CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. The CIMA E1 exam covers a variety of topics that are unrelated but are all essential to the running of a successful business. There is a strong theoretical basis to this subject and it is important that students understand how to apply these theories in the 'real world'. The key E1 subject areas are: * The global business environment * Information systems * Marketing * Managing human capital. The E1 Study Text comprehensively covers all the E1 syllabus areas. It breaks down each topic into manageable chunks and clearly describes all relevant theories. The questions in the question bank demonstrate how these theories should be applied in an exam situation.
