First published in 1907 Israel Rank: The Autobiography of a Criminal is perhaps best known as the inspiration for the classic Ealing comedy Kind Hearts and Coronets, which was voted the seventh greatest British film of all time by readers of Total Film magazine in 2004. It has often been suggested that Israel Rank is an anti-Semitic novel but this is untrue. What Horniman does is to use his characters and the novel's plot as a vehicle to explore and parody the anti-Semitism that was rife in Edwardian England. While part of the success of the novel is due to the film's cult

status Israel Rank remains a classic comedic novel that explores the antithesis of conventional morality - in short it is a comedy about a serial killer.

Byline anthologises M.J. Akbar's finest writings over the last decade, bringing together essays that reflect the author's versatility and range. The book is divided into five seamless sections, each with its own identity, woven together by M.J. Akbar's delectably informal prose. 'Travel' is the first section in which the author shares his passion for history and the occasional fable, the obscure detail, the glorious and the ludicrous. This is followed by 'Politics and History' in which the reader is provided a view of some events and people in the recent past with all the quirks and whims that characterise the great as well as the mundane. The reader then moves on to 'Sidelines' (those delightfully off-centre pieces). M.J. Akbar says in an essay in this section: "The train of thought has moved. But that is the way with trains. They must travel." 'Memories' is the most personal and autobiographical part of the entire selection, mixing regret, nostalgia and deeply felt sorrow for the friends and times gone forever. Byline ends with a short section entitled 'On a Personal Note' in which James Bond must live to die another day, The Telegraph has to learn to live beyond the age of twenty and Dev Anand remains young forever. *Culture and Political History of Kashmir* Concept Publishing Company Junior Theory Level 1 - a foundational music theory book specifically designed for children aged 4-7. *An Encyclopedia of Life in the Republic* Tony F. Charles Founded by the chieftain Kempe Gowda around 1537, the story of Bangalore has no grand linear narrative. The location has revealed different facets to settlers and passers-through. The city, the site of bloody battles between the British and Tipu Sultan, was once attached to the glittering court of Mysore. Later, it became a cantonment town where British troops were stationed. Over time, it morphed into a city of gardens and lakes, and the capital of PBI - Indian scientific research. More recently, it has been the hub of PBI - India's information technology boom, giving rise to Brand Bangalore, an PBI - Indian city whose name is recognized globally. Hidden beneath these layers lies a cosmopolitan city of sub-cultures, engaging artists and writers,

young geeks and students. People from every corner of PBI - India and beyond now call it home. In this collection of writings about a multi-layered city, there are stories from its history, translations from Kannada literature, personal responses to the city's mindscape, portraits of special citizens, accounts of searches for lost communities and traditions, among much more. U.R. Ananthamurthy writes about Bangalore's Kannada identity; Shashi Deshpande maps the city through the places she has lived in since she was a young girl; Anita Nair draws a touching portrait of a florist who celebrates the glories of the Raj; Ramachandra Guha describes his close bond with Bangalore's most unusual bookseller; and Rajmohan Gandhi recounts the Mahatma's trysts with the city. From traditional folk ballads to a nursery rhyme about Bangalore, from poems to blogs, from reproductions of turn of the twentieth century picture postcards to cartoons, *Multiple City* is the portrait of a metropolis trying to retain its roots as it hurtles into the future.

April 2022: India has walked out of Kashmir and made Kashmir FREE. Kashmir finally has what its stone pelting mobs have apparently been demanding for such a long time. FREEDOM. Now what? What does Hasina Ittoo, its Chief Minister "promoted overnight" as Prime Minister, do? Beg India for a Bhutan like status with the Indian Army defending it; or request Pakistan for a similar status as

that of its so-called region of "Azad Kashmir"? What does India do: treat Kashmir like Bhutan or Nepal with free trade and visa-free movement of people or treat it like Pakistan with massive restrictions on everything imaginable? And how do the Kashmiris carry on with their daily lives? Where from do they get their food supplies, electricity, petroleum products, medicines, car parts, building material, and every such item of daily use? Which airline and mobile companies now service them? Which currency do they use now: Indian, Pakistani, or both? Who pays now for the bloated bureaucracy of Kashmir? Pakistan? Does Shehla Kaloo, the firebrand Kashmiri feminist, succeed in turning Kashmir in to a neutral but prosperous Switzerland? Or, does she yield to popular sentiments in favour of a Sharia-governed Islamist society? KASHMIR THINKS IT'S FREE is that fictional, what-if peep in to a not-too-distant future when Kashmir attains freedom from India. Spread over 47 chapters, this astoundingly realistic and edge-of-the-seat politico-bureaucratic thriller will grip you by the throat and shake you to the core when you finish its almost 70,000-words of pure adrenaline rush. As an Indian Administrative Service (IAS) officer of the 1979 batch of the Jammu and Kashmir cadre, who has served the nooks and crannies of J&K for over 37 years, lead author Arun Kumar believes he's more than qualified to do justice to this thrilling plot. Co-author Prasenjeet Kumar brings his formidable experience of writing 30 books (of which 60 titles are now translated in to six international languages) to tighten up the story and to bring out its human and social dimensions. Ministry of Utmost

Happiness is a dazzling new novel by the internationally celebrated author of *The God of Small Things*. It takes us on an intimate journey of

many years across the Indian subcontinent--from the cramped neighborhoods of Old Delhi and the roads of the new city to the mountains and valleys of Kashmir and beyond, where war is peace and peace is war. It is an aching love story and a decisive remonstrance, a story told in a whisper, in a shout, through unsentimental tears and sometimes with a bitter laugh. Each of its characters is indelibly, tenderly rendered. Its heroes are people who have been broken by the world they live in and then rescued, patched together by acts of love--and by hope. The tale begins with Anjum--who used to be Aftab--unrolling a threadbare Persian carpet in a city graveyard she calls home. We encounter the odd, unforgettable Tilo and the men who loved her--including Musa, sweetheart and ex-sweetheart, lover and ex-lover; their fates are as entwined as their arms used to be and always will be. We meet Tilo's landlord, a former suitor, now an intelligence officer posted to Kabul. And then we meet the two Miss Jebeens: the first a child born in Srinagar and buried in its overcrowded Martyrs' Graveyard; the second found at midnight, abandoned on a concrete sidewalk in the heart of New Delhi. As this ravishing, deeply humane novel braids these richly complex lives together, it reinvents what a novel can do and can be. The Ministry of Utmost Happiness demonstrates on every page the miracle of Arundhati Roy's storytelling gifts.
