Do not go gentle into that ghoulded night. Valentine IX, orphaned son of Britannia and state-sanctioned executioner, sits in an Anatolian cell accused of a murder he did not commit. While such accommodations are hardly unfamiliar to the man he has become, this time is different. This time, Valentine is charged with the slaughter of a Germani princess a mere week before she was to be wed. And so-armed with nothing but pen and parchment, and filled with a nagging sense of duty-it is up to Valentine to set the record straight. Thus begins the swan song of Valentine the Butcher, a tale of intrigue and betrayal set against the backdrop of an otherworldly metropolis on the fringes of a sprawling empire teeming with gravity-defying skyships, infernal monsters, systemic greed, and draconian double-agents. And it is here, amidst society's seedy underbelly, that Valentine first encounters the foul curse that started it all-a plague known only to myth, tied to a legend that may never die. In a world where naked flame is outlawed and

monsters are common as cattle, the fate of humanity will hinge upon the ink-stained ramblings of an avowed arsonist. But you know what they say...Ignis aurum probat. Fire tests gold.

This final volume finishes off the talk of the doctrine of soteriology and the work of Christ and the Holy Spirit within the Bible. The next session deals with the topic of the church and its place within the world and the teachings of scripture about how the church is to be united with Christ when, in the final section, the eschaton happens and the world is renewed to a sinless state with Christ's return. Also covered is the topic of the intermediate state and what happens when we die.

Cinders & Salt

Ravenous dragons descending at night, goblin hordes rampaging across the land, kingdoms collapsing; amidst this cyclone of chaos, one woman rises. Vyra has always dreamt of joining the renowned Silverclad Knights and becoming a great warrior. The kingdom needs every soldier it can get, having barely survived the war with the dark forces from the wilderness. However, the king of Beckon throne long ago decreed that only men of noble status may walk the path to knighthood. As Vyra ventures through the mystical, war-torn lands to prove herself, she unexpectedly captures the eye of the paladin Lord Aldrean, as well as that of his infamous nemesis. Dark forces are gathering, and terrifying creatures hunt in the night. Vyra's choices tip the fragile balance of the scales of power. Will she take the first step to becoming a heroic legend, or merely become another casualty claimed by the wilderness?
