 years of experience. . The book is a practical guide for a local church to follow to function efficiently and	effectively, and reach people for Christ. When the steps are followed, and in the proper order, the church can pretty well be assured of growth and effective ministry. Dr. Robert A. Young is currently President of Samuelite Corp., Church Outreach and Consulting. He served as Associate Pastor/Administration of Walnut Street Baptist Church, Louisville, KY, and Park Cities Baptist Church, Dallas, TX, and	President of the National Association of Church Business Administration. He has conducted "Total Church Consultations" and Capital Fund Campaigns for churches of all sizes and denominations. He is now available to serve churches as a consultant in these areas. He is also the author of "The Development of A Church Manual of Administrative

Policies."

The United States  
Government Manual  
LexisNexis

"This is a book on church membership to place in the hands of members to help them know the meaning of their membership and understand the doctrines and polity of Baptists. Chapters include The Meaning of Church Membership, The Church covenant, Christian Growth, Baptist History, Baptist

Doctrine, Baptists and Other Denominations, God's Plan of Church Finance, and Baptist Churches at Work."

The Child Safeguarding Policy Guide for Churches and Ministries Silver Lake Publishing  
Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both.

Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for

---

how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is	always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your	crowded to-do list. Receive Christ's Freedom Xulon Press Never before has so much been known about so many. CCTV cameras, TSA scanners, NSA databases, big data marketers, predator drones, "stop and frisk" tactics, Facebook algorithms, hidden spyware, and even old- fashioned nosy neighbors—surveillance has become so ubiquitous that we take
--	---	---

---

its presence for granted. surveillance in America  
While many types of surveillance are pitched as ways to make us safer, almost no one has examined the unintended consequences of living under constant scrutiny and how it changes the way we think and feel about the world. In *Under Surveillance*, Randolph Lewis offers a highly original look at the emotional, ethical, and aesthetic challenges of living with surveillance since 9/11. Taking a broad and humanistic approach, Lewis explores the growth of surveillance in surprising places, such as childhood and nature. He traces the rise of businesses designed to provide surveillance and security, including those that cater to the Bible Belt's houses of worship. And he peers into the dark side of playful surveillance, such as eBay's online guide to "Fun with Surveillance Gadgets." A worried but ultimately genial guide to this landscape, Lewis helps us see the hidden costs of living in a "control society" in which surveillance is deemed essential to governance and business alike. Written accessibly for a general audience, *Under Surveillance* prompts us to think deeply about what Lewis calls "the soft tissue damage"

---

inflicted by the culture of surveillance.  
Disaster Ministry Handbook Review and Herald Pub Assoc  
Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. Smart Church Management: A Quality Approach to

those involved in church ministry. But our culture is changing, and church leaders can no longer assume that it won't happen in my church. Like the rest of society, churches need to ensure the safety and security of their facility, staff, and worshipers. This book provides a wealth of practical information on preparing for and responding to the challenges of a dangerous world.	Robert Cirtin draws on more than two decades of law enforcement and investigative experience, and with his team of professionals outlines a how-to approach full of specific proactive steps churches can take to protect themselves and reduce the risk of costly lawsuits. Church Safety And Security is a must-have resource for anyone participating in or preparing for church leadership.	Topics covered include: * Utilizing background screening to protect your congregation. * Safety and security issues for church-run preschool and day care programs. * Preparing for and responding to medical emergencies. * How to deal with issues pertaining to child abuse. * Legally mandated responsibilities of church staff members. * How to utilize security/surveillance
---	---	--

---

cameras in the church facility. \* Organizing a church security officer program. \* Effectively coping with intruders. \* Responding to violent acts when they occur. \* How to conduct a thorough investigation. If you are a pastor, associate pastor, preschool director, church school principal, deacon, elder, vestryperson, or denominational leader - read this book, then read it again Make it

required reading for every leader in your church. Protect your congregation, your property, and your reputation in the community by doing all you can do to hire the right employees, to prevent physical and sexual misconduct for which your church may be liable, and to reduce the legal and financial impacts of such misconduct. This book will teach you what to look for, and how to

take action today to protect the people God has given you to shepherd. Tim Duncan Associate Pastor, Anglican Church of the Resurrection St. Louis, Missouri Church Safety and Security: A Practical Guide is a valuable resource. Bob Cirtin has the unusual but important background mixture of service in full-time church ministry as well as being a certified officer of the law and an

---

expert investigator. He has personal experience with every source of danger for the local church and has developed effective safeguards and defenses. His strategies are clear, simple, easy to implement, and will protect any congregation in the event of an unfortunate occurrence. This book is a must for every church office and library Terry Raburn Superintendent,	Peninsular Florida District Council Assemblies of God This is a book written for our changing times, when the security of our churches must become a priority. Written by professionals who have a strong Christian influence in their lives, this book is a great tool for the security program of your church. Jack L. Merritt Sheriff, Greene County, Missouri Retired Capt., Missouri State Highway	Patrol Robert M. Cirtin is an assistant professor and director of the criminal justice program at Evangel University in Springfield, Missouri. He is also the president of Robert Cirtin Investigations, a company providing investigative and consulting services to churches, businesses, and government agencies. A former police officer and Missouri state
--	---	---

---

investigator who has also served in full-time ministry, Cirtin is a frequent guest lecturer on a variety of safety and security topics. He is a graduate of Central Bible College and Lincoln University.

What about Kids Ministry?

Practical Answers to Questions about Kids Ministry

Accounting for churches is not the

---

same as accounting for businesses. A church bookkeeper must be aware of the special tax codes that govern the church's unique tax standing. But it is often hard for overworked or volunteer administrators to know every aspect of tax code that affects their church's ability to accept donations, oversee a benevolence fund, and offer a compensation package for their minister. Lisa

London, The Accountant friendly, engaging Beside You who brought you QuickBooks for Churches & QuickBooks for Nonprofits, explains the specialized needs of church accounting in an easy-to-understand manner for church administrators and volunteers. A CPA with decades of experience working with businesses as well as churches and other nonprofits, Lisa explains complex concepts in a reader-

manner. She is joined by Vickey Boatright, an accountant who runs THE online site for all things church accounting, [www.freechurchaccounting.com](http://www.freechurchaccounting.com). Together, Lisa and Vickey guide you through every essential aspect of church accounting. Church Accounting: The How-To Guide for Small & Growing Churches is a must-have reference for all the nuts and bolts of

---

church accounting no matter what your accounting system. Lisa and Vickey help you set up accounting spreadsheets and explain the different types of accounting packages. If you are already using QuickBooks, it is also a perfect compliment to QuickBooks for Churches and Other Religious Organizations. Additionally, The Accountant Beside You will show you how	to:calculate and file employee payroll without paying for an outside servicedesign and implement a compensation package for your minister, including a housing allowanceset up and administer a benevolence fundacknowledge donations per IRS guidelines, including vehicle donationsprepare for an annual auditbudget and forecast to provide for	future church growthreimburse employees' expenses per IRS guidelinesset up proper internal controls to guard against fraud or errorimplement the basics to start a new churchdesign church by lawsset up filing systems and the organize the officeThe Accountant Beside You series of accounting books for churches and nonprofits have been sold in all 50 states and
