The most common topics covered in the alternative to practical exams are: coasts, rivers, settlement and weather (so make sure you 've revised the theory on these sections. Measuring at coast lines. Beach profile

Notes on the Alternative to Practical Paper

Notes on the Alternative to Practical Paper 1. This paper is an alternative to a practical exam, not an alternative to a practical course. 2. The preparation for students is a well-designed practical course. 3. The course should teach candidates how to make measurements using many different types of instruments.
